

SECTION 22

WATER SUPPLY AND INTERRUPTION OF DELIVERY

The District will exercise reasonable diligence and care to deliver to customers a continuous and sufficient supply of water under proper pressure at the meter. However, the District will not be liable for interruption, shortage, or insufficiency of supply or for any loss or damage occasioned thereby.

For purposes of making repairs or installing improvements to the system, the District shall have the right to temporarily suspend the delivery of water. Repairs or improvements will be performed as rapidly as may be practicable and so far as possible at times that will cause the least inconvenience to the customers concerned. The District shall not be liable for any loss or damage occasioned by such suspension of service.
