1:15 p.m.

*****Please see appendix for public participation instructions*****

ROLL CALL:

BOARD OF DIRECTORS:

- Pledge of Allegiance

ANNOUNCEMENTS FROM CLOSED SESSION:

PUBLIC COMMENT: The Board of Directors is limited by State law to providing a brief response, asking questions for clarification, or referring a matter to staff when responding to items that are not listed on the agenda.

CONSENT CALENDAR: (Single motion and vote approving 16 recommendations.)

1. Approve the Regular Meeting Minutes of June 11, 2024.
2. File correspondence with the Board.
3. Award a contract to the lowest responsive/responsible bidder, Blocka Construction, Inc., in an amount not to exceed \$2,895,000 for the construction of the Lafayette Water Treatment Plant Control Systems Improvements Project, under Specification 2177.
4. Authorize actions related to construction services for the Cull Creek Rate Control Station and permanent Regulator, and the Campus, Keller, Gramercy, and Villareal Regulators Upgrade Project.
 - 4.1. Award a contract to the lowest responsive/responsible bidder, Thompson Builders Corporation, in an amount not to exceed \$5,980,000 for the temporary Cull Creek Rate Control Station and permanent Regulator, and the Campus, Keller, Gramercy, and Villareal Regulators Upgrade Project, under Specification 2180.
 - 4.2. Authorize an agreement beginning on or after July 9, 2024, with Mott MacDonald Group, Inc. in an amount not to exceed \$328,940 for engineering services during construction for the construction of the temporary Cull Creek Rate Control Station and permanent Regulator, and the Campus, Keller, Gramercy, and Villareal Regulators Upgrade Project.
5. Authorize an agreement beginning on or after July 9, 2024 with Arup US, Inc. in an amount not to exceed \$462,790 for design services for security improvements at the District's Adeline Maintenance Center Campus located in West Oakland, California.
6. Authorize an agreement beginning on or after July 9, 2024 with Brown and Caldwell in an amount not to exceed \$1,677,699 for engineering consultant services for the planning phase of the Dewatering Improvements Project at the Main Wastewater Treatment Plant.

CONSENT CALENDAR: (Continued)

7. Authorize an agreement beginning on or after July 9, 2024 with ConvergeOne, Inc. for \$524,810 for three years, with one option to renew for an additional three-year period for a total, including option years, not to exceed \$864,505 for implementation, system support services and software licenses for call center management software.
8. Authorize an agreement beginning on or after July 9, 2024 with Corcus Construction, Inc. in an amount not to exceed \$432,800 for District sewer lateral maintenance including sewer location services, installation of sewer appurtenances, replacements, and compliance testing.
9. Authorize an agreement beginning on or after July 9, 2024 with Dynamic Systems, Inc. for one year, with one option to renew for an additional one-year period for a total amount, including the option year, not to exceed \$830,546 for Oracle Premier software maintenance and support services. This agreement will be made under State of California contracts available for use by local governments.
10. Authorize an agreement beginning on or after July 9, 2024 with Eaton Corporation in an amount not to exceed \$1,619,151 for the Orinda Water Treatment Plant Main Plant Switchgear Breaker Replacement project.
11. Authorize an agreement beginning on or after July 9, 2024 with FlowWest in an amount not to exceed \$793,092 for the planning, design, and permitting of two floodplain and spawning habitat restoration projects along the Mokelumne River.
12. Authorize an agreement beginning on or after July 9, 2024 with GEMS Environmental Management Services, Inc. in an amount not to exceed \$432,188 for the installation of a standby generator diesel tank and day tank at Sobrante Water Treatment Plant.
13. Authorize an agreement beginning or after July 9, 2024 with the Peralta Community College District in an amount not to exceed \$119,500 for tuition, student support services, and appropriate materials required for the fourth iteration of the Cohort Learning Program during the period of August 2024 to May 2026.
14. Authorize an agreement beginning on or after July 9, 2024 with TJC and Associates, Inc. in an amount not to exceed \$999,718 for as-needed electrical engineering services during construction in support of the Upper San Leandro Water Treatment Plant Maintenance and Reliability Project.
15. Award a contract beginning on or after July 9, 2024 to the lowest responsive/responsible bidder, ePlus Technology, Inc., for supplying Arista Networks' converged cloud fabric switches for the District's data center, for a total cost, after the addition of taxes, not to exceed \$208,332 under Request for Quotation No. 2409A.

CONSENT CALENDAR: (Continued)

16. Authorize actions related to welding services.
 - 16a. Authorize amendments to the agreements previously authorized under Board Motion No. 119-23, with Eyeball Enterprises, Inc.; Ferguson Welding Service, Inc.; John Arthur Welding, Inc.; Larsson Welding; Mid Mountain Mechanical, Inc.; Nicole Welding, Inc.; and Woods Welding to increase the aggregate amount of those agreements by \$125,000 to a total aggregate amount not to exceed \$375,000 and extend the term of the agreements to July 9, 2025 for welding services.
 - 16b. Authorize additional agreements for welding services, on an as-needed basis and subject to the total aggregate amount authorized by the Board for such services on July 9, 2024 with service providers that meet District standards and offer pricing at or below the range in the proposed agreements with the service providers above to increase flexibility and ensure service provider availability. The Board of Directors will be notified of additional qualified service providers by means of the General Manager's monthly report.

PUBLIC HEARING:

17. Take actions related to the transfer of delinquent EBMUD charges to the Alameda and Contra Costa counties' 2024-2025 Property Tax Rolls. (Resolution)
 - 17.1. Conduct a public hearing and consider objections and protests to the General Manager's report to Transfer Delinquent EBMUD Charges to the Alameda and Contra Costa counties' 2024-2025 Property Tax Rolls.
 - 17.2. Adopt the General Manager's Report dated June 11, 2024 and authorize the General Manager to exclude from the report any affected parcels or amounts as appropriate, including those that the District receives payment for on or before August 10, 2024, the date in which the report will be sent to Alameda and Contra Costa counties.
 - 17.3. Authorize the transfer of delinquent EBMUD charges to the Alameda and Contra Costa counties' 2024-2025 property tax rolls.

PUBLIC HEARING:

18. Take actions related to the collection of the Wet Weather Facility Charge (WWFC) on Alameda and Contra Costa counties' 2024-2025 Property Tax Rolls. (Resolution)
 - 18.1. Conduct a public hearing to consider objections and protests to EBMUD's written report describing each parcel of real property subject to the Wet Weather Facilities Charge and amount of the WWFC to be imposed on each parcel for the Alameda and Contra Costa counties' Fiscal Year (FY) 2024-2025 Property Tax Rolls.
 - 18.2a. Adopt the written report and authorize the District to collect the FY 2025 WWFC on the Alameda and Contra Costa counties' property tax rolls by at least two-thirds of the members of the Board (i.e., five Board members).
 - 18.3b. Authorize District staff to adjust the FY 2025 WWFC for any affected parcels as new information is provided by the counties.
 - 18.4c. Direct the Secretary of the District to file a copy of the Report on or before August 10, 2024, with the Alameda County Auditor-Controller and the Contra Costa County Auditor-Controller.

DETERMINATION AND DISCUSSION:

19. Appoint Ad Hoc Committee to Negotiate Amendments to Employment Agreement with General Manager and General Counsel.
20. Conduct a first reading of an ordinance amending Ordinance No. 355-11, as previously amended, which is the Wastewater Control Ordinance, to incorporate changes to the local limits, clarify appellate procedures for enforcement orders, modify permit categories and permitting procedures, adopt modifications recommended by federal auditors, and make other clarifications to ensure consistency with federal regulations. (Introduction and First Reading – Ordinance No. 377-24)
21. Provide input and direction to the Office of General Counsel and Office of the Secretary on the development of Governance Policies for the Board of Directors.
22. Take actions related to the Walnut Creek Water Treatment Plant Pretreatment Project. (Resolution)
 - 22a. Certify the Final Environmental Impact Report for the Walnut Creek Water Treatment Plant Pretreatment Project.
 - 22b. Make findings in accordance with the California Environmental Quality Act (CEQA), including a Statement of Overriding Considerations.
 - 22c. Adopt the Mitigation Monitoring and Reporting Program in accordance with CEQA.
 - 22d. Adopt the Practices and Procedures Monitoring and Reporting Plan.
 - 22e. Approve the Project.

DETERMINATION AND DISCUSSION: (Continued)

23. General Manager's Report.

- Service Award Recipients – April through June 2024
- Forecast and Summary of 2024 Board Committee and Workshop Agenda Topics
- Monthly Report – June 2024

REPORTS AND DIRECTOR COMMENTS:

24. Committee Reports:

- Planning
- Legislative/Human Resources

25. Other Items for Future Consideration.

26. Director Comments.

ADJOURNMENT:

The next Regular Meeting of the Board of Directors will be held at 1:15 p.m. on Tuesday, August 13, 2024.

Disability Notice

MINUTES

**Tuesday, June 11, 2024
East Bay Municipal Utility District
Board of Directors
375 Eleventh Street
Oakland, California**

Regular Closed Session Meeting

President Lesa R. McIntosh called to order the Regular Closed Session Meeting of the Board of Directors at 11:02 a.m. in the Administration Building Boardroom.

ROLL CALL

Directors Luz Gómez, Andy Katz, Doug A. Linney, Marguerite Young and President Lesa R. McIntosh were present at roll call. Directors April Chan and William B. Patterson were absent (excused).

Staff participants included General Manager Clifford C. Chan and General Counsel Derek T. McDonald.

PUBLIC COMMENT

- Addressing the Board was Ivette Rivera who commented on Regular meeting agenda Item 20, and her Public Records Request for documents relating to the investigation of alleged violations by former Director John Coleman of Policy 6.04, Ethics of the EBMUD Board of Directors, the Political Reform Act and Government Code section 1090.

ANNOUNCEMENT OF CLOSED SESSION AGENDA

President McIntosh announced the closed session agenda and the Board convened to Administration Building Conference Room 8 for discussion.

Regular Business Meeting

President Lesa R. McIntosh called to order the Regular Business Meeting of the Board of Directors at 1:17 p.m. in the Administration Building Boardroom.

ROLL CALL

Directors Luz Gómez, Andy Katz, Doug A. Linney, William B. Patterson, Marguerite Young, and President Lesa R. McIntosh were present at roll call. Director April Chan was absent (excused).

Staff participants included General Manager Clifford C. Chan, General Counsel Derek T. McDonald, and Secretary of the District Rischa S. Cole.

BOARD OF DIRECTORS

President McIntosh led the pledge of allegiance.

Recognizing graduates of the East Bay Municipal Utility District's Peralta College Cohort Learning Program

General Manager Clifford C. Chan announced the District has a strategic goal of creating an environment that attracts, retains, and engages a high-performing diverse workforce. This includes “growing our own” by providing educational support, resources, and programs that create career mobility and promotional opportunities. Thirteen District employees recently completed the third EBMUD Peralta College Cohort Learning Program. The Cohort is a partnership between the District and Laney College, which brings college courses to District employees to support their career development and mobility goals. He highlighted student accomplishments and recognized their dedication and perseverance to complete the program. The following students were in attendance and recognized by staff and the Board: Austin Brilz, Water Distribution Plumber II; Neal Brown, Mechanical Supervisor; Rosaland Cammack, Janitor; Fermin Cazares Jr., Water Distribution Plumber IV; Thomas Christopher, Janitor; Ena Ferdinand, Dispatch Center Representative; Dominick Giovannetti, Water Distribution Plumber III; Adrian Gonzalez, Automotive Mechanic B; Margaret Langry, Administrative Clerk; Antonio Murillo, Grounds Maintenance Specialist II; Seth Rosellini, Pipeline Welder III; Leonardo Sandoval, Senior Mechanical; James Sveum, Truck Driver II; and Christopher Tran, Wastewater Plant Operator Trainee. General Manager Chan introduced class valedictorian Ena Ferdinand who recounted her experience participating in the program and thanked the Board for the opportunity for advancement and to learn more about the District. On behalf of the Board of Directors, President McIntosh congratulated the graduates and thanked them for their hard work. She also thanked Ms. Ferdinand for her comments.

ANNOUNCEMENTS FROM CLOSED SESSION

There were no announcements required from closed session.

PUBLIC COMMENT

- Addressing the Board was Ivette Rivera who commented on her Public Records Request for records that were provided for the investigation of alleged violations by former Director John Coleman of Policy 6.04, Ethics of the EBMUD Board of Directors, the Political Reform Act and Government Code section 1090.

PUBLIC HEARING

11. **Conduct a public hearing to consider revisions to the water and wastewater system schedules of rates and charges, capacity charges and other fees recommended in the Biennial Report and Recommendation of the General Manager for Fiscal Years 2024 and 2025.**

President McIntosh opened the public hearing at 1:31 p.m.

Principal Management Analyst Phoebe A. Grow provided the presentation and reviewed actions related to the District’s mid-cycle budget and rates process. On May 14, 2024, staff filed the Report and Recommendation of the General Manager for Revisions to the Water and Wastewater System Schedule of Rates and Charges, Capacity Charges, and Other Fees Not Subject to Proposition 218, and Regulations and the Board voted to set today’s public hearing. On May 28, 2024, staff conducted a Mid-Cycle Budget Workshop and reviewed

proposed revisions to the following non-Proposition 218 rates, charges, and fees for FY 2025: Account Establishment Charge (Schedule B); Charges for Special Services (Schedule C); Water Service Installation Charges (Schedule D); Private Fire Service Installation Charges (Schedule E); Public Fire Service Installation Charges (Schedule F); Water Main Extension Charges (Schedule G); Standard Participation Charge (SPC) (Schedule H); System Capacity Charges (SCC) (Schedule J); Water Demand Mitigation Fees (Schedule N); Public Records Act Fee Schedule; Real Property Use Application Fees; Recreation Use Fees; Wastewater Department Industrial Permit Fees (Schedule C); Wastewater Department Other Fees (Schedule D); Wastewater Department Testing Fees (Schedule E); Wastewater Department Rates for Resource Recovery Material Treatment (Schedule F); Wastewater Department Capacity Fees (Schedule G); and Wastewater Department Wastewater Interceptor Connection Review, Coordination, and Inspection Fee (Schedule H). Staff also proposes updating Sections 1 and 29 in the District's Water Service Regulations. There were no comments from the public.

President McIntosh asked for a motion to close the public hearing and closed the public hearing at 1:37 p.m.

- Motion by Director Patterson, seconded by Director Linney to close the public hearing carried (6-0) by the following roll call vote: (Gómez, Katz, Linney, Young, Patterson and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan).

Motion No. 109-24 – Conducted a public hearing to consider revisions to the water and wastewater system schedules of rates and charges, capacity charges and other fees recommended in the Biennial Report and Recommendation of the General Manager for Fiscal Years 2024 and 2025.

DETERMINATION AND DISCUSSION

12. **Adopt the revised Water System and Wastewater Systems rates, charges, and other fees not subject to Proposition 218, and the revised regulations recommended in the “Report and Recommendation of the General Manager for Revisions to the Water and Wastewater System Schedule of Rates and Charges, Capacity Charges, and Other Fees Not Subject to Proposition 218, and Regulations for Fiscal Year (FY) 2025,” filed with the Board on May 14, 2024. These rates, charges, and other fees not subject to Proposition 218 include System Capacity Charges, Wastewater Capacity Fees, Public Records Act fees, Real Property Use Application fees, Recreation Use fees.**

- Motion by Director Young, seconded by Director Gómez to approve the recommended actions for Item 12 carried (6-0) by the following roll call vote: (Gómez, Katz, Linney, Patterson, Young and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan).

Resolution No. 35405-24 – Adopting Revised Water And Wastewater Systems Schedule Of Rates, Charges, And Other Fees Not Subject To Proposition 218 For Fiscal Year 2025; Adopting Revised Regulations Governing Water Service; And Approving An Exemption Under The California Environmental Quality Act And Directing Staff To File A Notice Of Exemption.

13. **Affirm the Fiscal Year (FY) 2025 Operating, Debt Service, and Capital Budgets for the Water and Wastewater Systems as recommended in the FY 2024 and FY 2025 Mid-Cycle Budget Update submitted to the Board of Directors on May 28, 2024. The FY 2025 budget is unchanged from the amounts adopted by the Board on June 13, 2023.**

- Motion by Director Gómez, seconded by Director Patterson to approve the recommended actions for Item 13 carried (6-0) by the following roll call vote: (Gómez, Katz, Linney, Patterson, Young, and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan).

Resolution No. 35406-24 – Affirming The Budget Of The East Bay Municipal Utility District Water And Wastewater Systems For Fiscal Year 2025 And Establishing The Terms And Conditions For The Payment Of Demands Against The District.

14. **Approve the Mid-Cycle Position Resolution for Fiscal Year (FY) 2025 to implement necessary classification changes as recommended in the FY 2025 Mid-Cycle Budget Update submitted to the Board of Directors on May 28, 2024.**

- Motion by Director Young, seconded by Director Linney to approve the recommended actions for Item 14 carried (6-0) by the following roll call vote: (Gómez, Katz, Linney, Patterson, Young, and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan).

Resolution No. 35407-24 – Mid-Cycle Resolution For Fiscal Year 2025 Authorizing The Number And Character Of Positions And Authorizing The General Manager To Take Action In Connection Therewith.

15. **File the Report and Recommendation of the General Manager to Transfer Unpaid Liens for Delinquent Charges to Alameda and Contra Costa counties' 2024-2025 Property Tax Rolls.**

- Motion by Director Linney, seconded by Director Young to approve the recommended actions for Item 15 carried (6-0) by the following roll call vote: (Gómez, Katz, Linney, Patterson, Young, and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan).

Motion No. 110-24 – Filed the Report and Recommendation of the General Manager to Transfer Unpaid Liens for Delinquent Charges to Alameda and Contra Costa counties' 2024-2025 Property Tax Rolls.

16. **Appoint the Manager of Facilities Maintenance and Construction.**

General Manager Clifford C. Chan announced Sharon C. Hu as the candidate for appointment to the position of Manager of Facilities Maintenance and Construction and highlighted Ms. Hu's education and experience.

- Motion by Director Linney, seconded by Director Patterson to approve the recommended actions for Item 16 carried (6-0) by the following roll call vote: (Gómez, Katz, Linney, Patterson, Young, and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan).

Ms. Hu thanked the Board for the appointment and said she looks forward to working in her new role.

Resolution No. 35408-24 – Appointing Sharon C. Hu As Manager Of Facilities Maintenance & Construction (*effective June 17, 2024*).

17. **Legislative Update.**

General Manager Clifford C. Chan reported the Legislative/Human Resources Committee met earlier and supported the staff recommendation for Legislative Report No. 04-24. Manager of

Legislative Affairs Kathy Viatella reviewed the report. Staff is requesting Board approval to sponsor or support a proposal to pursue minor changes to Municipal Utility District (MUD) Act section 12823 through a sponsored bill, committee bill, or other vehicle. MUD Act section 12823 currently contains a 12-month limitation on payment plan extensions for certain customers who are late on their utility bill payments and who request flexibility from EBMUD to pay off their debt. EBMUD is seeking statutory changes to have greater flexibility in determining the length of a payment plan and the ability to go beyond the 12-month limitation contained in the MUD Act, should a customer have an undue hardship. The proposed changes to the MUD Act would align with existing law contained in the Water Shutoff Protection Act, enacted by SB 998 (Dodd). MUD Act section 12823 has not been amended since 1985. Staff is working to identify a legislative vehicle to advance the proposal this year. In response to a question from the Legislative/Human Resources Committee, Ms. Viatella clarified that, if the revision is adopted, the District and other municipal utility districts would not be required to extend their payment plans beyond the 12-month limitation contained in the MUD Act and that while Sacramento Municipal Utility District supports the proposed revisions, the other municipal utility districts have not commented on this item. Ms. Viatella also confirmed that the municipal utility districts would not charge interest on those late payments over the 12- or 24-month period. Next, she reported staff will ask the Board to consider approving a position on Assembly Bill 460 (Bauer-Kahan) and Senate Bill 1255 (Durazo) at its meeting on June 25 and responded to questions regarding the climate bond and the status of the California Supreme Court decision regarding the Taxpayer Protection and Government Accountability Act.

– Director Patterson left the meeting at 1:44 p.m. and returned at 1:48 p.m.

- Motion by Director Gómez, seconded by Director Young to approve the recommended actions for Item 17 carried (5-0) by the following roll call vote: (Gómez, Katz, Linney, Young, and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan and Patterson).

Motion No. 111-24 – Received Legislative Report No. 04-24 and approved a position on the following: SUPPORT a proposal to support or sponsor legislation to modernize the Municipal Utility District Act's payment extension provisions (MUD Act Modernization: Payment Plan Extension Proposal).

18. **Conduct a second reading of and adopt an ordinance to amend East Bay Municipal Utility District Retirement Ordinance No. 40 to limit the pension benefits of future members of Board of Directors.**

Assistant General Counsel Lourdes M. Matthew presented the second reading of the ordinance to amend the Retirement Ordinance to (a) exclude EBMUD retirees who are elected or appointed to the Board from the Retirement System during their service on the Board and define the term

“Director”; (b) limit the terminal compensation that may be applied to the Retirement Allowance of a future Board member; (c) bifurcate the service of a future Board member from service earned as a District employee; and (d) clarify the effect of the bifurcation of service on eligibility for and the amount of any Health Insurance Benefit to be provided under the Retirement System. The first reading of this ordinance to amend the Retirement Ordinance was conducted at the May 28, 2024 Regular Board meeting. She reviewed the proposed amendments and provided clarification on the proposed changes to the definition of employee and the new definition of Director. She further clarified that the amendment to exclude District Retirees who are appointed or elected to serve on the Board of Directors from membership in the Retirement System during their service as an appointed or elected member of the Board will apply to Directors who are first elected or appointed after the effective date of the ordinance amendments. If approved, the ordinance amendments will take effect no earlier than the thirty-first day after passage, or on Friday, July 12, 2024; however, for administrative purposes, staff would begin applying the ordinance amendments on Monday, July 15, 2024.

- Addressing the Board was Lonna Coleman who commented on whether the amendments applied to Directors who have not retired from the Board by July 15, 2024 and if changes to the ordinance must be approved by CalPERS.

Ms. Matthews responded to Ms. Coleman’s questions.

- Motion by Director Young, seconded by Director Gómez to approve the recommended actions for Item 18 carried (6-0) by the following roll call vote: (Gómez, Katz, Linney, Patterson, Young, and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan).

Ordinance No. 376-24 – An Ordinance To Amend Retirement Ordinance No. 40, Which Is The East Bay Municipal Utility District Employees’ Retirement System Ordinance, To: (1) Exclude District Retirees Who Become Directors From The Retirement System And Define The Term “Director”; (2) Limit The Terminal Compensation That May Be Applied To The Retirement Allowance Of A Future Board Member; (3) Bifurcate The Service Of A Future Board Member From Service Earned As District Employee; And (4) Clarify The Effect Of The Bifurcation Of Service On The Health Insurance Benefit. *(Second Reading and Vote).*

- 19a- **Take actions related to the Walnut Creek Water Treatment Plant Pretreatment Project to:**
19e. **certify the Final Environmental Impact Report for the Walnut Creek Water Treatment Plant Pretreatment Project; make findings in accordance with the California Environmental Quality Act, including a Statement of Overriding Considerations; adopt the Mitigation Monitoring and Reporting Program in accordance with CEQA; adopt the Practices and Procedures Monitoring and Reporting Plan; and approve the Project.**

President Lesa R. McIntosh announced the Planning Committee received a presentation on this project earlier in the day. Planning Committee Chair Marguerite Young announced the Committee voted to accept the report but did not vote to support the staff recommendation. Associate Civil Engineer Chien Wang provided the presentation. If approved, the project will add pretreatment and ozone facilities at the WCWTP to reliably treat a broader range of untreated water quality from various sources, increase the capacity to meet planned future demands, improve water system reliability and operational flexibility, and allow

decommissioning of the aging Lafayette WTP. Ms. Wang reviewed the project's purpose and need; emergency raw water treatment needs; project briefings and staff reports to the Board; renderings of the current and proposed facilities; rerouting of the social footpaths near the site; staging areas; and work at the Lafayette WTP to be completed during the first phase of the project. A Draft EIR was completed and circulated for a 45-day public review period from September 29 to November 13, 2023. The Draft EIR analysis identified potential impacts from construction noise that are significant and unavoidable and require the District to approve a Statement of Overriding Considerations when approving the project. The remaining potential impacts are either less than significant or would be less than significant with mitigation. The District conducted extensive public outreach with neighbors, stakeholders and local entities between 2021 and 2023. All comments received as well as issues and concerns raised are addressed in the Final EIR. She reviewed key mitigation measures to address noise and transportation, revisions to the Draft EIR to address comments and concerns from stakeholders, traffic during operation and maintenance at the WCWTP, and how staff plans to address noise impacts from early morning concrete truck activity. The District considered various alternatives including adding pretreatment at the Bixler Chlorination Facility near Brentwood in Contra Costa County and at Camanche Reservoir near Clements in San Joaquin County. Ms. Wang discussed the Bixler alternative, which is preferred by neighbors of the WCWTP, and explained why this is not a feasible alternative. If approved, project design will occur from 2024 through 2026, followed by Phase 1 construction from 2027 through approximately 2030. Phase 2 design and construction would depend on future untreated water quality conditions and the timing of future demands. Director Gómez thanked staff for the presentation and commented on whether risks, hazards, and evacuation plans due to wildfire had been analyzed; the notification process for neighbors during intensive phases of the project; enforcing mitigation measures during peak truck traffic; costs for the Bixler alternative; and impacts to customers in the event of a poor water quality event at the plant. Secretary of the District Rischa S. Cole reported on the emails and documentation received from the public regarding the project and said the information would be filed with the meeting minutes.

- Addressing the Board were the following: 1) Julia Jackson commented on documents she provided to the Board, concerns with the project, and neighbors not receiving notification about the project. She asked the Board to delay taking action on the Final EIR and to direct staff to explore the project alternatives; 2) Dave Turner commented on the risk from fire at the project and exploring other options. He asked the Board to delay taking action on the Final EIR and to direct staff to explore the project alternatives; 3) Lance Young commented on daily traffic, staffing levels at the plant, and truck traffic and safety issues on Larkey Lane. Mr. Young asked the Board to postpone the project until the neighbors concerns have been addressed; 4) Del Olsen commented on fire, health, traffic risks, locating the project at the Bixler facility; 5) Michael Milani commented on EIR comments regarding repairs on Larkey Lane, traffic on Larkey Lane, safety, and fire exposure and said he shared the same concerns expressed by other neighbors; and 6) Arvind Mallya commented on earthquake preparedness and disaster recovery, District memos that discuss potential earthquake impacts on water infrastructure, and asked the Board to vote no on the Final EIR and direct staff to reassess the project alternatives.

Director Gómez thanked the speakers and commented on the concerns raised by residents as well as her communications and meetings with neighbors. She also acknowledged staff for their work on the project.

Director Gómez asked the Board to consider delaying action on the project to allow time for more dialogue with the community and put forth a motion to postpone the vote on the Final EIR and approval of the project until the July 9, 2024 Board meeting. She asked staff to work with the Walnut Creek City Manager's office to ensure the project is considered and evaluated as part of the city's Emergency Operations Plan (EOP), which is part of the county's hazard mitigation plan and is currently in draft form.

President McIntosh asked for direction from the General Manager and General Counsel on postponing action on the project. General Manager Clifford C. Chan recounted the actions taken to meet with neighbors and to respond to their requests to locate the project at the Bixler facility. He reiterated why the Bixler facility is not a feasible alternative and that there are no other project alternatives to be considered. Ms. Wang addressed some of the concerns raised during public comment regarding general chemical storage and transport, traffic, wildfire risk, the District's EOP which includes procedures to address natural disasters, storms, system failures, or even terrorist attacks, and clarified the District does not have the authority to directly signal an emergency to the public. She noted it is the responsibility of county agencies, the county fire protection district and local police to issue emergency notifications and evacuation warnings. She noted staff has been working the City of Walnut Creek since 2022 on the city's emergency evacuation and notification procedures. Ms. Wang responded to questions from the Board regarding fuels management around the treatment plant and the alternative site locations for the project. Board members commented on addressing similar concerns from constituents on projects in their wards and Director Gómez's request to delay taking action on the project. There was additional discussion by the Board. General Manager Clifford C. Chan said staff can continue the dialogue with neighbors on their concerns regarding the project and that staff would present the recommendation to certify the Final EIR and approve the project for Board consideration at either the June 25 or July 9 Regular meeting.

Director Young said she would support the motion put forth by Director Gómez for the Board to delay taking action on the project to allow time for more dialogue with the community.

There was additional discussion by the Board and staff on next steps and further clarification on the motion by Director Gómez.

- Motion by Director Gómez, seconded by Director Young to approve postponing the vote to certify the Final Environmental Impact Report for the Walnut Creek Water Treatment Plant Pretreatment Project (Project) and approve the Project until the Regular Board meeting on July 9 and for staff to continue communicating with neighbors of the Project and seek to understand their issues and concerns with the Project carried (6-0) by the following roll call vote: (Gómez, Katz, Linney, Patterson, Young, and McIntosh); NOES (None); ABSTAIN (None); ABSENT (Chan).

Motion No. 112-24 – Approved postponing the vote to certify the Final Environmental Impact Report for the Walnut Creek Water Treatment Plant Pretreatment Project (Project); make findings in accordance with the California Environmental Quality Act (CEQA), including a Statement of Overriding Considerations; adopt the Mitigation Monitoring and Reporting Program in accordance with CEQA; adopt the Practices and Procedures Monitoring and Reporting Plan; and approve the Project until the Regular Board meeting on July 9. Staff will continue communicating with neighbors of the Project and seek to understand their issues and concerns with the Project.

20. **Vote to direct the District's independent investigator to prepare a report on the findings of an investigation of alleged violations by former Director John Coleman of Policy 6.04, Ethics of the EBMUD Board of Directors, the Political Reform Act and Government Code section 1090, for presentation and discussion at the June 25, 2024 regular Board meeting.**

General Counsel Derek T. McDonald reported District Policy 6.04 – Ethics of the EBMUD Board of Directors, charges the President of the Board with the duty to investigate reported, perceived violations of the policy. Director Young requested that Director Katz (serving as President of the Board at the time of her request), investigate whether certain statements to staff and Board members by former Director John Coleman, in relation to his lawsuit against the District, violated the policy and related ethics laws. President Katz approved the retention of an independent outside investigator to conduct an investigation. The investigator completed the investigation and prepared a draft attorney-client privileged report to the Board which may not be publicly discussed or shared. In order to proceed with any public discussion of this matter, the Board will need to vote to direct the investigator to prepare a non-privileged report of the investigation findings. If a majority of the Board approves preparation of a non-privileged report, that report will be provided for presentation and discussion at the Regular Board meeting on June 25.

- Addressing the Board were the following: 1) Ivette Rivera commented on retaliation against John Coleman, Penal Code 424, findings from the Jan Duffy report from the Pierce/Bland case, and publicizing private documents; and 2) John Coleman commented on his service to the District and said he was never contacted about the investigation. He expressed hope that the Board would delay taking action until he was interviewed by the investigator.

Director Katz confirmed the scope of the investigation included directing the investigator to attempt to interview Mr. Coleman and asked for clarification from the General Counsel on whether the investigator attempted to interview Mr. Coleman. General Counsel Derek T. McDonald said because his knowledge of how the investigation was conducted comes from the report itself, he is unable to discuss the matter because the report is privileged. Director Young commented on her request to investigate this matter and on the Board's duty to the public and its constituency to publicly address any issues that question the ethics or integrity of Board members.

Director Young put forth a motion to direct the District's independent investigator to prepare a report on the findings of an investigation of alleged violations by former Director John Coleman of Policy 6.04, Ethics of the EBMUD Board of Directors, the Political Reform Act and Government Code section 1090 and for the report to clarify whether the investigator reached out to John Coleman. The report would be on the agenda for presentation and Board discussion at the Regular Board meeting on June 25.

General Manager Derek T. McDonald clarified the report would need to be non-privileged and presented in the public for discussion. He stated he could confer with President McIntosh about Board member concerns on whether Mr. Coleman was interviewed by the investigator prior to creation of a public report. There was considerable Board discussion about moving forward with directing the District's independent investigator to prepare a public version of the report, ensuring Mr. Coleman was interviewed as part of the investigation, accountability to the ethics

Board members pledged to, and providing clarification and closure on the investigation for the public. There was additional Board discussion on a substitute motion to direct the investigator to prepare a public version of the report that includes information from an interview with John Coleman and an option for the Board to decide if the report will be presented for discussion by the Board at a future meeting.

Director Linney put forth a “substitute motion” to direct the District’s independent investigator to contact former Director John Coleman to be interviewed and prepare a publicly-available report on the findings of an investigation of alleged violations by John Coleman of Policy 6.04, Ethics of the EBMUD Board of Directors, the Political Reform Act and Government Code section 1090. Director Patterson seconded the “substitute motion”. There was additional Board discussion and Director Young withdrew her motion.

- Motion by Director Linney, seconded by Director Patterson to direct the District’s independent investigator to contact former Director John Coleman to be interviewed and prepare a publicly-available report on the findings of an investigation of alleged violations by John Coleman of Policy 6.04, Ethics of the EBMUD Board of Directors, the Political Reform Act and Government Code section 1090 (4-1-1) by the following roll call vote: (Katz, Linney, Patterson, and Young); NOES (McIntosh); ABSTAIN (Gómez); ABSENT (Chan).

Motion No. 113-24 – Voted to direct the District’s independent investigator to contact former Director John Coleman to be interviewed and prepare a publicly-available report on the findings of an investigation of alleged violations by John Coleman of Policy 6.04, Ethics of the EBMUD Board of Directors, the Political Reform Act and Government Code section 1090.

21. **General Manager’s Report.**

Monthly Report – May 2024

General Manager Clifford C. Chan announced the Monthly Report was included in the agenda materials and the Speakers’ Bureau and Outreach Record CY24 had been provided at Board places. He reported the Speakers’ Bureau would be corrected to reflect Director Young’s participation in the City of Orinda’s Fourth of July parade.

REPORTS AND DIRECTOR COMMENTS

22. **Committee Reports.**

- Filed with the Board were the Minutes for the May 28, 2024 Finance/Administration Committee.
- Chair Marguerite Young reported the Planning Committee met earlier and received an update on Wastewater Control Ordinance Changes and the Walnut Creek Water Treatment Plant Pretreatment Project Update and Final Environmental Impact Report.
- President McIntosh reported the Legislative/Human Resources Committee met earlier on items that were covered in the Regular meeting. General Manager Chan announced staff also discussed the Draft Board of Directors Governance Policies. The Committee directed

staff to prepare an Information Memo requesting feedback on the draft policies from the entire Board by June 28. The draft policies will be presented for Board discussion at the July 9 Regular meeting.

23. **Other Items for Future Consideration.**

None.

24. **Director Comments.**

- Director Gómez reported providing highlights on the District's Duffel Photovoltaic Project at the Contra Costa Mayor's Conference in Pittsburg on June 6. Director Linney asked staff to inform the Board when the project is connected to PG&E.
- Director Patterson reported on the press and publicity he observed regarding the Duffel Photovoltaic Project.
- Director Young reported attending the Duffel Photovoltaic Project event in Orinda on May 30 along with other Board members and noted it was an impressive event.
- Directors Chan, Katz, Linney, and President McIntosh had no reports.

ADJOURNMENT

President McIntosh announced today's meeting would be adjourned in honor of Dr. Donald Godbold, former Chancellor of Peralta Community College District who passed away on May 25. Director Patterson recounted Dr. Godbold's personal and professional history, highlighted his work with community colleges in various states, and how his commitment to community colleges transformed the way the system serves the East Bay today. Mr. Patterson noted that Dr. Godbold was his good friend and left the Peralta Community College District to become executive director of the Alameda County Youth Development, Inc. and the Scotlan Youth and Family Center.

President McIntosh adjourned the meeting at 4:23 p.m.

SUBMITTED BY:

Rischa S. Cole, Secretary of the District

BOARD ACTION

Agenda Number:	3.	Meeting Date:	July 9, 2024

TITLE	LAFAYETTE WATER TREATMENT PLANT CONTROL SYSTEMS IMPROVEMENTS

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Award a contract to the lowest responsive/responsible bidder, Blocka Construction, Inc., in an amount not to exceed \$2,895,000 for the construction of the Lafayette Water Treatment Plant Control Systems Improvements Project (Project), under Specification 2177.

SUMMARY	This contract includes removal of the existing obsolete control system at the Lafayette Water Treatment Plant (WTP) and installation of a new distributed control system.

DISCUSSION	The Lafayette WTP currently utilizes obsolete control system hardware and technology that has a high risk of failure. This project will modernize the control system and improve reliability of the Lafayette WTP operations. The new control system hardware and software will conform to the District's standards and will ensure consistency with the systems already in use at the District's Sobrante, Upper San Leandro, Orinda, and Walnut Creek WTPs. The control system improvements at Lafayette WTP are being completed in two phases. Phase 1 was recently completed by District forces and included installing the Experion servers and backbone network. This contract is for Phase 2 and includes replacing the obsolete Moore controllers and PLC-5 controllers with distributed Honeywell Controllers, running new conduit and cables for power and control, and integrating the controllers with the existing instrumentation and the Experion Distributed Control System. This project supports the District's Long-Term Infrastructure Investment Strategic Plan goal.

BID RESULTS	Bid documents were posted on the District's website and issued to 22 resource organizations and 5 prospective bidders. One bid was received for \$2,895,000, exceeding the engineer's estimate of \$2,240,000. The bid is higher than the engineer's estimate because of the low number of bids received, and due to the specialized nature of the work, which reduced bid competition. The higher bid price can also be attributed to the general increase in the cost of materials and labor which was not fully accounted for in the final engineer's estimate. Given these factors, the bid amount appears reasonable. The lowest responsive/responsible bidder, Blocka Construction, Inc., is licensed to perform work in California and is not on the State Department of Industrial Relations (DIR) debarment list. Blocka Construction, Inc. and its listed subcontractors are properly registered with the State DIR.

Title:	Lafayette Water Treatment Plant Control Systems Improvements	Meeting Date:	July 9, 2024

In the past five years, Blocka Construction, Inc. has not filed a Government Code Claim nor initiated any litigation against the District.

SUSTAINABILITY**Economic**

Funding for this work is available in the Fiscal Year 2025 adopted capital budget for Treatment Plant Upgrades.

Social

Work under this contract is subject to the payment of current prevailing wages according to determinations for each craft as established by the Director of the Department of Industrial Relations of the State of California.

Local 444 was notified of this contract on October 17, 2023, and did not raise any specific issues related to this contract.

Environmental

A California Environmental Quality Act Notice of Exemption was filed with the Contra Costa County Clerk on November 8, 2023.

ALTERNATIVES

Do not complete the project. This alternative is not recommended because this work is required to address aging infrastructure and improve the reliability of the water treatment plant.

Perform the work with District forces. This alternative is not recommended because District forces are fully committed to other capital and maintenance work and cannot support the project in the required timeframe.

BOARD ACTION

Agenda Number:	4.1	Meeting Date:	July 9, 2024

TITLE	CULL CREEK REGULATOR CONSTRUCTION AND CAMPUS, KELLER, GRAMERCY, AND VILLAREAL REGULATORS REPLACEMENT PROJECT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Award a contract to the lowest responsive/responsible bidder, Thompson Builders Corporation, in an amount not to exceed \$5,980,000 for the temporary Cull Creek Rate Control Station (RCS) and permanent Regulator, and the Campus, Keller, Gramercy, and Villareal Regulators Upgrade Project (Project), under Specification 2180.

SUMMARY	Work includes furnishing and installing upgrades and improvements at the Campus, Keller, Gramercy, and Villareal Regulators. Additionally, work includes construction of a temporary Cull Creek RCS and a permanent Regulator.

DISCUSSION	The District's distribution system includes over 130 pressure zones, some requiring regulating pressures and flows to maintain an adequate water supply and proper fire protection. To support these needs, improving the reliability and extending the service life of the RCSs and regulators is crucial. This project involves replacing or constructing five regulators/RCSs, which range from 38 - 52 years-old and are nearing the end of their useful life. These regulators/RCSs are located within District properties and easements in Oakland, San Leandro, and Castro Valley. Upgrades conform to the District's new design standards and will ensure consistency, while enhancing system reliability, operational efficiency, and maintenance worker safety. An update on this project was presented at the July 9, 2024 Planning Committee meeting. This project will update critical infrastructure components which aligns with the District's Long-Term Infrastructure Investment Strategic Plan goal.

BID RESULTS	Bid documents were posted on the District's website and issued to 22 resource organizations and 9 prospective bidders. Two bids were received, ranging from \$5,980,000 to \$6,620,000. The bid summary is attached. The engineer's estimate for this work is \$5,700,000. The range of bids is higher than the engineer's estimate due to higher materials and supplier costs, difficult site conditions, and higher overall cost due to multiple jobsite locations. In addition, the construction industry is short staffed, creating a smaller bidder pool leading to increased project costs. The lowest responsive/responsible bidder, Thompson Builders Corporation, is licensed to perform work in California, and is not on the State Department of Industrial Relations (DIR)

Originating Department: Engineering and Construction	Department Director or Manager: Serge V. Terentieff	CEP Forms? Yes	Board Action Type: Construction
Funds Available: FY2025; Award #7000223; Page #70	Budget Coding: 11-570-2011068-2011809:22-7000223	Approved:

Title:	Cull Creek Regulator Construction, and Campus, Keller, Gramercy, and Villareal Regulators Replacement Project	Meeting Date:	July 9, 2024

debarment list. Thompson Builders Corporation and its listed subcontractors are properly registered with the State DIR.

In the past five years, Thompson Builders Corporation has not filed a Government Code Claim nor initiated any litigation against the District.

SUSTAINABILITY**Economic**

Funding for this work is available in the FY 2025 adopted capital budget for Regulator Rehabilitation.

Social

Work under this contract is subject to the payment of current prevailing wages according to determinations for each craft as established by the Director of the Department of Industrial Relations of the State of California.

Local 444 was notified of this contract on November 23, 2022. Local 444 raised issues related to the installation of regulators by contract instead of utilizing staff. The District and Local 444 met on four occasions on December 1, 2022; February 9, 2023; March 2, 2023; and June 18, 2024. The District and Local 444 were unable to resolve the issues, and Local 444 has advised the District that it may address the Board regarding timing of the work. The District's reasons for contracting are consistent with the District's criteria for contracting out work.

Environmental

A California Environmental Quality Act Notice of Exemption was filed with the Alameda County Clerk on November 2, 2022.

ALTERNATIVES

Do not complete the project. This alternative is not recommended because this work is required to address aging infrastructure and meet current and future water demands.

Perform the work with District forces. This alternative is not recommended because District forces are fully committed to critical maintenance tasks and supporting other capital work and cannot support the project in the required timeframe. Delaying the project would not result in increased availability of District forces due to the complex nature of the work.

BOARD ACTION

Agenda Number:	4.2	Meeting Date:	July 9, 2024

TITLE	ENGINEERING SERVICES DURING CONSTRUCTION FOR THE CULL CREEK REGULATOR CONSTRUCTION AND CAMPUS, KELLER, GRAMERCY, AND VILLAREAL REGULATORS REPLACEMENT PROJECT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024, with Mott MacDonald Group, Inc. (Mott) in an amount not to exceed \$328,940 for engineering services during construction (ESDC) for the construction of the temporary Cull Creek Rate Control Station and permanent Regulator, and the Campus, Keller, Gramercy, and Villareal Regulators Upgrade Project.

SUMMARY	This agreement provides ESDC for the installation of upgrades and improvements at the Campus, Keller, Gramercy, and Villareal Regulators and construction of a temporary Cull Creek RSC and a permanent Regulator under Specification 2180. An update on this project was presented at the July 9, 2024 Planning Committee meeting.

DISCUSSION	This agreement provides support services including project management, site support, submittal and shop drawing reviews, responses to requests for information, assistance with design changes, and preparation of construction contract record drawings for the Cull Creek, Campus, Keller, Gramercy, and Villareal Regulators located in Oakland, San Leandro, and Castro Valley. The work under this agreement cannot be satisfactorily performed under the District civil service and therefore contracting out is proper. This project supports the District's Long-Term Infrastructure Investment and Water Quality and Environmental Protection Strategic Plan goals.

CONSULTANT SELECTION	Entering into an agreement with Mott, as the Engineer of Record for the design, is the most cost-effective option for ESDC services and will provide continuity with personnel already familiar with the work and with the required expertise.

SUSTAINABILITY	Economic Funding for this purpose is available in the FY 2025 adopted capital budget for Regulator Rehabilitation.

Originating Department: Engineering and Construction	Department Director or Manager: Serge V. Terentieff	CEP Forms Yes	Board Action Type: Professional Services
Funds Available: FY2025, Award #7000223, Pg. 70	Budget Coding: 790/0000//2011068/2011809:22/52310	Approved: 	
Attachment(s): P-035; P-061			

Title:	Engineering Services During Construction for the Cull Creek Regulator Construction and Campus, Keller, Gramercy, and Villareal Regulators Replacement Project	Meeting Date:	July 9, 2024

Social

Locals 2019 and 21 were notified of this agreement on September 11, 2023 and did not raise any specific issues related to this agreement.

Environmental

A California Environmental Quality Act Notice of Exemption was filed with the County of Alameda on November 2, 2022.

ALTERNATIVES

Select another consultant to do the work. This alternative is not recommended because it would delay the project schedule and potentially transfer liability of the design from the Engineer of Record.

Perform the work with District forces. This alternative is not recommended because District staff is already committed to other high-priority capital projects.

Do not perform the work. This alternative is not recommended because this work is required to maintain consistency of design intent and provide ESDC.

BOARD ACTION

Agenda Number:	5.	Meeting Date:	July 9, 2024

TITLE	ADELINE MAINTENANCE CENTER CAMPUS SECURITY IMPROVEMENTS PHASE 1

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024 with Arup US, Inc. (Arup) in an amount not to exceed \$462,790 for design services for security improvements at the District's Adeline Maintenance Center (AMC) Campus located in West Oakland, California.

SUMMARY	This agreement provides security system and lighting design services, preparation of design and construction documents, construction cost estimating, and permitting of a construction project for security system improvements at the District's AMC Campus.

DISCUSSION	Services under this agreement includes design services for the following five main project elements as part of the Phase 1 work at the AMC Campus:

- Cameras: Replacement of existing security camera systems and video recorder systems with updated technology to improve security monitoring of the campus.
- Lighting: New exterior lighting in select locations to enhance safety and security.
- Card readers: Addition of access card readers and replacement of existing hardware on all existing card reader panels.
- Network upgrades: Replacement of all the business and security network switches and new network cabling as needed for all systems to be fully functional and connected to the District's security and business network as applicable.
- Door contact sensors: Addition of contact sensors on all doors (person doors and overhead doors) that do not have card readers to monitor status of the doors.

Completion of design for this Phase 1 work is scheduled for summer 2025, with completion of construction in winter 2026/2027. Additional security improvements are also planned for the AMC Campus, as part of future phases of work including interim installation of barbed wire on top of the existing fencing, followed by design and installation of permanent 10-foot high fencing constructed of ballistics resistant material with barbed wire on the top. In addition, ballistics resistant material will be installed on several building walls and windows.

The services contracted for in the agreement cannot be satisfactorily performed under the District civil service and therefore contracting out is proper.

Originating Department: Engineering and Construction	Department Director or Manager: Serge V. Terentieff	CEP Forms? Yes	Board Action Type: Professional Services
Funds Available: FY2025; Award#7000085; Page 54	Budget Coding: 11-566-3100062-53120	Approved: 	
Attachment(s): P-035; P-061			

Title:	Adeline Maintenance Center Campus Security Improvements Phase 1	Meeting Date:	July 9, 2024

This project supports the District's Long-Term Infrastructure Investment and Workforce Planning and Development Strategic Plan goals.

**CONSULTANT
SELECTION**

A request for proposals was posted on the District's website and sent to 44 firms that are on the District's Professional Services Roster. Two firms attended the mandatory pre-proposal site walk. One firm submitted a proposal. Arup was selected based on their qualifications, experience, and proposed approach to the project.

SUSTAINABILITY**Economic**

Funding for this agreement is available in the FY 2025 adopted capital budget for Security Improvements.

Social

Locals 2019 and 21 were notified of this agreement on December 6, 2023 and did not raise any specific issues related to this agreement.

ALTERNATIVES

Select a different consultant to do the work. This alternative is not recommended because Arup is well qualified to do the work and no other consultants responded to the request for proposals.

Perform the work with District forces. This alternative is not recommended because District forces do not have availability to perform the work due to other high-priority capital work.

Do not proceed with the work. This alternative is not recommended because the project is needed to improve safety and security at the AMC Campus.

BOARD ACTION

Agenda Number:	6.	Meeting Date:	July 9, 2024

TITLE	ENGINEERING SERVICES FOR DEWATERING IMPROVEMENTS PROJECT – PLANNING PHASE

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024 with Brown and Caldwell in an amount not to exceed \$1,677,699 for engineering consultant services for the planning phase of the Dewatering Improvements Project at the Main Wastewater Treatment Plant (MWWTP).

SUMMARY	This agreement provides engineering consultant services to determine long-term reliability, performance, and seismic improvements for the dewatering facility at the MWWTP. The consultant will evaluate dewatering process technologies, determine the best configuration and location, examine methods to deliver the project, and establish a basis of design to be used in the design phase.

DISCUSSION	The dewatering facility at the MWWTP has been in operation since 1976. Major equipment is in poor condition and failing at an increasing rate. Equipment outages have resulted in reduced dewatering capacity and affected treatment processes upstream. The dewatering facility is a critical component for producing beneficial use biosolids from the wastewater treatment process and maintaining a stable secondary treatment process. Addressing seismic deficiencies will also reduce the risk of staff injury during a major seismic event. The project will evaluate the technological options for improving dewatering process reliability and performance, analyze alternative configurations and project delivery methods, evaluate near term improvements to relieve immediate capacity constraints, and establish a basis of design to be used in the project design phase. This agreement will identify the most cost-effective solution to improve the dewatering process at the MWWTP. The services contracted for in the agreement cannot be satisfactorily performed under the District civil service and therefore contracting out is proper. This project supports the District's Long-Term Infrastructure Investment Strategic Plan goal.

CONSULTANT SELECTION	A request for proposals was posted on the District's website, and sent to 31 firms including four minority-owned firms with expertise in wastewater treatment planning and design. Three firms submitted proposals. Brown and Caldwell was selected based on its knowledge and experience in planning and designing dewatering facilities at wastewater treatment plants.

Originating Department: Wastewater	Department Director or Manager: Amit K. Mutsuddy	CEP Forms? Yes	Board Action Type: Professional Services
Funds Available: FY2025, Award #7000338, Page 121	Budget Coding: 21-926-3100044-52310	Approved: 	
Attachments: P-035, P-061			

Title:	Engineering Services for Dewatering Improvements Project – Planning Phase	Meeting Date:	July 9, 2024

SUSTAINABILITY**Economic**

Funding for this purpose is available in the FY 2025 adopted capital budget for Dewatering.

Social

Locals 2019 and 21 were notified of this agreement on November 27, 2023 and did not raise any specific issues related to this agreement.

This project will improve facility reliability and worker safety by implementing process improvements, upgrading obsolete equipment, and enhancing seismic performance and resilience. Addressing seismic deficiencies is crucial because the risk of a structural failure at this facility is high, and staff occupy the building continuously.

Environmental

This project will ensure that the MWWTP reliably produces beneficial use biosolids.

ALTERNATIVES

Delay or do not proceed with the project. This alternative is not recommended because major equipment at the dewatering facility is failing at an increasing rate, affecting its ability to consistently provide solids treatment critical for the MWWTP.

Complete the work with District forces. This alternative is not recommended because District staff does not have the specialized technical expertise necessary to perform the tasks identified.

ACTION ☒ Motion: ☐ Resolution: ☐ Ordinance:

RECOMMENDED ACTION Authorize an agreement beginning on or after July 9, 2024 with ConvergeOne, Inc. (C1) for \$524,810 for three years, with one option to renew for an additional three-year period for a total, including option years, not to exceed \$864,505 for implementation, system support services and software licenses for call center management software.

SUMMARY The Call Center System Replacement project will replace the current call center management system from Genesys with their latest system. The current system will reach its end-of-life in June 2025. This system is critical for the District's Call Center to support EBMUD customers.

DISCUSSION

The District's Call Center provides a critical service to EBMUD customers. Through the District's 866 phone number, customers can speak with a District Call Center agent to discuss a variety of topics, from billing questions to water quality issues.

The system that supports the Call Center is called Genesys Engage. The system integrates telephony and various user features for agents, administrators, and supervisors. Genesys has informed the District that its Engage system will reach end-of-life in June 2025. The District will need to migrate to Genesys's new system, Cloud CX. This agreement will provide integration and migration services as well as the annual software licensing and related fees for the Cloud CX system for three years, with an option to renew the agreement for an additional three-year term.

The initial three-year term for \$524,810 includes licenses, support, and telephony along with professional services for implementation; managed services setup; and a faithful performance bond; and the optional three-year term includes licenses, support and telephony in the amount of \$339,695.

This item supports the District's Customer and Community Service Strategic Plan goal.

CONSULTANT SELECTION A direct award is recommended for the Genesys software solution and C1 as the District's implementation partner. Using the next version of the Genesys solution will minimize disruption to the Call Center and retraining for staff. This direct award mitigates project scheduling risks due to the short timeframe before the existing system reaches end-of-life.

Originating Department: Information Systems	Department Director or Manager: Orlando Leon	CEP Forms? Yes	Board Action Type: Professional Services

Attachment(s): P-035; P-061			

Title:	Call Center System Replacement Project	Meeting Date:	July 9, 2024

SUSTAINABILITY**Economic**

Funding for this project is available in the FY 2025 adopted capital budget for Data & Telecom Infrastructure. For recurring costs, the FY 2025 adopted operating budget includes funding for the first two years of this multi-year agreement. Funding for the additional years will be considered as part of the associated budget development process.

Social

This type of work is not performed by District forces and consequently union notification was not required.

ALTERNATIVES

Do not perform the work. This alternative is not recommended because the existing system will reach end-of-life in June 2025. After that, the District will not have a Call Center system to support its customers.

Use staff to develop a new system. This alternative is not recommended because this type of system is highly specialized.

BOARD ACTION

Agenda Number:	8.	Meeting Date:	July 9, 2024

TITLE	SEWER LATERAL MAINTENANCE PHASE 2

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024 with Corcus Construction, Inc. in an amount not to exceed \$432,800 for District sewer lateral maintenance including sewer location services, installation of sewer appurtenances, replacements, and compliance testing.

SUMMARY	Under the Regional Private Sewer Lateral Ordinance, the District-owned sewer laterals are required to be inspected and certified as leak-free to comply with local municipal codes. The District has 19 sewer laterals at various buildings that will require testing, potential replacement, and certification.

DISCUSSION	The service provider will test and certify the District's sewer laterals. Depending on the condition of each lateral, the service provider may replace the lateral, install new clean outs, or make other modifications to facilitate testing and certification. The agreement amount assumes each of the District's 19 sewer laterals will need to be replaced. The services contracted for in the agreement cannot be satisfactorily performed under the District civil service and therefore contracting out is proper. This project supports the District's Water Quality and Environmental Protection and Long-Term Infrastructure Investment Strategic Plan goals.

SERVICE PROVIDER SELECTION	A request for proposals was posted on the District's website. Two service providers submitted proposals. Corcus Construction, Inc. was selected based on their experience on similar projects, references, understanding of the project, their ability to perform the work needed, and the cost for the project. Work under this agreement is subject to the payment of current prevailing wages according to determinations for each craft as established by the Director of the Department of Industrial Relations (DIR) of the State of California. Corcus Construction, Inc. is licensed to perform work in California, and is not on the State Department of Industrial Relations debarment list. Corcus Construction, Inc., and its listed subcontractors are properly registered with the State DIR.

Funds Available: FY2025; Award #7000161; Page 15	Budget Coding: 11.736.2009994.53120	Approved: 	
Attachment(s): P-035; P-061			

Title:	Sewer Lateral Maintenance Phase 2	Meeting Date:	July 9, 2024

SUSTAINABILITY

Economic

Funding for this purpose is available in the FY 2025 adopted capital budget for Minor Facilities Work.

Social

This type of work is not performed by District forces and consequently union notification was not required.

Environmental

The work to be performed will ensure compliance with local ordinances. In addition, Corcus Construction, Inc. will properly dispose of any trench soils waste at District-approved landfills.

ALTERNATIVES

Do not perform the work. This alternative is not recommended because these services are required by local ordinance.

Solicit bids and issue individual contracts for each project. This alternative is not recommended because issuing multiple agreements for this work would increase the administrative burden for District staff and reduce cost saving efficiencies.

BOARD ACTION

Agenda Number:	9.	Meeting Date:	July 9, 2024

TITLE	ORACLE SOFTWARE MAINTENANCE AND SUPPORT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024 with Dynamic Systems, Inc. for one year, with one option to renew for an additional one-year period for a total amount, including the option year, not to exceed \$830,546 for Oracle Premier software maintenance and support services. This agreement will be made under State of California contracts available for use by local governments.

SUMMARY	This agreement provides technical support services for Oracle Database software, including access to security updates. This agreement will provide continuity of technical support services.

DISCUSSION	Since 2005, the District has relied upon Oracle database technology to support its core business information systems including the customer information and billing system, human resources systems, work management systems, GIS applications, customer-facing applications on ebmud.com, and numerous other District applications. In addition to the licenses required to operate Oracle databases, the District needs on-going technical support services to ensure staff has access to product experts when resolving complex information system and operational issues. An on-going maintenance and support agreement is also required to access security updates, which ensure compatibility and integrity of Oracle databases with other software products. This item supports the District's Long-Term Financial Stability Strategic Plan goal.

SERVICE PROVIDER SELECTION	California Public Contract Code, Section 10299, specifically allows agencies, such as EBMUD, to purchase directly from State competitively awarded contracts without pursuing separate competitive bidding. Dynamic Systems, Inc. holds State of California Software Licensing Program (SLP) contract number SLP-23-70-0120G for Oracle technical support services. The District will leverage this state contract to benefit from the economies-of-scale and preferred pricing afforded to the state. Oracle America, Inc., is the sole source for necessary extended hardware support.

Originating Department: Information Systems	Department Director or Manager: Orlando Leon	CEP Forms? Yes	Board Action Type: General Services
Funds Available: FY2025	Budget Coding: 11.252.8854700.52430	Approved: 	
Attachment(s): P-035; P-061			

Title:	Oracle Software Maintenance and Support	Meeting Date:	July 9, 2024

SUSTAINABILITY

Economic

Funding for the first year of this multi-year agreement is available in the FY 2025 adopted operating budget. Funding for the additional year will be considered as part of the associated budget development process.

Social

This type of work is not performed by District forces and consequently, union notification was not required. This agreement increases operational reliability as only Oracle America, Inc., has the knowledge and resources to support Oracle products.

ALTERNATIVES

Select a different enterprise database product. This alternative is not recommended because many of the District's applications depend on the Oracle Database platform. It would be a very costly and time-consuming project to migrate to another enterprise database platform.

Do not procure technical support and software updates. This alternative is not recommended because staff requires access to technical support to provide effective and timely resolution of database management issues and needs software updates to ensure that any newly discovered security vulnerabilities can be addressed. Without technical support and software updates, the District's information systems could be compromised.

BOARD ACTION

Agenda Number:	10.	Meeting Date:	July 9, 2024

TITLE	ORINDA WATER TREATMENT PLANT MAIN PLANT SWITCHGEAR BREAKER REPLACEMENT PROJECT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024 with Eaton Corporation in an amount not to exceed \$1,619,151 for the Orinda Water Treatment Plant (WTP) Main Plant Switchgear Breaker Replacement project.

SUMMARY	This agreement includes engineering, procurement, installation, and testing services for the replacement of critical breakers and supporting electrical equipment at the Orinda WTP main plant switchgear.

DISCUSSION	The Orinda WTP main plant switchgear is a single point of failure for this critical WTP. The switchgear breakers and supporting equipment are aging and do not meet current District and PG&E safety and reliability requirements. Replacing the switchgear breakers and supporting equipment will improve power reliability for Orinda WTP and help reduce the risk of unplanned outages. This project supports the District's Long-Term Infrastructure Investment Strategic Plan goal.

SERVICE PROVIDER SELECTION	Eaton Corporation fabricated the original switchgear. This is a direct award to Eaton Corporation for installation of new equipment that is compatible with the original switchgear equipment. Eaton Corporation is licensed to perform work in California and is not on the State Department of Industrial Relations (DIR) debarment list. Eaton Corporation and its listed subcontractors are properly registered with the State DIR.

SUSTAINABILITY	Economic Funding for this agreement is available in the FY 2025 adopted capital budget for Treatment Plant Upgrades. Social Work under this agreement is subject to the payment of current prevailing wages according to determinations for each craft as established by the Director of the Department of Industrial Relations of the State of California.

BOARD ACTION

Agenda Number:	11.	Meeting Date:	July 9, 2024

TITLE	MOKELUMNE RIVER FLOODPLAIN DESIGN AND PERMITTING AGREEMENT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024 with FlowWest in an amount not to exceed \$793,092 for the planning, design, and permitting of two floodplain and spawning habitat restoration projects along the Mokelumne River.

SUMMARY	This agreement is for planning, design, and permitting services for the Mokelumne River Floodplain Design and Permitting Project. The Project will provide the design and permitting for two floodplain restoration projects with associated spawning habitat restoration on the lower Mokelumne River. Completion of this project will help the District meet its commitments under the Agreements for Healthy Rivers and Landscapes, also known as the Voluntary Agreements (VAs), as part of the State Water Resources Control Board Water Quality Control Plan Update process for the Bay-Delta.

DISCUSSION	On August 11, 2022, the District signed the Memorandum of Understanding (MOU) advancing a term for the VAs to update and implement the Bay-Delta Water Quality Control Plan. As part of the VA package, the District proposed non-flow measures on the Mokelumne River including habitat restoration. The non-flow measures include restoration of a minimum of 25 acres of suitable floodplain rearing habitat, and 1 acre of instream rearing habitat on the lower Mokelumne River.

In December of 2023, the District was awarded a \$650,000 grant (which includes a required non-federal match of \$350,000) from the U.S. Bureau of Reclamation (USBR) through the WaterSMART Aquatic Ecosystem Restoration Projects, Agreement number R24AP00137, to plan, design, and permit two large-scale floodplain and spawning habitat restoration projects along the lower Mokelumne River.

The District will work with FlowWest and their sub-consultants to plan and design two large-scale floodplain and spawning habitat restoration projects. These projects will provide much needed high quality rearing habitat along the migration corridor of Chinook salmon and steelhead trout in the lower Mokelumne River, offering multiple opportunities for fish to access floodplain habitat before out-migrating to the Pacific Ocean. Work for this project is primarily funded by the USBR WaterSMART Aquatic Ecosystem Restoration Projects (R24AP00137), and additional support is provided by EBMUD in the form of project

Title:	Mokelumne River Floodplain Design and Permitting Agreement	Meeting Date:	July 9, 2024

management, permitting, and fisheries monitoring, to meet the non-federal match requirements.

This project supports the District's Water Quality and Environmental Protection Strategic Plan goal.

**CONSULTANT
SELECTION**

A request for proposals was posted on the District's website and three firms submitted proposals. FlowWest and a team of sub-consultants was one of three contractors to submit proposals. The response from FlowWest best met the evaluation criteria. FlowWest has been designing, permitting, and constructing riverine habitat for nine years and brings a diverse and inclusive team that make them well qualified to conduct this work.

SUSTAINABILITY**Economic**

Funds for this agreement are available in the adopted FY 2025 capital budget of the River and Watershed Award.

Grant funding has been secured from the USBR in the amount of \$650,000 with a required 30 percent match from the District.

Social

Local 2019 was notified of this agreement on February 20, 2024 and did not raise any specific issues related to this agreement.

Environmental

The project will have environmental benefits including resource conservation, and supports the District's Water Quality and Environmental Protection Strategic Plan goal. The project will also help the District meet the goals of its proposal and commitment to the Voluntary Agreements.

As a part of this project, FlowWest will collect and compile all data required to comply with the California Environmental Quality Act analysis.

ALTERNATIVES

Perform the work with District forces. This alternative is not recommended because District forces do not have the resource capacity to conduct this work and the selected consultant has specialized experience performing habitat restoration design and permitting.

Do not implement the Project. This alternative is not recommended because the District has received grant funding to support the implementation, and the implementation will help the District meet its commitments under the Voluntary Agreements.

BOARD ACTION

Agenda Number:	12.	Meeting Date:	July 9, 2024

TITLE	SOBRANTE WATER TREATMENT PLANT STANDBY GENERATOR DIESEL TANK INSTALLATION

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024 with GEMS Environmental Management Services, Inc. in an amount not to exceed \$432,188 for the installation of a standby generator diesel tank and day tank at Sobrante Water Treatment Plant (WTP).

SUMMARY	A permanent diesel tank for the standby generator at the Sobrante WTP has been unavailable since March 2022 after an inspection revealed a leak. During the interim, a rental tank has been used. Under this agreement, a certified contractor will install a replacement tank, a new day tank, and de-commission a prior underground diesel tank.

DISCUSSION	The standby generator at the Sobrante WTP provides backup power to the plant in the event of a PG&E power loss. In March 2022, a leak was found in the primary steel tank but no release to the environment occurred because of the secondary containment system. The tank was taken out of service immediately and a temporary rental tank was placed into service. The services contracted for in the agreement cannot be satisfactorily performed under the District civil service and therefore contracting out is proper. This project supports the District's Water Quality and Environmental Protection and Long-Term Infrastructure Investment Strategic Plan goals.

SERVICE PROVIDER SELECTION	A request for proposals was posted on the District's website. Two service providers submitted proposals. GEMS Environmental Services, Inc., was selected based on the service provider's score as evaluated by a selection committee and evaluation criteria of cost, implementation plan and schedule, relevant experience, references, understanding of the project, and methodology. Work under this agreement is subject to the payment of current prevailing wages according to determinations for each craft as established by the Director of the Department of Industrial Relations (DIR) of the State of California. GEMS Environmental Management Services, Inc. is licensed to perform work in California, and is not on the State Department of Industrial Relations debarment list. GEMS Environmental Management Services, Inc., and its listed subcontractors are properly registered with the State DIR.

Attachment(s): P-035; P-061			

Title:	Sobrante Water Treatment Plant Standby Generator Diesel Tank Installation	Meeting Date:	July 9, 2024

SUSTAINABILITY

Economic

Funding for this purpose is available in the Fiscal Year 2025 adopted capital budget for Small Capital Improvements.

Social

This type of work is not performed by District forces and consequently union notification was not required.

Environmental

This project will mitigate potential leaks from the failed permanent diesel tank, reducing risk of leaking diesel fuel into the environment.

ALTERNATIVE

Do not authorize the agreement. This alternative is not recommended because failure to install a new diesel tank will require prolonged tank rental which is not cost effective.

BOARD ACTION

Agenda Number:	13.	Meeting Date:	July 9, 2024

TITLE	PERALTA COMMUNITY COLLEGE DISTRICT COHORT LEARNING PROGRAM

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning or after July 9, 2024 with the Peralta Community College District (Peralta) in an amount not to exceed \$119,500 for tuition, student support services, and appropriate materials required for the fourth iteration of the Cohort Learning Program during the period of August 2024 to May 2026.

SUMMARY	This agreement between the District and Peralta will provide an onsite instruction program for District employees. The agreement establishes a purchase order with Peralta to pay for delivery of a two academic-year program, beginning August 2024 through May 2026.

DISCUSSION	This agreement supports the District's Workforce Planning and Development Strategic Plan goal to create "an environment that attracts, retains, and engages a high performing diverse workforce," by implementing the strategy of "continuing to develop employees to meet workforce demands." This agreement is for the fourth iteration of the program, which graduated 58 employees and has been improved based on feedback from program administrators, staff, and students. The updated curriculum provides an interdisciplinary approach consisting of courses in general education, business, and construction management, and enables participants to earn from 18 to 24 units of transferable college credits through instruction and work experience credit. The fourth cohort has 35 registered employees. Funding for the program is budgeted through the District's Tuition Reimbursement Program. The program has a tuition advancement option to provide funding to participating students. The program authorizes the District to pay the cost of tuition, books, and related fees, provided the enrolled employee successfully completes the required courses. Failure of an employee to complete the required courses entitles the District to collect all costs paid on behalf of the employee. Each participating employee will be required to complete a Terms of Participation Agreement that specifies compliance with this procedure and includes an agreement to repay the costs paid by the District in the event the student does not complete each required course with a letter grade of C or better.

CONSULTANT SELECTION	This program is a partnership between Peralta (A California State public educational institution) based in Oakland and EBMUD. No other vendor outreach was conducted.

Originating Department: Office of Diversity, Equity and Culture	Department Director or Manager: Derry L. Moten	CEP Forms? No	Board Action Type: Professional Services
Funds Available: FY 2025	Budget Coding: 11-143-8859900-52310	Approved: 	
Attachment(s): N/A			

Title:	Peralta Community College District Cohort Learning Program	Meeting Date:	July 9, 2024

SUSTAINABILITY

Economic

Funding for the first year of this multi-year agreement is available in the FY 2025 adopted operating budget. Funding for the additional years will be considered as part of the associated budget development process.

Social

Peralta is governed by the California Community College system. As the largest system of higher education in the nation, the California Community College system emphasizes social sustainability through education, assisting individuals of all backgrounds to improve their social and economic mobility. Peralta is exempt from the EBMUD Contract Equity Program based on their status as a public institution of higher education that is required to follow California state law in all hiring and contracting processes.

ALTERNATIVE

Select another educational service consultant. This alternative is not recommended because the California Community College system offers the most cost-effective way to provide college level educational credits to District employees.

BOARD ACTION

Agenda Number:	14.	Meeting Date:	July 9, 2024

TITLE	AS-NEEDED ELECTRICAL ENGINEERING SERVICES DURING CONSTRUCTION FOR UPPER SAN LEANDRO WATER TREATMENT PLANT MAINTENANCE AND RELIABILITY PROJECT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 9, 2024 with TJC and Associates, Inc. (TJCAA) in an amount not to exceed \$999,718 for as-needed electrical engineering services during construction (ESDC) in support of the Upper San Leandro Water Treatment Plant Maintenance and Reliability Project (Project).

SUMMARY	This agreement is for as-needed electrical ESDC support for Upper San Leandro Water Treatment Plant Maintenance and Reliability Project under Specification 2128, which is currently in construction.

DISCUSSION	The design of the Project was completed by staff. The District is required to provide ESDC support while the project is in construction. In order to provide the level of ESDC support required, the District requires additional consultant support. This agreement includes on-site field support during construction, review of submittals and requests for information, assistance preparing design changes/clarifications and change orders, system testing and startup services, and as-needed miscellaneous support services. The services contracted for in the agreement cannot be satisfactorily performed under the District civil service and therefore contracting out is proper. This work supports the District's Long-Term Infrastructure Investment Strategic Plan goal.

CONSULTANT SELECTION	TJCAA is a multidisciplinary engineering firm that specializes in electrical engineering. TJCAA is recommended for a direct award because out of four firms contacted, TJCAA was the only firm with the expertise and availability to perform this work.

SUSTAINABILITY	Economic Funding for this purpose is available in the FY2025 adopted capital budget for Treatment Plant Upgrades. Social Locals 2019 and 21 were notified of this agreement on May 31, 2024 and did not raise any issues related to this agreement.

Originating Department: Engineering and Construction	Department Director or Manager: Serge V. Terentieff	CEP Forms? Yes	Board Action Type: Professional Services
Funds Available: FY 2025, Award # 7000090, Page 105	Budget Coding: 11-557-2011351-2011371-52310	Approved: 	
Attachment(s): P-035; P-061			

Title:	As-Needed Electrical Engineering Services During Construction for USL WTP Maintenance and Reliability Project	Meeting Date:	July 9, 2024

ALTERNATIVES

- Do not authorize the agreement.** This alternative is not recommended because the work specified in the agreement is required to support the Project, which is currently in construction.
- Perform the work with District forces.** This alternative is not recommended because District forces do not currently possess the availability to provide the support required for the Project in the required timeframe.
- Select another consultant to perform the work.** This alternative is not recommended because TJCAA is the only consultant that possesses the availability required to support the active construction project.

BOARD ACTION

Agenda Number:	15.	Meeting Date:	July 9, 2024

TITLE	ARISTA CONVERGED CLOUD FABRIC SWITCH REPLACEMENT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Award a contract beginning on or after July 9, 2024 to the lowest responsive/responsible bidder, ePlus Technology, Inc., for supplying Arista Networks' converged cloud fabric switches for the District's data center, for a total cost, after the addition of taxes, not to exceed \$208,332 under Request for Quotation No. 2409A.

SUMMARY	This purchase is for the delivery of Arista Networks' Converged Cloud Fabric network switches hardware, licenses, and support.

DISCUSSION	The District is replacing the existing end-of-life Arista network equipment with the next generation of the Arista Networks' Data Center switching platform. The switches provide the high-performance network connections for the database and application servers along with the Net App, network attached storage system. This purchase will provide the Arista network switches, the operating licenses and five years of hardware and software support. This purchase supports the District's Long-Term Infrastructure Investment and Long-Term Financial Stability Strategic Plan goals by implementing technologies that improve the efficiency and effectiveness of business processes.

VENDOR SELECTION	A request for quotations was posted on the District's website, sent to nine potential proposers, and it was advertised in the Oakland Tribune. Two bids were received. ePlus Technology, Inc. was the lowest responsive/responsible bidder.

SUSTAINABILITY	Economic Funding for this purpose is available in the FY 2025 adopted capital budget for Equipment Replacement Fund: Smoothing Data Security Standard (DSS), Server & Network Equipment.

ALTERNATIVES	<u>Do not authorize the purchase.</u> This alternative is not recommended because the existing network switches are reaching the end of their product lifecycle and may potentially create unplanned downtime or cybersecurity risks to the District.

Originating Department: Information Systems	Department Director or Manager: Orlando W. Leon	CEP Forms? Yes	Board Action Type: Materials and Supplies
Funds Available: FY 2025	Budget Coding: 11.252.0000.2014197.55230.000000	Approved:

BOARD ACTION

Agenda Number:	16a.-16b.	Meeting Date:	July 9, 2024

TITLE AMEND AGREEMENTS FOR WELDING SERVICES

ACTION ☒ Motion: ☐ Resolution: ☐ Ordinance:

RECOMMENDED ACTION

- Authorize amendments to the agreements previously authorized under Board Motion No. 119-23, with Eyeball Enterprises, Inc.; Ferguson Welding Service, Inc.; John Arthur Welding, Inc.; Larsson Welding; Mid Mountain Mechanical, Inc.; Nicole Welding, Inc.; and Woods Welding to increase the aggregate amount of those agreements by \$125,000 to a total aggregate amount not to exceed \$375,000 and extend the term of the agreements to July 9, 2025 for welding services.
- Authorize additional agreements for welding services, on an as-needed basis and subject to the total aggregate amount authorized by the Board for such services on July 9, 2024 with service providers that meet District standards and offer pricing at or below the range in the proposed agreements with the service providers above to increase flexibility and ensure service provider availability. The Board of Directors will be notified of additional qualified service providers by means of the General Manager's monthly report.

SUMMARY

The District uses welding services primarily for welding steel pipelines and appurtenances during the repair, replacement, or expansion of the District's water distribution system. The District uses welding services to augment staff resources during peak periods when work exceeds in-house capabilities.

DISCUSSION

The District has been utilizing welding services since 1975 to augment staff resources during peak workload periods. The welders must meet industry standard requirements (ANSI/AWWA C200) for steel pipe. Staffing levels for District welders are set to meet base workload needs. These services are used to support peak workloads for new and replacement pipeline projects and for leak repairs.

These agreements do not obligate the District to use these services and use may be adjusted at any time. This work supports the District's Long-Term Infrastructure Investment Strategic Plan goal.

SERVICE PROVIDER SELECTION

In June 2020, a request for proposals was posted on the District's website and sent to five potential proposers. Seven firms that meet minimum requirements were selected. These requirements include holding an American Welding Society 6G welding certification and

passing an EBMUD field welding test with the test sample analyzed by an independent laboratory. Service providers on this list will be assigned work opportunities on a rotational basis to ensure a fair and equitable distribution of the total workload.

SUSTAINABILITY**Economic**

Funding for this purpose is available in the Fiscal Year 2025 adopted operating budget and the capital budget for Pipeline System Extensions, Pipeline Rebuild, Pipeline Relocations, and Pipeline System Improvements.

Social

Local 444 was notified of these amendments on May 10, 2024. Local 444's concerns were addressed on May 21, 2024 and June 18, 2024 and resolved.

ALTERNATIVES

Do not authorize these amendments for welding services. This alternative is not recommended because welding services are critical to District operations and pipeline installation.

Add staff and equipment to reduce the need for services. This alternative is not recommended because the projected long-term workload is insufficient to justify the addition of full-time welding staff. The need for these services will decrease in the future as the District transitions to pipe materials other than steel.

BOARD ACTION

Agenda Number:	17.1.-17.3.	Meeting Date:	July 9, 2024

TITLE	TRANSFER DELINQUENT EBMUD CHARGES TO THE ALAMEDA AND CONTRA COSTA COUNTIES' 2024-2025 PROPERTY TAX ROLLS

ACTION	☐ Motion:	☒ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	- Conduct a public hearing to consider objections and protests to the General Manager's report to Transfer Delinquent EBMUD Charges to the 2024-2025 Property Tax Roll. - Adopt the General Manager's Report (Report) dated June 11, 2024, and authorize the General Manager to exclude from the report any affected parcels or amounts as appropriate, including those that the District receives payment for on or before August 10, 2024, the date in which the report will be sent to Alameda and Contra Costa counties. - Authorize the transfer of delinquent EBMUD charges to the Alameda and Contra Costa counties' 2024-2025 property tax rolls.

SUMMARY	The Report was filed with the Board on June 11, 2024. Since the filing of the Report, the District has received and may continue to receive payments on affected parcels. Staff recommends the Board authorize the General Manager to file a final Report with the counties, excluding the following: - Any Assessor's Parcel Number (APN) and delinquent charges excluded by the Board at the Public Hearing on July 9, 2024 - Any APN and delinquent charges excluded by the General Manager after July 9, 2024 - Any APN and delinquent charges paid to the District on or before August 10, 2024

DISCUSSION	Since January 1, 2011, under the authority of Municipal Utility District (MUD) Act Section 12811.1, the District has collected multi-family residential (MFR) delinquent charges by monthly lien filings or annual transfers to the property tax rolls. District-sponsored legislation (Senate Bill 188) removed the sunset date from the MUD Act, effective January 1, 2016, allowing the District to transfer these delinquent charges to the property tax roll on a yearly basis. The District uses this authority as an alternative to terminating water service to tenants within MFR properties when the property owner or customer of record fails to pay delinquent charges of \$100 or more. The District filed 1,134 liens totaling \$2,284,351.03 on parcel owners' properties for unpaid MFR delinquent charges between July 1, 2023 to June 30, 2024. The Report filed with the Board on June 11, 2024, identified 505 affected parcels that remained unpaid with a total of

Originating Department: Customer and Community Services	Department Director or Manager: Andrew L. Lee	CEP Forms? N/A	Board Action Type: Financial
Funds Available: N/A	Budget Coding: N/A		Approved: 
Attachment(s): Report and Recommendation of the GM to Transfer Unpaid Liens for Delinquent Charges to Alameda County 2024-2025 Property Tax Roll dated June 11, 2024; Resolution			

Title:	Transfer Delinquent EBMUD Charges to the Alameda and Contra Costa Counties' 2024-2025 Property Tax Rolls	Meeting Date:	July 9, 2024

\$1,978,194.77 in delinquent charges (\$1,683,391.14 in Alameda County and \$294,803.63 in Contra Costa County); these charges are recommended for transfer to the Alameda and Contra Costa counties' 2024-2025 Property Tax Rolls. The Board will receive updates to the Report at its July 9, 2024 meeting, reflecting payments received after June 11, 2024, and the remaining affected parcels.

State law requires a public hearing to be held before unpaid delinquent charges are transferred to the property tax roll, and owners of affected parcels must be given 14 days' advance notice of the specific day, time, and place of the public hearing. Notices of the July 9, 2024 public hearing were mailed to the property owners of 505 affected parcels on or before June 20, 2024 in accordance with California Government Code Section 6066, and the District published a notice of the public hearing in newspapers of general circulation in the counties on June 21, 2024 and June 28, 2024. A summary of the final Report will be included in the August 2024 General Manager's Monthly Report.

This action supports the District's Long-Term Financial Stability Strategic Plan goal by managing the District's finances to meet funding needs and maintain fair and reasonable water and wastewater rates.

SUSTAINABILITY**Economic**

The District expects to recover approximately 85 to 90 percent (\$1,681,465 to \$1,780,375) of the unpaid MFR delinquent charges in Fiscal Year 2024 after transferring the charges to the Alameda and Contra Costa counties' 2024-2025 property tax rolls.

Social

The lien process is an effective alternative to terminating water service to MFR tenants when the property owner or customer of record fails to pay delinquent charges.

ALTERNATIVES

Do not transfer the unpaid delinquent charges to the 2024-2025 property tax rolls. This alternative is not recommended because the District would not recover a substantial amount of revenue owed for services provided.

Do not use the lien process and terminate water service to MFR accounts when the property owner or customer of record fails to pay delinquent charges. This alternative is not recommended because it will impact MFR tenants.

EAST BAY MUNICIPAL UTILITY DISTRICT

DATE: June 11, 2024

MEMO TO: Board of Directors

FROM: Clifford C. Chan, General Manager 

SUBJECT: File Report and Recommendation of the General Manager to Transfer Unpaid Liens for Delinquent Charges to Alameda and Contra Costa Counties' 2024-2025 Property Tax Rolls

The District has the authority under the Municipal Utility District Act Section 12811.1 to file liens for, and to transfer unpaid delinquent charges of \$100 or more to the parcel owner's property tax bill. The use of this authority allows the District to avoid terminating water service to tenants of multi-family residential (MFR) properties where the customer of record has failed to pay their EBMUD bill. In place of terminating water service for delinquent MFR properties, the District collects MFR delinquent charges after filing liens and transfers any unpaid delinquent charges to property tax rolls once a year.

Staff is recommending the transfer of \$1,683,391.14 in delinquent charges to the 2024-2025 property tax roll of Alameda County and \$294,803.63 to the 2024-2025 property tax roll of Contra Costa County. The Alameda County report (Attachment 1) identifies 827 affected parcels of property and unpaid charges to be transferred to the property tax rolls. The Contra Costa County report (Attachment 2) identifies 131 affected parcels of property and unpaid charges to be transferred to property tax roll. The reports list each affected property by Assessor's Parcel Number (APN) and the amount of unpaid delinquent charges recommended for transfer to the owner's property tax bill. The total unpaid delinquent charges include processing fees for lien and property tax bill collection under District Rate Schedule C, Section D.

A public hearing on the recommendation contained in this report is scheduled on July 9, 2024, for the Board to consider any objections or protests to the report. The Board is also scheduled to consider adoption of the reports at its July 9, 2024 meeting.

The District will submit electronic versions of the reports to Alameda and Contra Costa counties' by August 10, 2024. The electronic files will exclude any parcels with delinquent charges that were paid to the District on or before August 10, 2024, and other exclusions determined by the Board at the public hearing scheduled on July 9, 2024.

RESOLUTION NO. _____

APPROVING TRANSFER OF UNPAID DELINQUENT CHARGES TO THE ALAMEDA
AND CONTRA COSTA COUNTIES' 2024-2025 PROPERTY TAX ROLLS

Introduced by Director

; Seconded by Director

WHEREAS, the East Bay Municipal Utility District (District) approved the Program for Delinquent Charge Collection Through Liens and Property Tax Bills for Multi-Family Accounts (the Program) effective January 1, 2011, pursuant to Section 12811.1 of the Municipal Utility District Act; and

WHEREAS, the Program is intended to collect from multi-family residential (MFR) customers, delinquent fees, tolls, rates, rentals, or other charges for services (delinquent charges) by lien filings and annual transfers of delinquent charges to the property tax rolls in lieu of service termination; and

WHEREAS, on May 23, 2024, the District mailed to MFR customers of record with delinquent charges and corresponding property owners notices of intent to transfer delinquent charges from unpaid liens to the property tax bills; and

WHEREAS, on June 11, 2024, and again on July 9, 2024, the General Manager filed with the District's Board of Directors (Board) the Report and Recommendation of the General Manager to Transfer Unpaid Delinquent Charges to the 2024-2025 Property Tax Rolls (Report), copies of which are on file with the Secretary of the District and available for public inspection and review; and

WHEREAS, on July 9, 2024, the Board conducted a public hearing, noticed in the manner and for the time required by law, at which time all interested persons were afforded an opportunity to be heard on matters pertaining to the transfer of delinquent charges from unpaid liens to the property tax rolls, as well as to the Report; and

WHEREAS, all comments, objections, and protests to the Report have been given full opportunity to be heard by the Board, and the Board has fully considered the Report;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the East Bay Municipal Utility District as follows:

1. Incorporation of Recitals. The Recitals set forth above are incorporated herein and made an operative part of this Resolution.
2. Objections Heard and Report Approved. Any objections and protests to the Report and Recommendation of the General Manager to Transfer Unpaid Delinquent Charges to the 2024-2025 Property Tax Rolls have been heard and said Report is hereby accepted and approved as final; provided, however, that the

General Manager or his designee is hereby authorized to revise the Report prior to submitting it to the Auditor-Controllers of Alameda County and Contra Costa County in order to reflect: (i) the payment of delinquent charges, in whole or in part, for any of the parcels identified in the Report, or (ii) any other downward adjustments applicable to any of the parcels identified in the Report for any other appropriate reason, such as correction of error.

3. Filing of the Report with the Counties. On or before the 10th day of August 2024, the General Manager or his designee is hereby authorized and directed to file a copy of the Report with the Alameda County and Contra Costa County Auditor-Controllers, indicating that the Report has been adopted by the Board in order to request that the delinquent charges rendered by the District be collected on the property tax bills for the taxable parcels identified in the Report; and such delinquent charges, together with any interest and penalties thereon, shall be collected for the District at the same time and in the same manner and by the same persons as, together with and not separately from, general taxes, and shall be delinquent at the same time and thereafter be subject to the same delinquency penalties to be levied on and collected from the owners of said parcels.

BOARD ACTION

Agenda Number:	18.1.-18.2a-c	Meeting Date:	July 9, 2024

TITLE

ADOPT THE REPORT OF THE EBMUD WET WEATHER FACILITIES CHARGE AND AUTHORIZE THE DISTRICT TO FILE THE REPORT AND COLLECT THE CHARGES ON THE ALAMEDA AND CONTRA COSTA COUNTIES' FISCAL YEAR 2024-2025 PROPERTY TAX ROLLS

ACTION

☐ Motion:

☒ Resolution:

☐ Ordinance:

RECOMMENDED ACTION

Take actions, pursuant to Health & Safety Code section 5473 et seq. to:

- Conduct a public hearing to consider objections and protests to EBMUD's written report (Report) describing each parcel of real property subject to the Wet Weather Facilities Charge (WWFC) and amount of the WWFC to be imposed on each parcel for the Alameda and Contra Costa counties' Fiscal Year (FY) 2024-2025 Property Tax Rolls.
- Adopt the written Report and authorize the District to collect the FY 2025 WWFC on the Alameda and Contra Costa counties' property tax rolls by at least two-thirds of the members of the Board (i.e., five Board members).
- Authorize District staff to adjust the FY 2025 WWFC for any affected parcels as new information is provided by the counties.
- Direct the Secretary of the District to file a copy of the Report on or before August 10, 2024, with the Alameda County Auditor-Controller and the Contra Costa County Auditor-Controller.

SUMMARY

Staff recommends that the Board adopt the Report filed with the Secretary of the District on June 13, 2024, to collect the FY 2025 WWFC on the counties' FY 2024-2025 Property Tax Rolls.

- The FY 2025 WWFC to be collected on the Alameda County FY 2024-2025 Property Tax Roll is approximately \$33.6 million billed on 165,232 properties in Alameda County.
- The FY 2025 WWFC to be collected on the Contra Costa County FY 2024-2025 Property Tax Roll is approximately \$2.7 million billed on 12,675 properties in Contra Costa County.

DISCUSSION

The District has the authority under the State Health & Safety Code (H&SC) to collect certain charges for facilities or services on the property tax roll. The H&SC augments the District's powers under the Municipal Utility District Act. The WWFC has been collected on the property tax roll since 1987. The WWFC funds capital expenses for the inflow and infiltration (I&I) facilities (including wet weather facilities, interceptors, pumping stations, and storage basins) required to handle wet weather flows that enter the wastewater system through the local

Attachments: Report of the Wet Weather Facilities Charge to be Collected on the Fiscal Year 2024-2025 Property Tax Rolls for Alameda County and Contra Costa County dated June 13, 2024; Schedule B WWFC Effective 07/01/24; Resolution			

Title:	Adopt The Report of the EBMUD Wet Weather Facilities Charge and Authorize the District to File the Report and Collect the Charges on the Alameda and Contra Costa Counties' Fiscal Year 2024-2025 Property Tax Rolls	Meeting Date:	July 9, 2024

wastewater collection systems and sewer connections. I&I facilities funded by the WWFC are designed to handle wet weather flows in excess of the normal wastewater discharges from wastewater customers.

EBMUD's costs recovered for the WWFC address wet weather flows from the collection system. The volume of wet weather flows that enter the wastewater system from each property is generally proportional to the size of the collection system needed to serve each property. Properties with larger lots require more linear feet of the collection system which presents more opportunity for rainwater to enter through defects in the collection system. For these reasons, lot size is used as a basis for the WWFC. Accordingly, the WWFC is structured into three generalized lot sizes (or bins) and the applicable charge increases with the lot size. For the District's FY 2025, the amount charged by lot size is: \$147.38 for lots 0 to 5,000 square feet (sq. ft.); \$230.16 for lots 5,001 to 10,000 sq. ft.; and \$526.00 for lots over 10,000 sq. ft.

Because the WWFC is based on the size of the property and is unrelated to water or wastewater usage at the property, the District collects the WWFC on the property tax bill pursuant to its authority under the H&SC. All parcels that have connections to the wastewater collection systems within the District's wastewater service area are charged the applicable WWFC associated with their lot size, and their charges are collected on the property tax roll. The WWFC for entities exempt from property taxes is collected through the District's billing process.

On June 13, 2023, the Board adopted Resolution No. 35350-23 establishing the District's WWFC for FY 2024 and FY 2025 by at least two-thirds of the members of the Board (i.e., five Board members), in compliance with H&SC Section 5473.

On June 13, 2024, the District filed the Report with the Secretary of the District containing the parcel number and amount of the charge for each parcel, in compliance with H&SC Section 5473. The Report is available for review in the Office of the District Secretary. In accordance with California Government Code Section 6066, the District published a notice of a public hearing to consider the adoption of a resolution ordering the collection of the WWFC on the Property Tax Roll in the Oakland Tribune and West County Times. The notice ran on June 21, 2024 and June 28, 2024.

This action supports the District's Long-Term Financial Stability Strategic Plan goal to manage the District's finances to meet funding needs and maintain fair and reasonable water and wastewater rates.

SUSTAINABILITY

Economic

The District expects to collect approximately \$36.3 million in WWFC through the counties' FY 2024-2025 Property Tax Rolls. The WWFC is collected on the property tax roll because it is a fixed charge based on the size of the property and the average volume of wet weather flows that enter the wastewater system from properties of similar lot size. The WWFC is a significant

Title:	Adopt The Report of the EBMUD Wet Weather Facilities Charge and Authorize the District to File the Report and Collect the Charges on the Alameda and Contra Costa Counties' Fiscal Year 2024-2025 Property Tax Rolls	Meeting Date:	July 9, 2024

source of revenue (20 percent of total revenue) that the Wastewater Department considers when calculating the wastewater rates and charges for its customers.

Social

The WWFC funds capital expenses for the I&I facilities that protect public health and handle the wet weather flows that enter the wastewater system through the local wastewater collection systems and sewer connections.

Environmental

The WWFC funds capital expenses for I&I facilities, which manage wet weather flows that enter the wastewater system through the local wastewater collection systems and sewer connections, prevent sanitary sewer overflows, and protect the San Francisco Bay.

ALTERNATIVE

Do not place the WWFC on the property tax rolls. This alternative is not recommended because it would result in the loss of \$36.3 million in revenues (20 percent of the Wastewater System's total revenue) leaving the Wastewater System without sufficient funds to maintain the wet weather facilities.

EAST BAY MUNICIPAL UTILITY DISTRICT

DATE: June 13, 2024

MEMO TO: Rischa S. Cole, Secretary of the District

FROM: Amit K. Mutsuddy, Director of Wastewater 

SUBJECT: Transmittal of the Written Report of the Wet Weather Facilities Charge to be Collected on the Fiscal Year 2024-2025 Property Tax Rolls

The District has the authority under the State Health & Safety Code (H&SC) Section 5473 to collect regular, non-delinquent charges on the property tax roll. The H&SC augments the District's powers under the Municipal Utility District Act and authorizes the District to collect rates and charges on the property tax roll. The Wet Weather Facilities Charge (WWFC) has been collected on the property tax roll since 1987. The applicable WWFC for each parcel is computed in conformance with the schedule of rates and charges in Resolution No. 35350-23, adopted by the Board of Directors on June 13, 2023, establishing the water and wastewater systems' schedules of rates and charges subject to Proposition 218, including the WWFC for the Fiscal Year commencing July 1, 2024. The WWFC funds capital expenses for the inflow and infiltration facilities (including wet weather facilities, interceptors, pumping stations, and storage basins) that are required to handle wet weather flows in excess of the normal wastewater discharges from wastewater customers that enter the wastewater system through the local wastewater collection systems and sewer connections.

The volume of wet weather flow that enters the wastewater system from each property is proportional to the size of the collection system needed to serve each property. Properties with larger lots require more linear feet of the collection system which presents more opportunity for rainwater to enter through defects in the collection system. For these reasons, lot size is used as a basis for the WWFC. Accordingly, the WWFC is structured into three generalized lot sizes (or bins) and the applicable charge increases with the lot size. For the Fiscal Year 2024-2025 Property Tax Rolls, the amount charged by lot size is: \$147.38 for lots of 0 to 5,000 square feet (sq. ft.); \$230.16 for lots 5,001 to 10,000 sq. ft.; and \$526.00 for lots over 10,000 sq. ft.

The written report recommends collecting the WWFC on 165,232 properties in Alameda County for a total of approximately \$33.6 million billed, and 12,675 properties in Contra Costa County for a total of approximately \$2.7 million billed.

A public hearing on the recommendation contained in this report is scheduled on July 9, 2024 for the Board to consider any objections or protests to the report. The Board is also scheduled to consider adoption of the recommended action at the Board meeting on July 9, 2024.

The District will submit an electronic file version of the report to Alameda and Contra Costa Counties by August 10, 2024. If the Board determines at the public hearing on July 9 that the WWFC should not be collected on any parcels, the WWFC will be removed from those parcels.
