**WATER MAIN EXTENSION CHARGES
(Continued)**

- D.** The above charges apply to all District-installed mains except when there are unusual or special conditions which, in the opinion of the District, would result in the need for additional services and materials, including hydraulic analysis, property rights evaluation, site conditions or contaminated soil. In such cases, the additional charge will be based on the District's actual cost of all engineering, material, equipment, labor and related overhead expenses incidental to the installation.

E. APPLICANT-INSTALLED MAINS

The following charges apply to applicant-installed water main extensions under normal conditions as defined in the Regulations.

1. Charge for engineering, inspection, and certain pipeline materials, designated below for the installation of the required water mains by the applicant, excluding fire hydrants and water service connections (which are covered by Schedules D, E, and F):
 - a. Basic installation charge of \$4,184.00
plus,
Linear foot charge of:
6-inch diameter pipe \$34.00 per foot
8-inch diameter pipe 34.00 per foot
12-inch and larger diameter pipe See 7-C, #3
 - b. The charge to the applicant for District-supplied pipe and fittings will be the District's cost for these materials, at the time of delivery to the applicant, plus tax and shipping.
 - c. The above charges apply to all applicant-installed mains except when there are unusual or special conditions which, in the opinion of the District, would result in the need for additional services and materials, including added testing and inspection, changes due to project revisions, property rights evaluation, site conditions or contaminated soil, and any construction by District forces to complete the installation. In such cases, the additional charge will be based on the District's actual cost of all engineering, material, equipment, labor and related overhead expenses incidental to the installation.

In all cases the District will supply valves, valve pot covers, blowoffs, and minor appurtenances as identified by District-furnished drawings and specifications.
