

Landscape Design Assistance Rebate

Requirements

- Install a minimum **200 sq. ft.** water-wise garden using low-water-use plants and/or efficient irrigation.
- Use an **LDAP-approved landscape designer**, listed at ebmud.com/designassistance.
- **Wait until EBMUD provides notice of approval** before scheduling a consultation or starting the project.
- **Pay the \$200 fee to the landscape designer at the time of service** and submit receipt to EBMUD. The fee is reimbursed after successful project completion.
- **Program may only be used once per property.**

Documentation

Submit with your application:

- 1) Before photos of the area and/or irrigation equipment to be converted (minimum 200 sq. ft.).

Submit once your project is complete:

- 2) After photos showing the new waterwise garden using low-water plants and ensuring efficient irrigation.
- 3) Receipt for the \$200, 2-hour design assistance visit with an [LDAP-approved designer](#).
