

SCHEDULE B

ACCOUNT ESTABLISHMENT CHARGE

The charge for establishing a new account or the transfer of an account for a customer moving from one address to another is \$30.00 with the following exceptions:

- Customers in the Customer Assistance Program shall be charged \$10.00.
- Landlords requiring temporary water service for a period not to exceed 60 days shall be charged \$10.00, with the balance of the account establishment charge billed for water service that exceeds 60 days.
- There will be no transfer fee to change the name of an account when the responsible party is a landlord who has signed an intervening water service agreement.
- There will be no transfer fee to change the name of an account when the same person or entity is to remain responsible.
- Upon completion of the on-line account establishment system, the charge for establishing a new account or the transfer of an account moving from one address to another on EBMUD's website over the Internet for a single family residence customer is \$15.
