I confirm that I am the property owner of the installation address or am authorized to sign on behalf of the property owner, and I authorize the applicant to complete the EBMUD Rebate Program project at this property.

Tax Notice

For residential customers applying for rebates that, individually or in combination total \$600 or more in a tax year, EBMUD requires the submittal of a W-9 form from the person receiving the payment prior to payment. All personal information provided within the W-9 will be kept confidential in accordance with the Consumer Privacy Act and other applicable state and federal law. If the total rebate amount is \$600 or more in a single calendar year, a 1099 form will be issued in accordance with Internal Revenue Service requirements. Most residential rebates are excluded from gross income by state law and are not subject to state income tax, but these rebates may be taxable income under federal law. The determination of whether the rebate may be subject to tax is dependent on several variables, and it is recommended that you contact a tax professional for further information.

Agreement

I, the undersigned, understand that this is a limited, first-come/first-served program for EBMUD customers with active potable water service and that EBMUD is entitled to deny any application that does not meet program requirements. I certify that the information provided is accurate, and that all work performed will comply with all applicable federal, state, and local laws. I acknowledge that EBMUD may inspect the property to verify existing conditions and completed installations. Except as necessary to determine eligibility, these inspections do not address or determine the quality, safety, efficiency, or suitability of materials, workmanship, or installations. I understand participation does not guarantee lower water bills or any specific performance of installed materials or equipment. I agree to assume all risks associated with the installation and use of materials or equipment associated with the installation. I agree to defend, indemnify and hold harmless EBMUD, its directors, officers, agents and employees against any and all loss, liability, expense, claims, suits and damages, including attorneys' fees, arising out of or relating to the installation or presence of any devices or equipment on or affecting EBMUD property. I HAVE READ THIS DOCUMENT AND UNDERSTAND THAT IT INCLUDES A RELEASE AND WAIVER OF CLAIMS AND THAT I AM ASSUMING RISKS INHERENT IN THE UNDERTAKING OF THE INSTALLATION. I understand that rebates are contingent upon proper installation, verification, and compliance with all program requirements.
