Questions and Responses for EBMUD RFP 26-557-01
Local Watershed Tree Planting, Maintenance, and Monitoring
November 9, 2026

1. Is it possible for us to visit the site again by ourselves?

   You are allowed to visit the site by yourself; however, because this is an EBMUD trail, an EBMUD Trail Use Permit is required. You can buy a permit online (https://www.ebmud.com/recreation/buy-trail-permit) or you can buy a permit in person at the Lafayette Reservoir Visitor Center. Once you have a permit, you can access the site via the short trail starting at the at EBMUD Bear Creek Trail Staging Area (37.9224700, -122.1645996). If you will be going off the trail and taking measurements, please give the watershed rangers (recreation@ebmud.com) a heads up before you go, along with the purpose of the visit and what date/time you will be there.
