ADDENDUM NO. 1
PUR 104
Diving ROV Inspection Services and Cleaning Services

TO PROSPECTIVE BIDDERS FOR REQUEST FOR PROPOSAL(RFP) PUR 104 Diving and ROV Inspection Services AND Cleaning Services has been revised or added as set forth below:

Under SPECIFIC REQUIREMENTS, Paragraph 6, page 7-8, strikeout and **replace** Paragraph 6 with the following:

6. REPORTING REQUIREMENTS

The contractor shall have the capability to record (with live narration) and photograph all diver activities. All diver inspection activities shall be recorded as ~~high-capacity thumb drive~~ **media files (Ex. mp4, mov, mpg, jpg etc.)** or district approved file transfer application, and selected tank interior views shall be photographed, both above and below water level. The contractor shall provide an electronic album of numbered photos and a written report of the inspection results, with the report cross referenced to the photographs. ~~high-capacity thumb drive~~ or district approved file transfer application must be clearly labeled with date and tank name. A ~~separate high-capacity thumb drive~~ **media files (Ex. mp4, mov, mpg, jpg etc.)** or district approved file transfer application shall be provided for each dive. Each inspection report shall be furnished in Microsoft word electronic format and shall contain a thorough discussion of the condition of the reservoir, with particular attention to interior elements and interior surfaces. All ~~high-capacity thumb drive~~ **media files (Ex. mp4, mov, mpg, jpg etc.)** or district approved file transfer application, photograph albums, and reports shall become the property of the District. A Sample Comprehensive Inspection Report is included in Exhibit M.

Under DISTRICT PROCEDURES, TERMS, AND CONDITIONS, Section C. PRICING, Paragraph 2, page 14, replace Paragraph 2 with the following:

2. COLA (CPI-W Oakland/San Francisco) rate is typically released a month after the effective date. The increase may be applied to bids at the beginning of the third year extension and all subsequent years of the remaining contract terms. Contractors must submit revised rate sheets for the start of the third year extension upon request by the Contractor and approval by the District.

Section II Calendar of Events, has been added in **bold** in Paragraph 2, the hyperlink has been corrected as follows:

Last day to submit questions Wednesday, April 20, 2022.

Proposers are responsible for reviewing link: <https://www.ebmud.com/business-center/requests-proposal-rfps/rov-inspection-and-cleaning-service> for any published addenda. Hard copies of addenda will not be mailed out.

As requested during the non-mandatory site visit, a list of the reservoir specifications shall be provided in Addendum #2.

THIS ADDENDUM MUST BE SUBMITTED WITH THE BID.
