

List of Qualifying Commercial Clothes Washers

Effective August 18, 2008

To qualify for an East Bay Municipal Utility District (EBMUD) Commercial Clothes Washer Program rebate, commercial washers must appear on this list. Rebate amounts are \$250.00 for coin laundry stores and \$150.00 for all other commercial sites. For additional program information visit: <http://www.ebmud.com>, call 510-287-1900, or email us at wtrcserv@ebmud.com.

Although all models on this list are very water and energy efficient, the tiers are structured so the most efficient products are listed in the higher tier, which is tier 3.
