1:15 p.m.

*****Please see appendix for public participation instructions*****

ROLL CALL:

BOARD OF DIRECTORS:

- Pledge of Allegiance

ANNOUNCEMENTS FROM CLOSED SESSION:

PUBLIC COMMENT: The Board of Directors is limited by State law to providing a brief response, asking questions for clarification, or referring a matter to staff when responding to items that are not listed on the agenda.

COMMITTEE REPORTS:

- Planning
- Legislative/Human Resources
- Sustainability
- Finance/Administration

CONSENT CALENDAR: (Single motion and vote approving 12 recommendations)

1. Approve the Regular Meeting Minutes of June 24, 2025.
2. File correspondence with the Board.
3. Award a sole source contract beginning on or after July 8, 2025 to LightBox Parent L.P., for supplying Lightbox parcel data, software, and support for five years for a total cost, after the addition of taxes, not to exceed \$492,500.
4. Award a sole source contract beginning on or after July 8, 2025 to Sprung Structures, Inc. for supplying a tension fabric structure for a total cost, after the addition of taxes, not to exceed \$224,165.
5. Authorize an agreement beginning on or after July 8, 2025 with BKF Engineers in an amount not to exceed \$214,492 for planning and design services for a private water service pipeline for the Lake Chabot Golf Course in Oakland.
6. Authorize an agreement beginning on or after July 8, 2025 with Cahorizon Industries Corporation for one year, with two options to renew for additional two-year periods for a total amount, including option years, not to exceed \$3,500,000 to receive trench soil from the District.

CONSENT CALENDAR: (Continued)

7. Authorize an agreement beginning on or after July 8, 2025 with MARC Builders LLC dba MARC Engineering in an amount not to exceed \$340,600 for installation of bridge abutments and associated piles for the Pinole Creek Tomato Stand Fish Passage project.
8. Authorize an agreement between the Oro Loma Sanitary District (OLSD) and East Bay Municipal Utility District (EBMUD) to allow OLSD to remove and demolish the EBMUD Bayside well system and related components (Bayside well facilities) located on OLSD's property and for EBMUD to reimburse OLSD for all reasonable costs related to the demolition in an amount not to exceed \$842,561.
9. Authorize an agreement beginning on or after July 8, 2025 with United Service Partners Private Label, Inc. dba SLWA Insurance Services, a HomeServe Company for three years, with four options to renew for additional one-year terms to allow HomeServe to use the EBMUD logo and branding to market its private water service line repair plans to District customers in exchange for payment to the District in the total amount of \$4,200,000.
10. Authorize a second agreement beginning on or after July 8, 2025 with The Regents of the University of California in an amount not to exceed \$2,805,214 for conducting 10 research projects with researchers at the University of California, Berkeley Center for Smart Infrastructure with the goal to improve the resilience of the District's infrastructure.
11. Take actions related to disposal and recycling of District asphalt, concrete, and asphalt grindings.
 - 11.1. Authorize nine agreements beginning on or after July 8, 2025 with Carone and Company, Inc. dba Diablo Valley Rock; Argent Materials Inc.; County Quarry Products, LLC; Nor-Cal Rock Inc.; Dutra Materials; Gallagher & Burk Inc.; DeSilva Gates Aggregates; Vulcan Materials Company; and Bee Green Recycling & Supply, LLC for disposal and recycling of District asphalt, concrete, and asphalt grindings in an aggregate amount not to exceed \$780,000 annually for three years with two options to renew for additional one-year periods, for a total amount not to exceed \$3,900,000.
 - 11.2. Authorize additional agreements with other disposal and recycling service providers, on an as-needed basis and subject to the total aggregate amount authorized by the Board for such services on July 8, 2025, with service providers that meet District standards and offer pricing at or below the range in the proposed agreements with the service providers above to increase flexibility and ensure service provider availability. The Board of Directors will be notified of additional qualified service providers by means of the General Manager's monthly report.
12. Authorize an amendment to the agreement originally authorized under Purchase Agreement No. AGR401360 with Oppenheimer Investigations Group LLP to increase the agreement amount by \$40,000 to a total amount not to exceed \$120,000 for equal employment opportunity and workplace investigation services in limited scenarios.

PUBLIC HEARING:

13. Take actions related to the transfer of delinquent EBMUD charges to the Alameda and Contra Costa counties' 2025-2026 Property Tax Rolls. (Resolution)
 - 13.1. Conduct a public hearing to consider objections and protests to the General Manager's report to Transfer Delinquent EBMUD Charges to the 2025-2026 Property Tax Rolls.
 - 13.2. Adopt the General Manager's Report dated June 10, 2025, and authorize the General Manager to exclude from the report any affected parcels or amounts as appropriate, including those that the District receives payment for on or before August 10, 2025, the date in which the report will be sent to Alameda and Contra Costa counties.
 - 13.3. Authorize the transfer of delinquent EBMUD charges to the Alameda and Contra Costa counties' 2025-2026 Property Tax Rolls.

PUBLIC HEARING:

14. Take actions related to the collection of the Wet Weather Facility Charge on Alameda and Contra Costa counties' 2025-2026 Property Tax Rolls. (Resolution)
 - 14.1. Conduct a public hearing to consider objections and protests to EBMUD's written report describing each parcel of real property subject to the Wet Weather Facilities Charge (WWFC) and amount of the WWFC to be imposed on each parcel for the Alameda and Contra Costa counties' Fiscal Year (FY) 2025-2026 Property Tax Rolls.
 - 14.2. Adopt the written Report and authorize the District to collect the FY 2026 WWFC on the Alameda and Contra Costa counties' property tax rolls by at least two-thirds of the members of the Board (i.e., five Board members).
 - 14.3. Authorize District staff to adjust the FY 2026 WWFC for any affected parcels as new information is provided by the counties.
 - 14.4. Direct the Secretary of the District to file a copy of the Report on or before August 10, 2025, with the Alameda County Auditor-Controller and the Contra Costa County Auditor-Controller.

DETERMINATION AND DISCUSSION:

15. Legislative Update.

DETERMINATION AND DISCUSSION: (Continued)

16. Take actions related to the Memoranda of Understanding with AFSCME Locals 2019 and 444, IFPTE Local 21 and IUOE Local 39. (Resolution)
 - 16.1. Adopt a resolution to approve the 2025-2028 Memoranda of Understanding (MOU) and other special agreements between the District and American Federation of State, County and Municipal Employees AFL-CIO Locals 2019 and 444 (Locals 2019 and 444), International Federation of Professional and Technical Engineers Local 21 (Local 21), and International Union of Operating Engineers Local 39 (Local 39).
 - 16.2. Approve the salary and other benefits revisions for Senior Management Team members, Managers, Confidential employees, and Non-represented employees.
 - 16.3. Approve revisions to District salary schedules effective July 1, 2025.
 - 16.4. Amend all existing Civil Service Rules, Policy Statements and Procedures and other pertinent resolutions to align with revisions contained in the MOUs and in the resolution.
17. Discussion of the proposed performance criteria for the evaluations of the General Manager and the General Counsel.
18. General Manager's Report.
 - 2025 Customer Opinion Survey
 - Six-Month Forecast of Board Committee and Workshop Agenda Topics for 2025 and Summary of 2025 Committee and Workshop Topics
 - Monthly Report – June 2025

DIRECTOR COMMENTS:

19. Other Items for Future Consideration.
20. Director Comments.

ADJOURNMENT:

The next Regular Meeting of the Board of Directors will be held at 1:15 p.m. on Tuesday, August 12, 2025.

Disability Notice

If you require a disability-related modification or accommodation to participate in an EBMUD public meeting please call the Office of the Secretary (510) 287-0404. We will make reasonable arrangements to ensure accessibility. Some special equipment arrangements may require 48 hours advance notice.

Document Availability

Materials related to an item on this agenda that have been submitted to the EBMUD Board of Directors within 72 hours prior to this meeting are available for public inspection in EBMUD's Office of the Secretary at 375 11th Street, Oakland, California, during normal business hours, and can be viewed on our website at www.ebmud.com.

EAST BAY MUNICIPAL UTILITY DISTRICT

DATE: July 3, 2025

MEMO TO: Board of Directors

THROUGH: Clifford C. Chan, General Manager *CCC*

FROM: Rischa S. Cole, Secretary of the District *RC*

SUBJECT: Sustainability Committee Minutes – June 24, 2025

Chair Joey D. Smith called to order the Sustainability Committee meeting at 9:30 a.m. in the Administration Building Boardroom. Director Luz Gómez was present at roll call. Director Andy Katz arrived at 9:42 a.m. Staff participants included General Manager Clifford C. Chan, General Counsel Derek T. McDonald, Director of Operations and Maintenance David A. Briggs, Senior Environmental Health and Safety Specialist Chris Dembiczak, and Secretary of the District Rischa S. Cole.

Public Comment. None.

Presentations/Documentation. 1) Presentation entitled, “EBMUD Greenhouse Gas Inventory,” dated June 24, 2025; and 2) Email dated June 24, 2025 from Ivette Rivera to Office of the Secretary and Board of Directors regarding I see the Finance/Administration Committee meeting is today, not the HR/Leg meeting. Please apply the emails & docs to the meeting records that are happening today (with attachment).

Greenhouse Gas (GHG) Inventory. Senior Environmental Health and Safety Specialist Chris Dembiczak presented background on the District’s GHG emissions reduction goals and methodology used to prepare the annual inventory. The inventory is compiled using the Water Energy Nexus (WEN) 2.0 protocol, supplemented by the General Reporting Protocol developed by The Climate Registry and focuses on Scope 1 (direct) and Scope 2 (indirect) emissions. Pursuant to WEN 2.0, the District estimates and tracks process emissions related to the treatment and discharge of wastewater but in accordance with District Policy 7.07 - Energy, does not include these as part of the District’s GHG goal. Mr. Dembiczak discussed current policy targets for achieving carbon neutrality by 2030 for water and wastewater operations, and the importance of prioritizing actual reductions before considering offsets. He reviewed GHG inventory basics including global warming potentials for various GHG, the inventory protocol, protocol reporting framework, activity data and emission factors gathered for inventory, and explained the variability of electrical emission factors. While process emissions are tracked, methodologies for accurately estimating and reducing them are still evolving. As GHG program and science evolves the District’s goals may require updates. Any changes to District GHG goals will be included in Policy 7.07 with input from the Board. The District’s calendar year 2024 GHG total is 15,583 MT CO₂e; the 2025 goal is 15,382 MT CO₂e. Staff will present final 2024 inventory results to the Sustainability Committee in fall 2025. Mr. Dembiczak addressed Committee questions regarding energy procurement, potential transition from Western Area Power Administration electricity, adoption of cleaner energy sources, long-term electrification of District facilities, inclusion of Scope 3 emissions in the GHG inventory, and the development of a plan to evaluate emission reduction options, local offsets, and associated costs. Staff was asked to identify options and the associated costs to reduce process emissions and to prepare a plan to meet the District’s GHG reduction goal that includes options, costs, and an implementation schedule.

Adjournment. Chair Smith adjourned the meeting at 10:11 a.m.

CCC/RSC

EAST BAY MUNICIPAL UTILITY DISTRICT

DATE: July 3, 2025

MEMO TO: Board of Directors

THROUGH: Clifford C. Chan, General Manager *CCC*

FROM: Rischa S. Cole, Secretary of the District *RC*

SUBJECT: Finance/Administration Committee Minutes – June 24, 2025

Chair Valerie D. Lewis called to order the Finance/Administration Committee meeting at 10:14 a.m. in the Administration Building Boardroom. Directors Andy Katz and Jim Oddie were present at roll call. Staff participants included General Manager Clifford C. Chan, General Counsel Derek T. McDonald, Director of Finance Sophia D. Skoda, Treasury Manager Robert L. Hannay, Director of Customer and Community Services Andrew L. Lee, Customer Support Program Administrator Sherilyn Tran, and Secretary of the District Rischa S. Cole.

Public Comment. None.

Presentations/Documentation. 1) Presentation entitled “Private Water Service Line Repair Plans,” dated June 24, 2025; and 2) Email dated June 24, 2025 from Ivette Rivera to Office of the Secretary and Board of Directors regarding I see the Finance/Administration Committee meeting is today, not the HR/Leg meeting. Please apply the emails & docs to the meeting records that are happening today (with attachment).

Monthly Investment Transactions Report. Treasury Manager Robert L. Hannay reviewed the report for May 2025 and reported that the District’s investment portfolio increased by \$114 million, primarily due to receiving \$305 million in bond proceeds. He noted the District also made its annual \$150 million debt service payment and paid down \$20 million in Commercial Paper. The portfolio is currently yielding approximately 4.2 percent. This item will be submitted to the Board for consideration at its meeting in the afternoon. It was moved by Director Katz, seconded by Director Oddie, and carried (3-0) by voice vote to accept the report.

Private Water Service Line Repair Plans – Marketing Partnership Customer Support Program Administrator Sherilyn Tran presented staff’s recommendation to enter into a marketing partnership agreement with HomeServe to use the EBMUD logo on materials to market voluntary water service line repair plans directly to District customers. In return, HomeServe would pay the District a flat annual fee of \$600,000 regardless of customer enrollment which would be used to support the Customer Assistance Program (CAP). The CAP is funded with non-rate revenue and currently serves over 11,000 customers at an annual cost of approximately \$4.5 million. An estimated \$13 million would be required annually to fully fund participation for up to 33,000 eligible customers. Staff presented this item at the August 27, 2024 Finance/Administration Committee meeting and received approval to proceed with exploring a potential partnership through a request for proposals process. Ms. Tran reviewed the provider selection process, HomeServe plans, including monthly customer costs, and the overall marketing approach. Customers would contract directly with HomeServe who would be responsible for billing, responding to customer issues, and dispatching licensed contractors

for repairs. The agreement would be for three years, with four one-year renewal options, and could generate up to \$4.2 million in non-rate revenue. The Committee discussed the proposal and alternative non-rate revenue sources to support the CAP including creating an EBMUD foundation. Staff was asked to provide information on the average claim and cost of a private water service line repair and replacement; coverages offered in HomeServe's plans and warranties; contractor response times; and the potential to adjust the annual flat fee paid to the District in accordance with customer enrollment levels. Staff will provide responses to the Committee's questions in advance of presenting the agreement with HomeServe for Board consideration at its July 8, 2025 meeting. It was moved by Director Oddie, seconded by Director Katz, and carried (3-0) by voice vote to support the staff recommendation.

Adjournment. Chair Lewis adjourned the meeting at 10:35 a.m.

Regular Closed Session Meeting

President Marguerite Young called to order the Regular Closed Session Meeting of the Board of Directors at 11:02 a.m. in the Administration Building Boardroom.

ROLL CALL

Directors April Chan, Luz Gómez, Andy Katz, Jim Oddie, Valerie D. Lewis, Joey D. Smith and President Marguerite Young were present at roll call.

Staff participants included General Manager Clifford C. Chan and General Counsel Derek T. McDonald.

PUBLIC COMMENT

There was no public comment.

ANNOUNCEMENT OF CLOSED SESSION AGENDA

President Young announced the closed session agenda, and the Board convened to Administration Building Conference Room 8 for discussion.

Regular Business Meeting

ROLL CALL

President Marguerite Young called to order the Regular Meeting of the Board of Directors at 1:16 p.m. in the Administration Building Boardroom.

Directors April Chan, Luz Gómez, Andy Katz, Valerie D. Lewis, Jim Oddie, Joey D. Smith, and President Marguerite Young were present at roll call.

Staff participants included General Manager Clifford C. Chan, General Counsel Derek T. McDonald, and Secretary of the District Rischa S. Cole.

BOARD OF DIRECTORS

President Young led the Pledge of Allegiance.

ANNOUNCEMENTS FROM CLOSED SESSION

There were no announcements required from closed session.

PUBLIC COMMENT

There was no public comment.

COMMITTEE REPORTS

- Filed with the Board were the Minutes for the June 10, 2025 Legislative/Human Resources Committee Meeting.
- Director Smith reported the Sustainability Committee met this morning and received an update on the District's Greenhouse Gas Inventory.
- Director Lewis reported the Finance/Administration Committee met this morning and received an update on the May 2025 Monthly Investment Transactions Report and the Private Water Service Line Repair Plans – Marketing Partnership.

CONSENT CALENDAR

Secretary of the District Rischa S. Cole announced the Board previously received an email and attachment to be filed with the June 10, 2025 Board meeting minutes. The email and attachment were not filed with the June 10 minutes and will be filed with today's meeting minutes. She stated that unless Board members had comments or revisions, the June 10 meeting minutes were ready for consideration.

- Agenda Items 7 and 10 were removed from the Consent Calendar for separate discussion.
 - Motion by Director Katz, seconded by Director Gómez, to approve the recommended actions for Items 1-6, 8-9, and 11 on the Consent Calendar carried (7-0) by the following voice vote: AYES (Chan, Gómez, Katz, Lewis, Oddie, Smith, and Young); NOES (None); ABSTAIN (None); ABSENT (None).
1. **Motion No. 125-25** – Approved the Regular Meeting Minutes of June 10, 2025.
 2. The following correspondence was filed with the Board: **1)** Speakers' Bureau and Outreach Record CY25, dated June 24, 2025; **2)** Email dated June 3, 2025 from Ivette Rivera to Office of the Secretary and Board of Directors regarding Please include the attached public record in the next board meeting scheduled for June 10, 2025, for distribution to all EBMUD Directors in attendance at the afternoon open board meeting: Federal Court Filing- Ivette Rivera Case No: 24-cv-02941-JD (with three attachments); **3)** Email dated June 22, 2025 from Ivette Rivera to Office of the Secretary and Board of Directors regarding Secretary's Office-Please distribute to the EBMUD Board of Directors; Why isn't a restraining/protection order being filed on April Chan's behalf against Ms. Conway?!?!See attached public record I obtained regarding a previous restraining order filed (with attachment); **4)** Email dated June 23, 2025 from Olivia Sanwong to Office of the Secretary regarding Public Comment for EBMUD June 24, 2025 meeting, Agenda item 12 (with attachment); and **5)** Email dated June 24, 2025 from Ivette Rivera to Office of the Secretary and

Board of Directors regarding I see the Finance/Administration Committee meeting is today, not the HR/Leg meeting. Please apply the emails & docs to the meeting records that are happening today (with attachment).

3. **Motion No. 126-25** – Awarded a contract beginning on or after June 24, 2025 to the lowest responsive/responsible bidder, Backflow Distributors, Inc., for the purchase of 500 reduced pressure principle backflow preventers for portable hydrant meters, for a total cost, after the addition of taxes, not to exceed \$175,226 under Request for Quotation No. 2516.
4. **Motion No. 127-25** – Awarded a contract to the lowest responsive/responsible bidder, Triple S Electric Co., in an amount not to exceed \$459,000 for the construction of the Oakland Administration Building Fiber Optic Backbone System Upgrade Project, under Specification 2195A.
5. **Motion No. 128-25** – Authorized an agreement beginning on or after June 24, 2025 with Brown and Caldwell for two years, with three options to renew for additional one-year periods for a total amount, including options years, not to exceed \$3,181,363 for Wet Weather Consent Decree required hydrologic and hydraulic model updates, calibration, and testing, and additional services dependent upon flow model results.
6. **Motion No. 129-25** – Authorized an agreement beginning on or after June 24, 2025, with Brown and Caldwell in an amount not to exceed \$1,281,483 for preparation of the Climate Change Analysis for long-term water resources planning.
7. **Authorize an agreement beginning on or after July 1, 2025 with Civicorps for one year in an amount not to exceed \$655,000 for vegetation control and related services at various District properties.**
 - Addressing the Board were the following: 1) Brian Hickey, Civicorps Chief Financial Officer thanked the District and the Board for its partnership with Civicorps and continued support; 2) Terrell Johnson, Jr., Civicorps Crew Leader commented on his experience working with Civicorps and thanked the Board for its continued support; and 3) Yvette Arroyo-Alvernos, Civicorps Director of Corp member programs expressed appreciation to EBMUD for its commitment, support and belief in Civicorps' mission and commented on Civicorps' positive impact on the young adults served by its programs.
- Motion by Director Oddie, seconded by Director Lewis, to approve the recommended actions for Item 7 carried (7-0) by the following voice vote: AYES (Chan, Gómez, Katz, Lewis, Oddie, Smith, and Young); NOES (None); ABSTAIN (None); ABSENT (None).
- Motion No. 133-25** – Authorized an agreement beginning on or after July 1, 2025 with Civicorps for one year in an amount not to exceed \$655,000 for vegetation control and related services at various District properties.
8. **Motion No. 130-25** – Authorized agreements beginning on or after June 24, 2025, with Environmental Science Associates; Kleinfelder, Inc.; and Rincon Consultants, Inc., in an aggregate amount not to exceed \$500,000 for three years, with two options to renew for additional one-year periods, for on-call cultural and paleontological resource management services.

9. **Motion No. 131-25** – Authorized the purchase of maintenance and support beginning on or after June 24, 2025 from Trace3, LLC, for the enterprise data storage system for two years, for a total amount not to exceed \$297,344.16. This purchase will be made under State of California contracts available for use by local governments.
- 10.1. **Authorize amendments to the agreements originally authorized under Board Motion No. 116-21 with Bay Line Cutting & Coring, Inc.; Concrete Demo Works, Inc.; Concrete Wall Sawing Co., Inc.; Fine Line Sawing and Drilling, Inc.; and Penhall Company, to increase the aggregate amount of those agreements by \$1,300,000 to a total aggregate amount not to exceed \$5,365,000 and extend the term of the agreements to June 24, 2026 for asphaltic cement and concrete saw cutting services; and authorize additional agreements for asphaltic cement and concrete saw cutting services on an as-needed basis and subject to the total aggregate amount authorized by the Board for such services on June 24, 2025, with service providers that meet District standards and offer pricing at or below the range in the proposed agreements with the service providers above to increase flexibility and ensure service provider availability. The Board of Directors will be notified of additional qualified service providers by means of the General Manager’s monthly report.**
 - 10.2. – Addressing the Board was Tony Martin, First Vice-President, AFSCME Local 444 who commented the union objects to contracting out its core work and urged the Board to hire regular permanent employees instead of limited-term employees to assist with completing this work. General Manager Clifford C. Chan explained the rationale for hiring limited-term employees and noted the agreements being considered by the Board are to support peak and seasonal workloads. The funds requested are less than those requested in the previous five fiscal years.
- Motion by Director Gómez, seconded by Director Chan, to approve the recommended actions for Items 10.1-10.2 carried (7-0) by the following voice vote: AYES (Chan, Gómez, Katz, Lewis, Oddie, Smith, and Young); NOES (None); ABSTAIN (None); ABSENT (None).
- Motion No. 134-25** – Authorized amendments to the agreements originally authorized under Board Motion No. 116-21 with Bay Line Cutting & Coring, Inc.; Concrete Demo Works, Inc.; Concrete Wall Sawing Co., Inc.; Fine Line Sawing and Drilling, Inc.; and Penhall Company, to increase the aggregate amount of those agreements by \$1,300,000 to a total aggregate amount not to exceed \$5,365,000 and extend the term of the agreements to June 24, 2026 for asphaltic cement and concrete saw cutting services; and authorized additional agreements for asphaltic cement and concrete saw cutting services on an as-needed basis and subject to the total aggregate amount authorized by the Board for such services on June 24, 2025, with service providers that meet District standards and offer pricing at or below the range in the proposed agreements with the service providers above to increase flexibility and ensure service provider availability. The Board of Directors will be notified of additional qualified service providers by means of the General Manager’s monthly report.
11. **Motion No. 132-25** – Approved the May 2025 Monthly Investment Transactions Report.

DETERMINATION AND DISCUSSION

12.1. Report on status of investigations related to claims made by Tiffany Conway.

President Young provided an update on the status of the investigations resulting from allegations regarding an incident that occurred on March 27, 2025 at the Administration Building between Tiffany Conway and Director April Chan. An investigation into workplace violence, initiated on April 4, 2025, in accordance with EBMUD protocols and applicable state laws, has been completed. She discussed the report findings and reported a separate Equal Employment Opportunity (EEO) investigation is being conducted by an independent investigator to determine whether EBMUD anti-discrimination policies were violated, and whether Director Chan's conduct was inconsistent with the principles of conduct in the Board's ethics policy (Policy 6.04), and the Board of Directors Governance Manual. President Young noted that during the course of the EEO investigation, she was made aware of several other incidents between Director Chan and District staff some of which were reported prior to the incident between Director Chan and Ms. Conway. The additional incidents could be connected to the conduct reported by Ms. Conway. She noted parties have been interviewed and that the independent investigator has contacted Director Chan for an interview; as of today Director Chan's response to the interview request is pending. The Board anticipates the EEO investigation report will be completed in August. She affirmed the Board's commitment to transparency, accountability and to fostering a safe and inclusive environment for all Board members, staff, and the public while recognizing the importance of protecting the dignity and privacy of all individuals involved.

- Addressing the Board were the following: 1) Tuan Ngo, Asians Unite Coalition for Community Engagement speaking as a private citizen commented on leadership integrity in local government, the March 27 incident, the workplace violence investigation, due process for Director Chan, other elected officials monitoring the situation, and the erosion of public trust; and 2) Kat Wellman, EBMUD Ward 7 Standby Officer expressed concern about how this situation is being handled, acknowledgement of how Director Chan was disparaged, the workplace violence investigation and report, the EEO investigation, and reinstating Director Chan as Vice-President of the Board.

Director Chan thanked her constituent supporters and the District's security personnel. She commented on the March 27 incident, being subjected to threats of violence, the workplace violence investigation and report, concerns with the remaining investigations being conducted with integrity, her complaint against President Young, and stated President Young should step aside from overseeing the remaining investigations. President Young acknowledged the complaint filed by Director Chan and explained Director Gómez's role in addressing the complaint and her subsequent proposal for mediation. President Young commented she is open to the Board voting on whether she should step back from her current responsibilities, and affirmed that she would respect and abide by the Board's decision. She clarified she is not in charge of the remaining investigations and explained the Board's responsibility to ensure all complaints, including this one, are investigated thoroughly and fairly in accordance with District policies and applicable ethics and EEO standards. Director Chan commented there are two investigations, and that President Young should have recused herself from the EEO focused investigation. There was considerable Board discussion regarding the status of the EEO investigation which includes an investigation into potential misconduct; whether formal action is required by the Board for President Young to recuse herself from participating in the EEO investigation; the basis for the Board President to recuse

themselves from a decision; the role of the Board President in addressing issues related to Board member conduct; and using mediation to resolve Director Chan's complaint against President Young. General Counsel Derek T. McDonald clarified this is an information item and that a Board member may request to schedule a future agenda item to discuss President Young's recusal from matters related to the EEO investigation. There was additional Board comment regarding the incident, due process, the Board's duty to investigate complaints, the working relationship and trust amongst Board members, the desire to remain focused on the work of the District, clarification that Director Chan was not removed from Board Committee assignments and that she voluntarily stepped down as Board Vice-President, and Director Chan's continued concerns with the integrity of the investigation process.

- Addressing the Board was Ivette Rivera who commented on the workplace violence investigation and report, public trust in the Board, the Pierce/Bland lawsuit, a restraining order against an employee regarding a previous incident at the District, and President Young recusing herself from the investigations and stepping down.

General Counsel Derek T. McDonald clarified no restraining order has been filed against the individual referenced by Ivette Rivera.

12.2. Report on the status of the complaint made by Director April Chan against President Marguerite Young.

Interim Vice-President Luz Gómez provided the update on the formal complaint filed by Director Chan on May 22, 2025 against President Young alleging that the investigation into her conduct is motivated by anti-Asian bias, and is in retaliation for her being a whistleblower. The complaint was referred to Vice-President Gómez pursuant to the Board ethics policy. Vice-President Gómez reported she has been in communication with Director Chan and with President Young regarding the best approach to address the complaint. She will update the Board after receiving further details from both parties and any agreement reached.

13. General Manager's Report.

Informational update on statements in Mercury news article dated June 18, 2025, entitled "East Bay MUD investigation finds director was victim of a 'threat of violence'" regarding EBMUD's financial practices and the soil importation project.

General Manager Clifford C. Chan announced he was providing additional information regarding the two items referenced in the Mercury news article at the request of some Board members. The article quoted Director Chan referencing concerns about financial practices, including large fund transfers without Board approval – an issue she previously raised in 2023 regarding capital project appropriation transfers. He clarified that all such transfers are authorized by the Board, including those discussed at the September 12, 2023 Board meeting. He also explained the Board-approved resolution authorizes staff to reallocate unspent capital funds between projects, provided the overall capital budget remains unchanged. The \$279 million referenced in the article was redirected to keep high priority projects approved by the Board on track without seeking additional appropriations from the Board. In September 2023, the Board requested greater visibility into appropriation transfers. Since then, staff has reported individual transfers over \$2.5 million and

aggregate totals for smaller transfers in the General Manager's monthly report. To further support transparency, starting in Fiscal Year 2026, the Board will begin receiving a quarterly report summarizing all transfers. Next, he provided additional background on the soil importation project referenced in the article which staff refers to as the Quarry Project. He reviewed the District's pipeline replacement goals noting challenges with disposing of excavated soils as the miles of pipe replaced have increased. In September 2019, the Board unanimously approved a three-year option agreement with San Leandro Rock Company to evaluate an old quarry site for trench soil use. In March 2021, the Board approved a contract to prepare an environmental impact report for the project. In 2021, staff conducted public outreach with the city of San Leandro, Alameda County and the East Bay Regional Park District and in early 2022 held a public scoping meeting and conducted additional public outreach. The District did not receive concerns about the project until January 2023 when the draft environmental impact report was presented to the Board. Although she expressed difficulty with the decision, Director Chan voiced opposition to the project as did many residents and other stakeholders. At Director Chan's request, the Quarry Project was discussed during a March 2023 Board meeting where staff provided information on the District's trench soil management practices and alternatives. The District elected to not renew its option agreement to purchase the quarry site and withdrew its Conditional Use Permit application with Alameda County. At the March 2023 meeting, there was significant public comment and considerable discussion among Board members. General Manager Chan discussed the Board's proposed actions during the meeting and noted that although no formal Board direction was approved, staff committed to pausing the project and reporting back in a year with an evaluation of alternative trench soil management options. In August 2024, staff presented an update to the Planning Committee, highlighting efforts such as the pilot program to haul trench soils to beneficial reuse sites for restoration purposes. Since then, the District has continued to prioritize beneficial reuse and off-hauling from temporary sites. Director Chan provided her perspective on the \$279 million fund transfer and her interactions with neighbors and stakeholders regarding the Quarry Project. There was Board discussion regarding quotes from the news article. General Manager Chan reiterated that all spending is approved by the Board and no funds were spent without Board authorization. The District's Internal Auditor confirmed that staff has the authority to move appropriations, which is distinct from spending, and this authority is expressly granted by Board resolution. He also reiterated he was providing this information to clarify statements made in the article. There was additional discussion and comments by the Board about the Quarry Project, trench soil management, and Board members' responsibility to represent the interests and concerns of both their constituents and the District. Board members expressed appreciation for Director Chan's leadership and emphasized the importance of ensuring Board statements reported in the media are factual.

- Addressing the Board were the following: 1) Tuan Ngo, Asians Unite Coalition for Community Engagement expressed appreciation and thanked Director Chan for her engagement, and commented on the investigations, Director Chan being a victim of workplace violence, actions taken against her, and the impact on the Asian community; and 2) Kat Wellman EBMUD Ward 7 Standby Officer commented on Director Chan's advocacy during the discussions regarding the Quarry Project, the stakeholders in opposition to the project, and Director Chan's service to her constituents.

General Manager Clifford C. Chan announced the Speakers' Bureau and Outreach Record CY25 had been provided at Board places.

DIRECTOR COMMENTS

14. Other Items for Future Consideration.

None.

15. Director Comments.

- Director Chan reported attending the Contra Costa Mayor’s Conference in San Ramon on June 5 and participating in the San Leandro Cherry Festival Parade on June 7.
- Director Gómez reporting attending the Exchange Club in Danville on June 11 and touring various open-cut reservoirs on June 17.
- Director Lewis reported touring the Central Reservoir, Piedmont Reservoir, and the Upper San Leandro Water Treatment Plant in Oakland on June 13 and requested an update on the reflective roof at one of the reservoirs.
- Director Oddie reported on plans to participate in the virtual Bayside Community meeting on June 25.
- Director Smith reported attending the West County Forum in San Pablo on June 12 where Director of Finance Sophia D. Skoda gave a presentation and the Net Pen salmon and fish release event in Richmond on June 16. She also commented on concerns from a constituent regarding hydrants within a homeowners association property.
- President Young reported on plans to attend the Raining Pride Affinity Group closing event at the Administration Building on June 25 and plans to participate in the July 4th parade in Orinda.
- Director Katz had no report.

ADJOURNMENT

President Young adjourned the Regular Meeting at 2:53 p.m.

SUBMITTED BY:

Rischa S. Cole, Secretary of the District

APPROVED: July 8, 2025

Marguerite Young, President of the Board

BOARD ACTION

Agenda Number:	3.	Meeting Date:	July 8, 2025

TITLE	LIGHTBOX PARCEL DATA AND SOFTWARE LICENSING

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Award a sole source contract beginning on or after July 8, 2025 to LightBox Parent L.P., for supplying Lightbox parcel data, software, and support for five years for a total cost, after the addition of taxes, not to exceed \$492,500.

SUMMARY	The District uses LightBox parcel data and software (formerly LandVision) to support a variety of business operations including tracking real estate transactions, obtaining tax maps, private sewer lateral projects, and identifying customers impacted by District work. This contract will provide parcel data, software licensing and support for five years.

DISCUSSION	The District has used LightBox parcel data and software for the past ten years. The data and software provide accurate and reliable information essential to supporting the work of multiple departments. The software integrates with numerous systems and workflows at the District including the Private Sewer Lateral Program, Web Application Maps, Public Affairs Office mailing, and Real Estate Services transaction tracking. LightBox parcel data and software provides the District with consistent and reliable parcel-based information. This streamlines data sharing at the District, resulting in business process improvements. Numerous business processes rely on LightBox data and tools. The contract contains a requirement that the District indemnify the vendor in select circumstances. The General Manager has reviewed this clause with input from Risk Management and the Office of General Counsel and recommends the Board award the contract. This item supports the District's Long-Term Financial Stability Strategic Plan goal.

VENDOR SELECTION	A sole source contract is recommended for approval because LightBox is the only parcel data vendor that can provide bulk parcel data, streaming GIS feature services, Application Programming Interfaces, and a seamless online application as a complete package.

Originating Department: Information Systems	Department Director or Manager: Orlando W. Leon	CEP Forms? Yes	Board Action Type: Materials and Supplies
Funds Available: FY 2026/2027	Budget Coding: 11.251.1866.8876900.52430		
Attachment(s): P-035; P-061			

Title:	Lightbox Parcel Data and Software Licensing	Meeting Date:	July 8, 2025

SUSTAINABILITY

Economic

The Fiscal Year 2026/2027 adopted operating budget includes funding for the first two years of this multi-year contract. Funding for the additional years will be considered as part of the associated budget development process.

ALTERNATIVE

Select a different parcel data and software vendor. This alternative is not recommended because LightBox Parent L.P.’s data and software are integrated with numerous District applications. Switching to a different provider would not only result in significant labor costs for data conversion, staff retraining, and process adjustments, but would also require engaging multiple vendors to replicate the full range of services currently offered under LightBox’s complete package.

BOARD ACTION

Agenda Number:	4.	Meeting Date:	July 8, 2025

TITLE	TENSION FABRIC STRUCTURE FOR PILOT EQUIPMENT FOR THE WALNUT CREEK PRETREATMENT PROJECT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Award a sole source contract beginning on or after July 8, 2025 to Sprung Structures, Inc. (Sprung Structures) for supplying a tension fabric structure for a total cost, after the addition of taxes, not to exceed \$224,165.

SUMMARY	This agreement is for the fabrication and delivery of a fabric structure that will be used to temporarily house pilot equipment needed to complete water quality testing to inform process decisions as part of the design for the Walnut Creek Water Treatment Plant (WTP) Pretreatment Project. The anchored tension fabric structure will protect the pilot equipment from the elements by means of polyurethane-coated fabric that is flame retardant, insect proof, and resistant to water, mildew and corrosion. Updates for the Walnut Creek WTP Pretreatment Project were presented at the January 9, 2024 Planning Committee meeting and the November 26, 2024 Long-Term Infrastructure Investment Workshop.

DISCUSSION	Pilot equipment was purchased for the District's Water Quality Research Facility (WQRF) under Board Motion Nos. 068-24 and 069-24 in April 2024. The equipment was purchased in advance of construction of the WQRF, currently scheduled for 2029, so that it could be used to test ballasted flocculation and ozone processes that will be installed for the Walnut Creek WTP Pretreatment Project, under Specification 2200, to increase water treatment capacity and improve operational reliability during future droughts and changes in water quality due to climate change. The pilot equipment is scheduled to be delivered and installed at the Walnut Creek WTP in fall 2025. A tension fabric structure is needed to protect the equipment through 2029. This structure will be approximately 40 feet by 50 feet in area, and 27 feet at the tallest point. It will be placed adjacent to the filters and will not be visible to the public. After construction of the permanent WQRF facility at the Walnut Creek WTP, the tensioned fabric structure will be disassembled and relocated for use at the Walnut Creek Raw Water Pumping Plant. This purchase supports the District's Water Quality and Environmental Protection and Long-Term Infrastructure Investment Strategic Plan goals.

Originating Department: Engineering and Construction	Department Director or Manager: Serge V. Terentieff	CEP Forms? Yes	Board Action Type: Materials and Supplies
Funds Available: FY2026; Award #7000090; Vol. 2, Page 161	Budget Coding: 11-557-2014143-55110	Approved: 	
Attachment(s): P-035; P-061			

Title:	Tension Fabric Structure for Pilot Equipment for the Walnut Creek Pretreatment Project	Meeting Date:	July 8, 2025

**VENDOR
SELECTION**

Sprung Structures is the only vendor that can provide a customized tension fabric structure that uses aluminum framing and meets the District's specified dimensions and usage needs. Aluminum framing is specified because it reduces equipment demands and labor costs and provides greater flexibility for assembly, dismantling, and transport.

SUSTAINABILITY**Economic**

Funding for this purpose is available in the FY 2026 adopted capital budget for Treatment Plant Upgrades.

Social

Pilot testing that results from this purchase will enhance the Walnut Creek WTP's ability to treat and improve supplemental water to District's water quality standards.

Environmental

This purchase will enable pilot testing of processes to mitigate the impact of deteriorating raw water quality caused by climate change.

ALTERNATIVE

Do not purchase the structure. This alternative is not recommended because the structure is necessary to house District pilot equipment needed to complete water quality testing prior to construction of a permanent facility. There is not enough space for the equipment to be stored or operated within an existing building at the Walnut Creek WTP.

BOARD ACTION

Agenda Number:	5.	Meeting Date:	July 8, 2025

TITLE	LAKE CHABOT GOLF COURSE PRIVATE WATER SERVICE PIPELINE PLANNING AND DESIGN SERVICES

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 8, 2025 with BKF Engineers in an amount not to exceed \$214,492 for planning and design services for a private water service pipeline for the Lake Chabot Golf Course in Oakland.

SUMMARY	The agreement is for professional planning and engineering design services for a new private water service pipeline that is required because the District is relocating an existing water meter from a difficult-to-maintain location to the public right-of-way.

DISCUSSION	Peralta Reservoir was permanently removed from service and replaced with the new Peralta Regulator to maintain water quality operations in the Peralta Pressure Zone. Relocating the water meter for the Lake Chabot Golf Course, from the former Peralta Reservoir inlet/outlet pipeline to the public right-of-way, is required to provide standard flow and pressure for domestic and fire flow purposes to the Lake Chabot Golf Course. Relocation of the water meter will also allow the District to abandon approximately 2,800 feet of 8-inch, 10-inch, and 16-inch pipeline located in a narrow and difficult to maintain right-of-way within the Lake Chabot Golf Course; the existing water meter is the only service on the inlet/outlet pipeline which has leaked and is in poor condition. Services to be provided under this agreement include site survey, sizing of the private pipeline, and preparing private pipeline design calculations, plans and specifications, and as-built drawings. The schedule to complete the planning and design services is approximately six months. A second agreement will be required with a plumbing vendor to construct the private water service pipeline after completion of the plans and specifications. This project supports the District's Long-Term Infrastructure Investment and Customer and Community Services Strategic Plan goals.

CONSULTANT SELECTION	BKF Engineers was selected from the District's Professional Services Roster, which decreases administrative costs by establishing a list of pre-qualified firms and eliminating the step of pre-qualifying firms independently for each agreement. This list is updated every two years. In developing the roster, staff contacted over 27 firms. BKF Engineers submitted the sole

Title:	Lake Chabot Golf Course Private Water Service Pipeline Planning and Design Services	Meeting Date:	July 8, 2025

proposal and was selected based on their ability to provide the necessary specialized expertise.

Work under this agreement is subject to the payment of current prevailing wages according to determinations for each craft as established by the Director of the Department of Industrial Relations (DIR) of the State of California. BKF Engineers is licensed to perform work in California and is not on the State DIR debarment list. BKF Engineers and its listed subcontractors are properly registered with the State DIR.

SUSTAINABILITY**Economic**

Funding for this purpose is available in the FY 2026 adopted capital budget for the Pressure Zone Improvements.

Social

This type of work is not performed by District forces because it involves work on a private pipeline and consequently, union notification was not required.

Environmental

The authorization of this agreement is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15282 because it involves only feasibility or planning studies for possible future action.

ALTERNATIVE

Do not perform the work. This alternative is not recommended because planning and design services for the private water service line are required to relocate the water service with standard flow and pressure and to abandon 2,800 feet of pipeline in a difficult-to-maintain right-of-way which only serves one customer.

BOARD ACTION

Agenda Number:	6.	Meeting Date:	July 8, 2025

TITLE	PLEASANTON LAKES DIRECT HAUL SOIL TRANSFER AGREEMENT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 8, 2025 with Cahorizon Industries Corporation (Cahorizon) for one year, with two options to renew for additional two-year periods for a total amount, including option years, not to exceed \$3,500,000 to receive trench soil from the District.

SUMMARY	This agreement provides for transfer of trench soil from District construction sites to Cahorizon for beneficial reuse at its Pleasant Lakes Soil Import project.

DISCUSSION	The District generates approximately 50,000 cubic yards (CY) of trench soil annually from the replacement and maintenance of water distribution pipelines. This agreement will allow the District to transfer up to 25,000 CY of trench soil annually to Cahorizon for use as fill material at its Pleasanton Lakes site, a former sand and gravel quarry that is being redeveloped. Located in the City of Pleasanton, the site offers a cost-effective direct haul option for projects in the eastern portion of the District's service area, while also delivering environmental and social benefits. Tipping fees paid to Cahorizon will be per CY of trench soil transferred, with no required minimum commitment for soil delivery. In January 2024, the District began expanding the practice of direct hauling to disposal sites with a corresponding reduction of hauling to District-owned stockpile sites. This agreement would provide an additional disposal location in the eastern portion of the service area. A separate disposal agreement with the Dumbarton Quarry in Fremont is also active. Direct hauling of trench soil reduces hauling time and costs by avoiding double handling. To further reduce costs and reliance on temporary stockpiling sites, the District continues to evaluate alternative trench soil management practices (such as use of native backfill and trenchless construction) along with expansion of direct hauling to additional beneficial reuse locations. This work supports the District's Customer and Community Services, Long-Term Infrastructure Investment, and Water Quality and Environmental Protection Strategic Plan goals.

SERVICE PROVIDER SELECTION	This direct award agreement to Cahorizon is based on Pleasanton Lakes' unique geographic location providing the District with a cost-effective direct haul option in an area where the District currently has no trench soil disposal options other than temporary stockpiling.

Originating Department: Maintenance and Construction	Department Director or Manager: Crystal J. Yezman	CEP Forms? Yes	Board Action Type: General Services
Funds Available: FY2026/2027; Award #7000042; Page 30	Budget Coding: 11.795.3100109.53770	Approved: 	
Attachment(s): P-035; P-061			

Title:	Pleasanton Lakes Direct Haul Soil Transfer Agreement	Meeting Date:	July 8, 2025

SUSTAINABILITY**Economic**

Funding for this purpose is available in the Fiscal Years 2026 and 2027 adopted capital budget for Trench Soils Management.

Social

This type of work is not performed by District forces and consequently union notification was not required.

Environmental

This agreement provides environmental benefits by reducing double handling of trench soil, which reduces greenhouse gas emissions. The Pleasanton Lakes site is permitted by the City of Pleasanton and the impacts of reclaiming the quarry lands were analyzed in the East Pleasanton Specific Plan Environmental Impact Report prepared by the City of Pleasanton pursuant to the California Environmental Quality Act.

ALTERNATIVE

Do not perform the work. This alternative is not recommended because soil removal is a necessary part of pipeline replacement and repair. Direct hauling allows the District to reduce temporary stockpiling and subsequent off-hauling from stockpile sites.

WM=White Male, WW=White Women, EM=Ethnic Minority (Ethnicities: **B**=Black, **H**=Hispanic, **A/PI**=Asian/Pacific Islander, and **AI/AN**=American Indian/Alaskan Native)

BOARD ACTION

Agenda Number:	7.	Meeting Date:	July 8, 2025

TITLE	PINOLE CREEK TOMATO STAND BRIDGE ABUTMENTS

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 8, 2025 with MARC Builders LLC dba MARC Engineering in an amount not to exceed \$340,600 for installation of bridge abutments and associated piles for the Pinole Creek Tomato Stand Fish Passage project.

SUMMARY	The Pinole Creek Tomato Stand Fish Passage project will replace an undersized culvert with a channel-spanning bridge to improve fish passage for steelhead and rainbow trout. This agreement is for the installation of two concrete abutments. The abutments are required for installation of a channel-spanning bridge at the site and to support fish passage elements of the project as designed.

DISCUSSION	The Pinole Creek Tomato Stand Fish Passage Project will address the final fish migration barrier that limits steelhead and rainbow trout access to high-quality spawning and rearing habitat in Pinole Creek at its February 11, 2025 meeting. The Board authorized staff to apply for a grant from the Wildlife Conservation Board for project construction under Resolution No. 35438-25. The District was awarded \$787,000 for purchase of a prefabricated bridge, installation of bridge abutments, and for construction of a fish-friendly channel at the site. Installation of the bridge abutments will be contracted out while most of the project elements will be completed by District staff, including biological monitoring, site excavation, bridge installation, construction of an engineered fish passage channel and site restoration. This project supports the District's Water Quality and Environmental Protection Strategic Plan goal. The services contracted for in the agreement cannot be satisfactorily performed under the District civil service and therefore contracting out is proper.

SERVICE PROVIDER SELECTION	A request for proposal was posted on the District's website and sent to three potential proposers. Three service providers submitted proposals. MARC Builders LLC dba MARC Engineering was selected based on their experience with projects of similar type and scale and for their plan to complete the work in a timely manner and with appropriate environmental protections in a sensitive creek environment.

Originating Department: Natural Resources	Department Director or Manager: Michelle L. Workman	CEP Forms? Yes	Board Action Type: General Services
Funds Available: FY2026, Award#7000070; page 26 vol 2.	Budget Coding: 11-482-2004880-53120	Approved: 	
Attachment(s): P-035; P-061			

Title:	Pinole Creek Tomato Stand Bridge Abutments	Meeting Date:	July 8, 2025

Work under this agreement is subject to the payment of current prevailing wages according to determinations for each craft as established by the Director of the Department of Industrial Relations (DIR) of the State of California. MARC Builders LLC dba MARC Engineering, is licensed to perform work in California, and is not on the State Department of Industrial Relations debarment list. MARC Builders LLC and its listed subcontractors are properly registered with the State DIR.

SUSTAINABILITY**Economic**

Funding for this purpose is available in the Fiscal Year 2026 adopted capital budget for River and Watershed.

Reimbursable grant funding has been secured from the Wildlife Conservation Board in the amount of \$787,000 for the construction phase of the project.

Social

Local 444 was notified of this agreement on April 22, 2025 and did not raise any specific issues related to this agreement.

Environmental

The project will have environmental benefits including resource conservation and mitigation of climate change impacts. The project will also help the District meet biological goals of the EBMUD East Bay Low Effect Habitat Conservation Plan.

A California Environmental Quality Act (CEQA) Notice of Exemption was filed with the Contra Costa County Clerk on February 25, 2025. The project is exempt from the requirements of the CEQA under Section 15333 of the CEQA Guidelines because it is a small habitat restoration project.

ALTERNATIVES

Complete abutment installation with District forces. This alternative is not recommended because District carpenters have evaluated the project and cannot install the abutments in the timeframe required by environmental permit seasonal restrictions.

Replace the failing culvert in kind. This alternative is not recommended because the District is required by state regulators to address fish passage conditions at road crossings in fish bearing streams. Replacing the culvert in kind is not consistent with District stewardship values and would not be allowed under the requirements of the grant funding received for the project.

BOARD ACTION

Agenda Number:	8.	Meeting Date:	July 8, 2025

TITLE	ORO LOMA SANITARY DISTRICT/EAST BAY MUNICIPAL UTILITY DISTRICT BAYSIDE WELL FACILITIES DEMOLITION AGREEMENT

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement between the Oro Loma Sanitary District (OLSD) and East Bay Municipal Utility District (EBMUD) to allow OLSD to remove and demolish the EBMUD Bayside well system and related components (Bayside well facilities) located on OLSD's property and for EBMUD to reimburse OLSD for all reasonable costs related to the demolition in an amount not to exceed \$842,561.

SUMMARY	EBMUD previously leased property from OLSD for the EBMUD Bayside well facilities pursuant to a lease agreement that expired on August 31, 2024. Since the lease expired, EBMUD has been leasing the property on a month-to-month basis under the agreements' holdover provision to complete demolition of the Bayside well facilities on OLSD property. EBMUD and OLSD subsequently reached a tentative agreement that OLSD will complete the demolition instead of EBMUD because OLSD prefers to expedite the demolition. The OLSD/EBMUD Bayside Well System Demolition Agreement would make OLSD responsible for the demolition of nearly all the EBMUD Bayside well facilities on the property and EBMUD would be responsible for reimbursing OLSD for all reasonable costs up to \$842,561.

DISCUSSION	EBMUD entered into a lease agreement with OLSD on September 26, 1997 to use OLSD's property for the EBMUD Bayside well facilities which include the injection/extraction well and related equipment, four monitoring wells, and distribution pipeline. On September 1, 2019, the lease agreement was amended to extend for five years until August 31, 2024. After the lease expired, EBMUD continued leasing the property on a month-to-month basis under the holdover provision to complete demolition of the Bayside well facilities on OLSD property. In May 2024, EBMUD posted a Request for Proposals (RFP) to hire a contractor to conduct the demolition of Bayside well facilities. However, no bids were received, primarily because the contractors who considered bidding were only interested in the well destruction component of the project and not the remaining demolition work. EBMUD planned to repost the demolition RFP in fall 2025 and to complete the demolition by May 2026. On March 27, 2025, OLSD sent a letter to EBMUD stating they can no longer accommodate EBMUD's month-to-month lease and that they would terminate the lease on April 30, 2025. OLSD further said that pursuant to the lease agreement, EBMUD would have 180 days after

Originating Department: Water and Natural Resources	Department Director or Manager: Alice E. Towey	CEP Forms? N/A	Board Action Type: Administrative
Funds Available: FY 2026	Budget Coding: 11.455.8403000.52310		
Attachment(s): N/A			

Title:	Oro Loma Sanitary District/East Bay Municipal Utility District Bayside Well Facilities Demolition Agreement	Meeting Date:	July 8, 2025

lease termination (until October 28, 2025) to complete the removal and demolition of the Bayside well facilities. EBMUD and OLSD subsequently agreed that OLSD will complete the demolition using contractors hired by OLSD instead of EBMUD because OLSD wanted to expedite the demolition project. If EBMUD were to complete the demolition, EBMUD had informed OLSD that the project would be finished by May 2026.

Under the terms of the agreement, OLSD will be responsible for removing and demolishing nearly all of the Bayside well facilities. However, EBMUD will be responsible for disconnecting and end capping EBMUD's distribution pipeline at the OLSD property-line and for removing and salvaging any equipment deemed salvageable. OLSD's responsibilities for the demolition include:

- Demolishing the Bayside injection/extraction well and four monitoring wells
- Demolishing and disposing of all non-salvageable EBMUD-owned structures
- Removing and disposing of all non-salvageable EBMUD-owned equipment and utilities
- Excavating and removing approximately 160 feet of distribution pipeline

OLSD will prepare all plans and specifications consistent with EBMUD's standards and specifications and will consult with EBMUD throughout the demolition project. EBMUD will be responsible for reimbursing OLSD for all reasonable costs which includes the cost of the construction contract(s) for the project, and reasonable OLSD staff time to prepare the plans and specifications, competitively bid the project, and supervise and manage the construction. OLSD plans to initiate the demolition by fall 2025. Any OLSD costs for miscellaneous labor (estimated at \$14,800), construction change orders (estimated at \$90,826), and contingency (estimated at \$69,633) must be reviewed and approved by EBMUD.

SUSTAINABILITY

Economic

OLSD estimates that the demolition will cost up to \$842,561. EBMUD has funding available for the demolition in its operating budget for Fiscal Year 2026. If the lowest bid for the project is 10% or more than OLSD's cost estimate, EBMUD and OLSD will meet and confer to determine whether to adopt an alternate means of completing the demolition.

Environmental

A California Environmental Quality Act (CEQA) Notice of Exemption was filed with the Alameda County Clerk on March 22, 2024. The project is exempt from the requirements of the CEQA under section 15301(b) because the project involves minor alterations to existing public utility facilities and will not expand the existing use. Additionally, the work is exempt under section 15304 because the project will involve only minor alterations such as trenching and minor grading of the site and will not involve the removal of trees. There is no reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances, and the project is not subject to the exceptions in CEQA Guidelines section 15300.2.

Title:	Oro Loma Sanitary District/East Bay Municipal Utility District Bayside Well Facilities Demolition Agreement	Meeting Date:	July 8, 2025

ALTERNATIVE

Do not authorize the agreement. This alternative is not recommended because the lease agreement between EBMUD and OLSD contains provisions that require removal of all EBMUD equipment and improvements from OLSD’s property upon lease termination.

BOARD ACTION

Agenda Number:	9.	Meeting Date:	July 8, 2025

TITLE	PRIVATE WATER SERVICE LINE REPAIR PLANS MARKETING PARTNERSHIP

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an agreement beginning on or after July 8, 2025 with United Service Partners Private Label, Inc. dba SLWA Insurance Services, a HomeServe Company (HomeServe) for three years, with four options to renew for additional one-year terms to allow HomeServe to use the EBMUD logo and branding to market its private water service line repair plans to District customers in exchange for payment to the District in the total amount of \$4,200,000.

SUMMARY	To support the increasing participation in the District's Customer Assistance Program (CAP), the District selected HomeServe as a partner to market their Private Water Service Line Repair Plans (Plans) directly to District customers using the EBMUD logo and branding in exchange for an annual flat fee. The non-rate revenue being generated from this partnership will provide additional funding for the District's CAP.

DISCUSSION	The District's CAP provides eligible low-income customers with a discount on their water bill. The CAP has seen a 17 percent increase in participation over the past 18 months with over 11,000 active accounts. The partnership with HomeServe provides an opportunity for the District to increase its non-rate revenue needed to fund CAP and was discussed at the June 24, 2025 Finance/Administration Committee meeting. HomeServe has provided water service line repair services in North America since 2003. HomeServe offers plans that help customers offset emergency repair costs associated with the private water service lines. Under a partnership with a utility, HomeServe pays the utility a negotiated fee for the use of the utility's logo and branding to market these Plans to the utility's customers. The partnership between the District and HomeServe would allow them to use the EBMUD logo and branding to market their plans directly to District customers. Any marketing material used by HomeServe will be reviewed and approved by the District prior to distribution. HomeServe is responsible for acquiring customer information independently but can work with the District to validate the information to ensure only customers eligible for the Plans receive the marketing materials. HomeServe is responsible for responding to customer inquiries 24 hours a day, 365 days a year through its call center, handling customer billing, receiving and vetting claims, and dispatching local licensed and qualified contractors to customers' homes to resolve their issues. All repairs

Originating Department: Customer and Community Services	Department Director or Manager: Andrew L. Lee	CEP Forms? N/A	Board Action Type: Administrative
Funds Available: N/A	Budget Coding: N/A	Approved: 	
Attachment(s): N/A			

Title:	Private Water Service Line Repair Plans Marketing Partnership	Meeting Date:	July 8, 2025

and replacements are under a one-year warranty. Over the past three years, HomeServe received 32,000 post-claim surveys in California with an average 4.8 out of 5 star rating.

HomeServe will offer comprehensive coverage for District customers that includes unlimited claims up to \$12,000 per water service line claim. The price of the plan will be \$2.99 per month for the first year and \$3.49 per month for subsequent years.

HomeServe will provide District customers access to HomeServe Cares which offers pro-bono repairs for low-income customers who need an emergency repair but are not enrolled in a Plan or cannot afford the repairs. HomeServe Cares leverages the company's existing service infrastructure and financial resources to provide this aid to customers in need.

This partnership supports the District's Long-Term Financial Stability and Customer and Community Services Strategic Plan goals.

**SERVICE PROVIDER
SELECTION**

A request for proposal was posted on the District's website and sent to two potential proposers. The District received two proposals. HomeServe was selected based on having met all the District's business and technical requirements and offered a partnership fee of \$600,000 annually for the use of the District's logo and branding.

SUSTAINABILITY**Economic**

This partnership will generate \$600,000 annually in non-rate revenue. Customers enrolled in these Plans will also benefit from the reduced financial impacts if a repair or replacement of their exterior private water line is needed.

Social

The non-rate revenue generated will allow the District to enroll an additional 1,400 eligible households in CAP.

Environmental

Customers enrolled in these Plans can make immediate repairs to address issues such as leaks.

ALTERNATIVE

Do not authorize this agreement. This alternative is not recommended because it would reduce the funding for CAP and limit the District's ability to increase CAP enrollments.

I:\Sec\2025 Board Related Items\070825 Board Agenda Items\CCS - Private Water Service Line Repair Plans Marketing Partnership.docx

BOARD ACTION

Agenda Number:	10.	Meeting Date:	July 8, 2025

TITLE	PHASE 2 COLLABORATION AGREEMENT WITH UNIVERSITY OF CALIFORNIA, BERKELEY CENTER FOR SMART INFRASTRUCTURE

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize a second agreement beginning on or after July 8, 2025 with The Regents of the University of California in an amount not to exceed \$2,805,214 for conducting 10 research projects with researchers at the University of California, Berkeley (UCB) Center for Smart Infrastructure (CSI) with the goal to improve the resilience of the District's infrastructure.

SUMMARY	The Phase 2 Agreement includes 10 new research projects between UCB CSI and District staff to research and develop smart infrastructure solutions to address challenging areas of interest in both water and wastewater infrastructure systems. The research projects will develop solutions and test emerging technologies, such as materials and infrastructure performance, remote sensing and monitoring, and predictive modeling and risk assessment. These projects will strengthen infrastructure resilience, improve system efficiency, and ensure long-term reliability in response to environmental and operational challenges. The Project Exhibit Summary (attached Table 1) provides details on the scope of work, and justification, for each project. An update on the CSI, including goals and benefits of the District's partnership with UCB, other contributing partners, and highlights of Phase 1 and Phase 2 projects was discussed at the July 8, 2025 Planning Committee meeting.

DISCUSSION	The District and UCB established the CSI in 2021 to collaborate on initiatives addressing challenges in the water and wastewater sector. The Phase 1 Agreement, for an amount not to exceed \$1,500,000, was authorized under Board Motion No. 181-21 on October 26, 2021 and included the development of the CSI's large-scale pipeline testing facility and workshops that connected District staff, partnering utilities, and UCB staff to identify water and wastewater utility challenges and develop focus areas for research opportunities. The Phase 1 Agreement also developed a new UCB undergraduate course that provides UCB students with exposure to water and wastewater design, construction, water resources, and operation practices and provides internship opportunities. The Phase 1 Agreement was completed in May 2025. The Phase 2 Agreement expands the same Phase 1 Agreement research initiatives to address infrastructure and operational challenges caused by aging systems, natural hazards, and climate change. The Phase 2 Agreement will consolidate research and innovation experts

Originating Department: Engineering and Construction	Department Director or Manager: Serge V. Terentieff	CEP Forms? No	Board Action Type: Professional Services
Funds Available: FY2026; Awards #7000185 and #7000329, Pages 82 and 192	Budget Coding: 11-534-3100039-52310 21-900-3100081-52310		
Attachment(s): Project Exhibit Summary			

Title:	Phase 2 Agreement with Center for Smart Infrastructure at University of California, Berkeley	Meeting Date:	July 8, 2025

across all UCB departments and programs to support the District's priorities and enhance overall project delivery.

The agreement contains a mutual indemnification clause requiring the Parties indemnify the other in select circumstances. The General Manager has reviewed this clause with input from Risk Management and the Office of General Counsel and recommends the Board authorize the agreement.

This agreement supports the District's Long-Term Infrastructure Investment and Long-Term Water Supply Strategic Plan goals.

**CONSULTANT
SELECTION**

The District selected the UCB CSI for a direct award for services to conduct 10 research projects, in collaboration with UCB researchers, District staff, and other partners with the goal of researching and developing smart infrastructure solutions to address challenges and improve the District's water and wastewater systems. The UCB CSI was selected based on their qualifications and expertise and being uniquely qualified to provide the services required to complete the 10 research projects summarized in Table 1 (attached).

SUSTAINABILITY**Economic**

Funding for this purpose is available in the Fiscal Year 2026 adopted capital budget for Mokelumne Aqueducts Number 2 & 3 Relining and Wet Weather Facilities.

Social

This type of work is not performed by District forces and consequently union notification was not required.

UCB, as a public agency, is exempt from the Contract Equity Program process.

Social benefits of the CSI include increased operational reliability of the District's pipeline, water storage, and wastewater infrastructure and – as a result – potential for reduced impacts to the community.

Environmental

The CSI will support sustainable practices including installation of resilient infrastructure, mitigating climate change impacts, and compliance with environmental laws and regulations.

ALTERNATIVE

Do not authorize the agreement. This alternative is not recommended because the research outcomes will provide solutions that enhance operational reliability while aligning with the District's priorities, delivering significant benefits to both the District and its customers.

Phase 2 Agreement Project Summary

Project Name	Cost	Project Scope	Justification
Cement Mortar Lining (CML) Study	\$138,030	Thermal and cyclic testing of CML mix designs using engineered cementitious composite materials and fibers for improved liner performance.	The existing Mokelumne Aqueduct CML along the aboveground sections, which accounts for approximately 10 miles across the Delta, is in poor condition with some exposed steel pipe wall. Improved CML mix design will increase the design life of the lining and reduce maintenance costs.
Monitoring Settlement of the Mokelumne Aqueducts from Space	\$300,756	Remote monitoring of Mokelumne Aqueduct settlement.	Failure of temperature anchors are costly to repair. Satellite monitoring could allow for early identification of problem anchors, and replacement of anchors before pipeline failure and unplanned shutdowns.
Distribution System Likelihood of Failure (LOF) and Consequence of Failure (COF) Model ^{1,2}	\$161,246	Develop an LOF model that can forecast pipeline degradation and COF model to predict risk and impact.	Current risk models to calculate LOF exist but do not forecast pipeline degradation rates. More information is needed to inform future pipeline replacement rates for the District's capital program. The study will also assist with future pipeline replacement selections.
Unlined Spillway Channel Performance and Upgrades	\$832,240	Develop predictive models for erosion potential of unlined spillways and develop effective approaches to mitigate erosion scour.	Camanche and Pardee Reservoirs have unlined spillways that have potential to experience significant erosion during large flood events. The flows that drive erosion are predicted to worsen over time due to climate change and previous flows have already resulted in significant erosion of these spillway channels. The District needs to quantify the erosion potential and impacts to spillway operational safety.
Embankment Dam Fragility Curves and Post-Earthquake Response	\$619,751	Develop a process for constructing site-specific embankment dam fragility curves, develop new post-earthquake inspection criterion based on more appropriate Intensity Measurements and site-specific fragility models, and develop a program to deploy real-time earthquake performance monitoring.	The District maintains 22 earthen dams located in the highly seismically active East Bay. This study will develop a post-earthquake inspection criterion and monitoring program. This study will provide an enhanced estimate of seismic performance to support rapid risk assessments following an earthquake.
Updating Empirical Pipeline Fragility Curves for Seismic Resilience Improvement of Water Systems ^{1,2}	\$133,140	Update empirical seismic fragility curve for seismic resilience evaluation, resulting in a GIS-based tool that will assign risk of failure against ground movements for the District's pipelines.	Existing fragility curves used by water utilities to estimate pipeline seismic performance are based on limited data. This study will incorporate new data and improve the District's understanding of pipeline seismic performance, so that future pipelines be designed to increase likelihood of remain in service during and after such events.
Untethered Video Inspection of Sanitary Sewer Systems	\$137,980	Develop a prototype Roly Poly Balls (RPB) capable of identifying its location within a sewer main, measuring localized flow velocity, and determining the corresponding water depth during an investigation.	The District is currently operating under the requirements of the Wet Weather Consent Decree, which requires the District to perform inspections of the regional wastewater collection system to find sources of inflow and infiltration. The deployment of RPB's will address this requirement for regulatory compliance.

Distribution Pipeline Performance in Landslide Zones	\$402,347	Integrate geospatial data and water distribution system failure data to create a predictive regional landslide model that can be used to prioritize pipeline replacement activities and inform hazard resilience level.	Some of the District's water distribution system is located within active slow-moving landslide hazard areas that are also susceptible to earthquake-induced landslides. In addition, the impacts of landslides on performance of underground infrastructure and observed damage are not well understood. Research is needed to monitor, evaluate, and model slow-moving landslides and the impact to pipeline performance.
US Pipe Field Lok Gasket Testing ^{2,3}	\$42,365	Test performance of Field Lok gasket to assess its use in higher geohazard areas.	The District recently adopted the use Field Lok restrained gaskets with ductile iron pipe and fittings in areas with low to moderate geohazards to improve installation efficiency and reduce cost. Performance testing is needed to potentially expand its use to higher geohazard areas.
Cured-in-place Pipe (CIPP) State of Science Review ²	\$37,359	Compile an analysis of CIPP's performance post installation and identify areas that need additional research/testing and improvement in CIPP lining technology, especially relating to the long-term performance of CIPP liners.	Recent evaluation of the District's CIPP pilot projects identified several areas of concern that need additional research. An updated review of the current state of science and utility experience is needed to inform the District's future use of CIPP liners, which is a pipe renewal strategy that produces less trench soil.

BOARD ACTION

Agenda Number:	11.1-11.2.	Meeting Date:	July 8, 2025

TITLE	DISPOSAL AND RECYCLING OF DISTRICT ASPHALT, CONCRETE, AND ASPHALT GRINDINGS

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED
ACTION

- Authorize nine agreements beginning on or after July 8, 2025 with Carone and Company, Inc. dba Diablo Valley Rock; Argent Materials Inc.; County Quarry Products, LLC; Nor-Cal Rock Inc.; Dutra Materials; Gallagher & Burk Inc.; DeSilva Gates Aggregates; Vulcan Materials Company; and Bee Green Recycling & Supply, LLC for disposal and recycling of District asphalt, concrete, and asphalt grindings in an aggregate amount not to exceed \$780,000 annually for three years with two options to renew for additional one-year periods, for a total amount not to exceed \$3,900,000.
- Authorize additional agreements with other disposal and recycling service providers, on an as-needed basis and subject to the total aggregate amount authorized by the Board for such services on July 8, 2025, with service providers that meet District standards and offer pricing at or below the range in the proposed agreements with the service providers above to increase flexibility and ensure service provider availability. The Board of Directors will be notified of additional qualified service providers by means of the General Manager's monthly report.

SUMMARY

This authorization provides continuation of disposal and recycling of District asphalt, concrete and asphalt grindings related to pipeline construction and other construction or maintenance excavations.

DISCUSSION

The District annually disposes and recycles more than 30,000 cubic yards of asphalt, concrete, and asphalt grindings removed from construction project sites throughout the service area. Service providers have been utilized for this service for over 20 years. Service providers combine recycled asphalt and concrete with new aggregates, asphalt, and/or recycling agents, to create products for new construction. Disposal and recycling sites are geographically dispersed within the service area to minimize hauling distances. This service supports the District's Long-Term Infrastructure Investment Strategic Plan goal.

SERVICE PROVIDER
SELECTION

Staff identified nine geographically diverse sites within the District service area that take asphalt, concrete, and asphalt grindings and recycle the materials resulting in direct awards. Costs to dispose and recycle can vary and the ability to choose from various sites provides alternatives to reduce costs by shortening haul routes. By awarding to multiple sites, staff can

Originating Department: Maintenance and Construction	Department Director or Manager: Crystal J. Yezman	CEP Forms? Yes	Board Action Type: General Services

Title:	Disposal and Recycling of District Asphalt, Concrete, and Asphalt Grindings	Meeting Date:	July 8, 2025

select the least costly alternative based on both disposal fee and travel time. If additional sites are later identified, they will be added to the list to ensure that the most cost-effective opportunities are achieved.

SUSTAINABILITY**Economic**

Funding for this purpose is available in the Fiscal Year 2026 and 2027 adopted operating and capital budgets for Pipeline Rebuild, Pipeline System Extensions, Pipeline Relocations, and Pipeline System Improvements. Funding for the additional years will be considered as part of the associated budget development process.

Social

This type of work is not performed by District forces and consequently union notification was not required. The District does not own any sites for the disposal and recycling of District asphalt, concrete, and asphalt grindings.

Environmental

This authorization supports proper management of District-generated asphalt, concrete, and asphalt grindings including creating recycled products for the local construction market.

ALTERNATIVE

Stockpile asphalt and concrete on District sites for future contract removal and disposal. This alternative is not recommended because this would result in higher disposal and recycling fees due to inefficient double handling of materials.

AFFIRMATIVE ACTION SUMMARY (P-061)

(Completed by District)

This summarizes information provided by the contractor(s)' P-025 Form regarding their workforce.

[illegible]

This page is intentionally left blank.

BOARD ACTION

Agenda Number:	12.	Meeting Date:	July 8, 2025

TITLE	AMEND AGREEMENT FOR EQUAL EMPLOYMENT OPPORTUNITY INVESTIGATION SERVICES

ACTION	☒ Motion:	☐ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Authorize an amendment to the agreement originally authorized under Purchase Agreement No. AGR401360 with Oppenheimer Investigations Group LLP to increase the agreement amount by \$40,000 to a total amount not to exceed \$120,000 for equal employment opportunity (EEO) and workplace investigation services in limited scenarios.

SUMMARY	In accordance with its obligations as an EEO employer and in compliance with state and federal laws, the District conducts investigations into complaints of discrimination, harassment, and retaliation to prevent and address unlawful employment practices and to promote a fair and inclusive workplace. These investigations are conducted in accordance with District Procedure 614 – Equal Employment Opportunity Discrimination, Harassment and Retaliation Complaints, Investigations and Appeals through a pool of prequalified external investigators. The District also investigates issues that do not rise to the level of EEO policy violations but do require investigation from a neutral third party. In order to complete these investigations in a timely manner additional services are required from Oppenheimer Investigations Group LLP beyond the originally authorized agreement amount.

DISCUSSION	In December 2024, Oppenheimer Investigations Group LLP was retained under Purchase Agreement No. AGR401360 to provide EEO investigation services in an amount not to exceed \$30,000. In June 2025, the agreement was amended under the General Manager’s authority for an additional \$50,000, for a total amount not to exceed \$80,000. This amendment will increase the agreement amount by \$40,000 to a total amount not to exceed \$120,000. This work supports the District’s Workforce Planning and Development Strategic Plan goal by ensuring the District’s workplace is free from EEO harassment, discrimination, and retaliation.

CONSULTANT SELECTION	The original agreement was recommended as a direct award due to Oppenheimer Investigations Group LLP’s qualifications to work on complex EEO investigation and Alternative Dispute Resolution issues, and having the immediate availability to respond in a timely manner.

Attachment(s): P-035; P-061			

Title:	Amend Agreement for Equal Employment Opportunity Investigation Services	Meeting Date:	July 8, 2025

SUSTAINABILITY**Economic**

The FY 2026 adopted operating budget does NOT include funding for this unplanned expense. The fiscal impact associated with this action will be absorbed within the existing budget appropriation.

Social

This type of work is not performed by represented District forces and consequently union notification was not required.

ALTERNATIVE

Do not authorize the amendment. This alternative is not recommended because the investigation of EEO complaints is a federal requirement. Oppenheimer Investigations Group LLP has already been approved as a District vendor and is familiar with District policies and procedures related to EEO investigations.

BOARD ACTION

Agenda Number:	13.1.-13.3.	Meeting Date:	July 8, 2025

TITLE	TRANSFER DELINQUENT EBMUD CHARGES TO THE ALAMEDA AND CONTRA COSTA COUNTIES' 2025-2026 PROPERTY TAX ROLLS

ACTION	☐ Motion:	☒ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	- Conduct a public hearing to consider objections and protests to the General Manager's report to Transfer Delinquent EBMUD Charges to the 2025-2026 Property Tax Roll. - Adopt the General Manager's Report (Report) dated June 10, 2025, and authorize the General Manager to exclude from the report any affected parcels or amounts as appropriate, including those that the District receives payment for on or before August 10, 2025, the date in which the report will be sent to Alameda and Contra Costa counties. - Authorize the transfer of delinquent EBMUD charges to the Alameda and Contra Costa counties' 2025-2026 Property Tax Rolls.

SUMMARY	The Report was filed with the Board on June 10, 2025. Since the filing of the Report, the District has received and may continue to receive payments on affected parcels. Staff recommends the Board authorize the General Manager to file a final Report with the counties, excluding the following: - Any Assessor's Parcel Number (APN) and delinquent charges excluded by the Board at the Public Hearing on July 8, 2025 - Any APN and delinquent charges excluded by the General Manager after July 8, 2025 - Any APN and delinquent charges paid to the District on or before August 10, 2025

DISCUSSION	The District has the authority under Municipal Utility District (MUD) Act Section 12811.1 to collect charges that have become delinquent by lien filings or by transferring the delinquent amounts to the parcel owner's property tax bills. This authority is being used to collect from owner-occupied single-family residential (SFR) accounts with charges of \$50 or more and from multi-family residential (MFR) accounts with charges of \$100 or more. The District uses this authority in lieu of terminating water services of owner-occupied SFR and MFR accounts when the customer of record fails to pay delinquent charges. MUD Act Section 12811.1(c)(3) provides that the General Manager shall transfer owner-occupied SFR and MFR delinquent charges to the property tax roll on or before August 10. Staff recommends owner-occupied SFR and MFR delinquent charges that remain unpaid by August 10, 2025, be transferred to the 2025-2026 Property Tax Rolls of Alameda and Contra Costa counties.

Originating Department: Customer and Community Services	Department Director or Manager: Andrew L. Lee	CEP Forms? N/A	Board Action Type: Financial
Funds Available: N/A	Budget Coding: N/A		Approved: 
Attachment(s): Report and Recommendation of the GM to Transfer Unpaid Liens for Delinquent Charges to Alameda County 2025-2026 Property Tax Roll dated June 10, 2025; Resolution			

Title:	Transfer Delinquent EBMUD Charges to the Alameda and Contra Costa Counties 2025-2026 Property Tax Rolls	Meeting Date:	July 8, 2025

The District filed a total of 2,140 liens on parcel owners' properties for unpaid delinquent charges between July 1, 2024, and June 30, 2025.

For owner-occupied SFR accounts, the District filed 1,117 liens totaling \$1,959,158.19. Of this amount, 846 liens affecting 846 parcels remain unpaid, representing \$1,718,331.46 in delinquent charges. Within that total, Alameda County accounts for 539 delinquent parcels totaling \$1,152,994.47 and Contra Costa County accounts for 307 delinquent parcels totaling \$565,336.99.

For MFR accounts, the District filed 1,023 liens totaling \$2,346,461.86. Of these, 907 liens affecting 609 parcels remain unpaid, representing \$2,193,040.10 in delinquent charges. Within that total, Alameda County accounts for 531 delinquent parcels totaling \$1,921,088.69, and Contra Costa County accounts for 78 delinquent parcels totaling \$271,951.41.

The Report filed with the Board on June 10, 2025, identified 846 affected parcels that remain unpaid with a total of \$1,718,331.46 for owner-occupied SFR accounts and 609 affected parcels that remain unpaid with a total of \$2,193,040.10 for MFR accounts in delinquent charges; these charges are recommended for transfer to the Alameda and Contra Costa counties' 2025-2026 Property Tax Rolls. The Board will receive updates to the Report on July 8, reflecting payments received after June 10, 2025, and remaining affected parcels.

State law requires a public hearing be held before unpaid delinquent charges are transferred to the property tax roll, and owners of affected parcels must be given 14 days' advance notice of the specific day, time, and place of the public hearing. Notices of the July 8, 2025 public hearing were mailed to the property owners of 1,455 affected parcels on or before June 17, 2025, in accordance with California Government Code Section 6066, and the District published a notice of the public hearing in the newspapers of general circulation in the counties on June 20, 2025, and June 27, 2025. A summary of the final Report will be included in the August 2025 General Manager's Monthly Report.

This action supports the District's Long-Term Financial Stability Strategic Plan goal.

SUSTAINABILITY

Economic

The District expects to recover approximately 85 to 90 percent of unpaid delinquent charges for both owner-occupied SFR and MFR accounts in Fiscal Year 2026 after transferring them to the counties' 2025-2026 Property Tax Rolls. For owner-occupied SFR accounts, this represents an estimated recovery of \$1,460,581.74 to \$1,546,498.31; and for MFR accounts, \$1,864,084.09 to \$1,973,736.09. This program supports fiscal responsibility and benefits the District and its ratepayers by recovering unpaid delinquent customer charges. The delinquent charges will be paid by the property owner through property taxes or when the property is sold.

Title:	Transfer Delinquent EBMUD Charges to the Alameda and Contra Costa Counties 2025-2026 Property Tax Rolls	Meeting Date:	July 8, 2025

Social

For both MFR and owner-occupied SFR accounts and, the lien process is an effective alternative to terminating water service when the customer of record fails to pay delinquent charges – ensuring water services are maintained.

ALTERNATIVE

Do not transfer the unpaid delinquent charges to the 2025-2026 property tax rolls. This alternative is not recommended because the District would not recover a substantial amount of revenue owed for services provided.

This page is intentionally left blank.

***File Report and Recommendation of the General
Manager to Transfer Unpaid Liens for Delinquent
Charges to Alameda and Contra Costa Counties’
2025-2026 Property Tax Rolls***

EAST BAY MUNICIPAL UTILITY DISTRICT

DATE: June 10, 2025

MEMO TO: Board of Directors

FROM: Clifford C. Chan, General Manager

SUBJECT: File Report and Recommendation of the General Manager to Transfer Unpaid Liens for Delinquent Charges of Owner-Occupied Single-Family Residential and Multi-Family Residential Accounts to Alameda and Contra Costa Counties' 2025-2026 Property Tax Rolls

The District has the authority under the Municipal Utility District Act Section 12811.1 to file liens for, and to transfer unpaid delinquent charges to the property tax rolls of parcel owners. This authority applies to charges of \$50 or more for owner-occupied single-family residential (SFR) accounts, and \$100 or more for multi-family residential (MFR) accounts to the parcel owner's property tax bill. The use of this authority allows the District to avoid terminating water service where the customer of record has failed to pay their EBMUD bill. In place of terminating water service for owner-occupied SFR and MFR accounts, the District collects delinquent charges by filing liens and transferring any unpaid delinquent charges to the property tax rolls once a year.

Staff is recommending the transfer to the 2025-2026 property tax rolls as follows:

- Owner-Occupied SFR Accounts:
 - Alameda County: \$1,152,994.47 across 539 parcels (Attachment 1)
 - Contra Costa County: \$565,336.99 across 307 parcels (Attachment 2)
- MFR Accounts:
 - Alameda County: \$1,921,088.69 across 531 parcels (Attachment 3)
 - Contra Costa County: \$271,951.41 across 78 parcels (Attachment 4)

The reports list each affected property by Assessor's Parcel Number (APN) and the amount of unpaid delinquent charges recommended for transfer to the owner's property tax bill. The total unpaid delinquent charges include processing fees for lien and property tax bill collection under District Rate Schedule C, Section D.

A public hearing on the recommendations contained in these reports is scheduled on July 8, 2025, for the Board to receive any objections or protests to the reports. The Board is also scheduled to consider adoption of the reports at its July 8, 2025 meeting.

The District will submit an electronic version of the reports to Alameda and Contra Costa counties by August 10, 2025. The electronic files will exclude any parcels with delinquent charges that were paid to the District on or before August 10, 2025, and other exclusions determined by the Board at the public hearing scheduled on July 8, 2025.

Office of General Counsel

RESOLUTION NO. _____

APPROVING TRANSFER OF UNPAID DELINQUENT CHARGES TO
THE ALAMEDA AND CONTRA COSTA COUNTIES' 2025-2026 PROPERTY TAX ROLLS

Introduced by Director _____ ; Seconded by Director _____

WHEREAS, the East Bay Municipal Utility District (District) approved the Program for Delinquent Charge Collection Through Liens and Property Tax Bills for Multi-Family Accounts (the Program) effective January 1, 2011, pursuant to Section 12811.1 of the Municipal Utility District Act (MUD Act); and

WHEREAS, on December 10, 2024, the Board of Directors adopted Resolution No. 35431-24 to authorize the collection of delinquent charges from owner-occupied single-family residential (SFR) accounts pursuant to Section 12811.1 of the MUD Act; and

WHEREAS, the District intends to collect from multi-family residential (MFR) customers and from owner-occupied SFR customers, delinquent fees, tolls, rates, rentals, or other charges for services (delinquent charges) by lien filings and annual transfers of delinquent charges to the property tax rolls in lieu of service termination; and

WHEREAS, on May 23, 2025, the District mailed to MFR and SFR customers of record with delinquent charges and corresponding property owners notices of intent to transfer delinquent charges from unpaid liens to the property tax bills; and

WHEREAS, on June 10, 2025, and again on July 8, 2025, the General Manager filed with the District's Board of Directors (Board) the Report and Recommendation of the General Manager to Transfer Unpaid Delinquent Charges to the 2025-2026 Property Tax Rolls (Report), copies of which are on file with the Secretary of the District and available for public inspection and review; and

WHEREAS, on July 8, 2025, the Board conducted a public hearing, noticed in the manner and for the time required by law, at which time all interested persons were afforded an opportunity to be heard on matters pertaining to the transfer of delinquent charges from unpaid liens to the property tax rolls, as well as to the Report; and

WHEREAS, all comments, objections, and protests to the Report have been given full opportunity to be heard by the Board, and the Board has fully considered the Report;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the East Bay Municipal Utility District as follows:

1. Incorporation of Recitals. The Recitals set forth above are incorporated herein and made an operative part of this Resolution.

2. Objections Heard and Report Approved. Any objections and protests to the Report and Recommendation of the General Manager to Transfer Unpaid Delinquent Charges to the 2025-2026 Property Tax Rolls have been heard and said Report is hereby accepted and approved as final; provided, however, that the General Manager or his designee is hereby authorized to revise the Report prior to submitting it to the Auditor-Controllers of Alameda County and Contra Costa County in order to reflect: (i) the payment of delinquent charges, in whole or in part, for any of the parcels identified in the Report, or (ii) any other downward adjustments applicable to any of the parcels identified in the Report for any other appropriate reason, such as correction of error.
3. Filing of the Report with the Counties. On or before the 10th day of August 2025, the General Manager or his designee is hereby authorized and directed to file a copy of the Report with the Alameda County and Contra Costa County Auditor-Controllers, indicating that the Report has been adopted by the Board in order to request that the delinquent charges rendered by the District be collected on the property tax bills for the taxable parcels identified in the Report; and such delinquent charges, together with any interest and penalties thereon, shall be collected for the District at the same time and in the same manner and by the same persons as, together with and not separately from, general taxes, and shall be delinquent at the same time and thereafter be subject to the same delinquency penalties to be levied on and collected from the owners of said parcels.

BOARD ACTION

Agenda Number:	14.1.-14.4.	Meeting Date:	July 8, 2025

TITLE	ADOPT THE REPORT OF THE EBMUD WET WEATHER FACILITIES CHARGE AND AUTHORIZE THE DISTRICT TO FILE THE REPORT AND COLLECT THE CHARGES ON THE ALAMEDA AND CONTRA COSTA COUNTIES' FISCAL YEAR 2025-2026 PROPERTY TAX ROLLS

ACTION	☐ Motion:	☒ Resolution:	☐ Ordinance:

RECOMMENDED ACTION	Take actions, pursuant to Health & Safety Code section 5473 et seq. to: • Conduct a public hearing to consider objections and protests to EBMUD's written report (Report) describing each parcel of real property subject to the Wet Weather Facilities Charge (WWFC) and amount of the WWFC to be imposed on each parcel for the Alameda and Contra Costa counties' Fiscal Year (FY) 2025-2026 Property Tax Rolls. • Adopt the written Report and authorize the District to collect the FY 2026 WWFC on the Alameda and Contra Costa counties' property tax rolls by at least two-thirds of the members of the Board (i.e., five Board members). • Authorize District staff to adjust the FY 2026 WWFC for any affected parcels as new information is provided by the counties. • Direct the Secretary of the District to file a copy of the Report on or before August 10, 2025, with the Alameda County Auditor-Controller and the Contra Costa County Auditor-Controller.

SUMMARY	Staff recommends the Board adopt the Report filed with the Secretary of the District on June 12, 2025, to collect the FY 2026 WWFC on the counties' FY 2025-2026 Property Tax Rolls. • The FY 2026 WWFC to be collected on the Alameda County FY 2025-2026 Property Tax Roll is approximately \$36.4 million billed on 165,422 parcels in Alameda County. • The FY 2026 WWFC to be collected on the Contra Costa County FY 2025-2026 Property Tax Roll is approximately \$2.9 million billed on 12,694 parcels in Contra Costa County.

DISCUSSION	The District has the authority under the State Health & Safety Code (H&SC) to collect certain charges for facilities or services on the property tax roll. The H&SC augments the District's powers under the Municipal Utility District Act. The WWFC has been collected on the property tax roll since 1987. The WWFC funds capital expenses for the inflow and infiltration (I&I) facilities (including wet weather facilities, interceptors, pumping stations, and storage basins) required to handle wet weather flows that enter the wastewater system through the local wastewater collection systems and sewer connections. I&I facilities funded by the WWFC are

Attachments: Report of the Wet Weather Facilities Charge to be Collected on the Fiscal Year 2025-2026 Property Tax Rolls for Alameda County and Contra Costa County dated June 11, 2025; Schedule B WWFC Effective 07/01/25; Resolution			

Title:	Adopt The Report of the EBMUD Wet Weather Facilities Charge and Authorize the District to File the Report and Collect the Charges on the Alameda and Contra Costa Counties' Fiscal Year 2025-2026 Property Tax Rolls	Meeting Date:	July 8, 2025

designed to handle wet weather flows in excess of the normal wastewater discharges from wastewater customers.

EBMUD's costs recovered for the WWFC address wet weather flows from the collection system. The volume of wet weather flows that enter the wastewater system from each property is generally proportional to the size of the collection system needed to serve each property. Properties with larger lots require more linear feet of the collection system which presents more opportunity for rainwater to enter through defects in the collection system. For these reasons, lot size is used as a basis for the WWFC. Accordingly, the WWFC is structured into three generalized lot sizes (or bins) and the applicable charge increases with the lot size. For FY 2026, the amount charged by lot size is: \$159.90 for lots 0 to 5,000 square feet (sq. ft.); \$249.72 for lots 5,001 to 10,000 sq. ft.; and \$570.70 for lots over 10,000 sq. ft.

Because the WWFC is based on the size of the lot and not the water or wastewater usage at the property, the District collects the WWFC on the property tax bill pursuant to its authority under the H&SC. All parcels that have connections to the wastewater collection systems within the District's wastewater service area are charged the applicable WWFC associated with their lot size, and their charges are collected on the property tax roll. The WWFC for entities exempt from property taxes is collected through the District's billing process.

On June 10, 2025, the Board adopted Resolution No. 35453-25 establishing the District's WWFC for FY 2026 and FY 2027 by at least two-thirds of the members of the Board (i.e., five Board members), in compliance with H&SC Section 5473.

On June 12, 2025, the District filed the Report with the Secretary of the District containing the parcel number and amount of the charge for each parcel, in compliance with H&SC Section 5473. The Report is available for review in the Office of the District Secretary. In accordance with California Government Code Section 6066, the District published a notice of a public hearing to consider the adoption of a resolution ordering the collection of the WWFC on the Property Tax Roll in the Oakland Tribune and West County Times. The notice ran on June 20, 2025 and June 27, 2025.

This action supports the District's Long-Term Financial Stability Strategic Plan goal to manage the District's finances to meet funding needs and maintain fair and reasonable water and wastewater rates.

SUSTAINABILITY

Economic

The District expects to collect approximately \$39.3 million in WWFC through the counties' FY 2025-2026 Property Tax Rolls. The WWFC is collected on the property tax roll because it is a fixed charge based on the size of the property and the average volume of wet weather flows that enter the wastewater system from properties of similar lot size. The WWFC is a significant source of revenue (17 percent of total revenue) that the Wastewater Department considers when calculating the wastewater rates and charges for its customers.

Title:	Adopt The Report of the EBMUD Wet Weather Facilities Charge and Authorize the District to File the Report and Collect the Charges on the Alameda and Contra Costa Counties' Fiscal Year 2025-2026 Property Tax Rolls	Meeting Date:	July 8, 2025

Social

The WWFC funds capital expenses for the I&I facilities that protect public health and handle the wet weather flows that enter the wastewater system through the local wastewater collection systems and sewer connections.

Environmental

The WWFC funds capital expenses for I&I facilities, which manage wet weather flows that enter the wastewater system through the local wastewater collection systems and sewer connections, prevent sanitary sewer overflows, and protect the San Francisco Bay.

ALTERNATIVE

Do not place the WWFC on the property tax rolls. This alternative is not recommended because it would result in the loss of approximately \$39.3 million in revenue (17 percent of the wastewater system's total revenue) leaving the wastewater system without sufficient funds to maintain the wet weather facilities.

EAST BAY MUNICIPAL UTILITY DISTRICT

DATE: June 12, 2025

MEMO TO: Rischa S. Cole, Secretary of the District

FROM: Amit K. Mutsuddy, Director of Wastewater 

SUBJECT: Transmittal of the Written Report of the Wet Weather Facilities Charge to be Collected on the Fiscal Year 2025-2026 Property Tax Rolls

The District has the authority under the State Health & Safety Code (H&SC) Section 5473 to collect regular, non-delinquent charges on the property tax roll. The H&SC augments the District's powers under the Municipal Utility District Act and authorizes the District to collect rates and charges on the property tax roll. The Wet Weather Facilities Charge (WWFC) has been collected on the property tax roll since 1987. The applicable WWFC for each parcel is computed in conformance with the schedule of rates and charges in Resolution No. 35453-25 adopted by the Board of Directors on June 10, 2025, establishing the water and wastewater systems' schedules of rates and charges subject to Proposition 218, including the WWFC for the Fiscal Year commencing July 1, 2025. The WWFC funds capital expenses for the inflow and infiltration facilities (including wet weather facilities, interceptors, pumping stations, and storage basins) that are required to handle wet weather flows in excess of the normal wastewater discharges from wastewater customers that enter the wastewater system through the local wastewater collection systems and sewer connections.

The volume of wet weather flow that enters the wastewater system from each property is proportional to the size of the collection system needed to serve each property. Properties with larger lots require more linear feet of the collection system which presents more opportunity for rainwater to enter through defects in the collection system. For these reasons, lot size is used as a basis for the WWFC. Accordingly, the WWFC is structured into three generalized lot sizes (or bins) and the applicable charge increases with the lot size. For the Fiscal Year 2025-2026 Property Tax Rolls, the amount charged by lot size is: \$159.90 for lots of 0 to 5,000 square feet (sq. ft.); \$249.72 for lots 5,001 to 10,000 sq. ft.; and \$570.70 for lots over 10,000 sq. ft.

The written report recommends collecting the WWFC on 165,422 properties in Alameda County for a total of approximately \$36.4 million billed, and 12,694 properties in Contra Costa County for a total of approximately \$2.9 million billed.

A public hearing on the recommendation contained in this report is scheduled on July 8, 2025 for the Board to consider any objections or protests to the report. The Board is also scheduled to consider adoption of the recommended action at the Board meeting on July 8, 2025.

The District will submit an electronic file version of the report to Alameda and Contra Costa Counties by August 10, 2025. If the Board determines at the public hearing on July 8 that the WWFC should not be collected on any parcels, the WWFC will be removed from those parcels.
