

EAST BAY MUNICIPAL UTILITY DISTRICT

RFP No. INF001 – Inflow Investigation Services

ADDENDUM No.2 – May 15, 2015

Receipt of this Addendum must be acknowledged in Exhibit A of the RFP, which shall be submitted by CONTRACTOR as part of its bid.

Note: This addendum lists clarifications to the RFP. A revised RFP is not included with this addendum.

1. Bid Item 1. CCTV Inspection – Private Sewer Laterals, page 4 and page A.5
 - a. Costs associated with CCTV inspection of a private sewer laterals should assume access to the PSL through either a clean-out at the curb or at the building.
2. Bid Item 10. Limited Manhole (Level 1) Inspection, page 15
 - a. Manhole (not CCTV) inspection data shall be recorded.
3. Bid Item 11. Extensive Manhole (Level 2) Inspection, page 16
 - a. Manhole (not CCTV) inspection data shall be recorded.
4. Required Documentation & Submittal, pages A.8 – A.9
 - a. Bidder shall provide the following documents as part of its Bid; Bidder may replace pages A.8 – A.9 in the RFP with this list.
 - i. Letter of Transmittal
 - ii. Project Manager Resume
 - iii. Filled out Exhibit A – RFP Response Packet (pages A.1 – A.7 and A.9 – A.17)
 - iv. Contract Equity Program Forms
5. Qualifications & Reference Summary Form
 - a. To accommodate a data-field limitation in the provided ‘fillable’ form (‘Revised-Inflow Investigations Services RFP – Fillable Form.doc’), Bidder shall input “99%” for instances in which a value of “100%” would have been entered for either “Est %” or “% Avail.”
