Let's Talk Shop

Come talk shop with us to get some good insights on your landscape and irrigation projects.

How is sheet mulching going - any tricks to share? How about transitioning trees from a lawn to a low water landscape - any insights? Any experimental projects you would like to share with the group? Looking for tips to meet the landscape water budget? Submit your topic and join us for an interactive online Talk Shop discussion. An update on EBMUD water supply, rebates, and programs will also be discussed. This meeting is geared for Landscape Professionals - contractors, maintenance staff, and designers.
