**I. STATEMENT OF WORK**

**A. SCOPE**

It is the intent of these specifications, terms, and conditions to describe the Water and Wastewater Cost of Service (COS) Study required by the East Bay Municipal Utility District (District). Consultant selection will be completed in a three-step process. (1) The Qualifications Summary portion of the Request for Proposal response will be reviewed to determine which firms meet the minimum qualifications outlined in Section 3. (2) Responses from only those firms that meet the minimum qualification requirements will be reviewed. (3) The consultant will be selected by a panel that will evaluate the responses based on criteria outlined in Evaluation Criteria/Selection Committee.

The goal of this project is to conduct a COS study of the District’s water and wastewater systems. The project will establish a COS methodology that conforms to existing legal requirements, including Proposition 218 and the Municipal Utility District Act (“MUD” Act), and that calculates the COS using recent District financial, operating and customer data. The result of this study shall be used to update the District’s current system of water and wastewater service rates and charges.

The District intends to award an 18-month contract to the Proposer(s) that best meets the District’s requirements.

The schedule below outlines anticipated major project milestones:

**B. PROJECT BACKGROUND**

EBMUD, or the District, is a municipal utility district organized under California Law that operates under the direction of an elected Board of Directors. EBMUD provides water

service to over 1.4 million people and wastewater treatment services to over 740,000 people.

The District completed a water cost of service study in 2015 and a wastewater cost of service study in 2019. Reports from these studies and additional information related to the District's rates, budgets, and other financial information is available at [ebmud.com/rates](http://ebmud.com/rates).

C. PROPOSER QUALIFICATIONS

1. Proposer Minimum Qualifications

- a. Proposer, Proposer's principal, or Proposer's staff shall have been regularly engaged in the business of providing of providing utility rate service cost studies and reporting for at least three (3) years. Previous experience shall be with utility districts of a similar size and demographics to those of the District.
- b. Proposer shall possess all permits, licenses, and professional credentials necessary to perform services as specified under this RFP.

D. SPECIFIC REQUIREMENTS

**TASK 1 – Review Existing Cost of Service Studies**

Within 2 weeks following Notice to Proceed (NTP), the selected consultant shall submit a list of requested reports, documents, schedules, and other data.

The District established its cost of service and rate design methodology through of rate structures as recommended in the 2015 Water Cost of Service Study and the 2019 Wastewater Cost of Service Study. The consultant shall review the principles and methodology in the 2015 and 2019 studies and recommend any changes to the approach based on current legal requirements, prevailing water industry rate setting practices, the District's rate setting objectives, and changes in District customer usage patterns and demand profiles.

Updating the District's capacity charges is not part of the scope for this RFP. The Proposer will, however, need to understand these charges as a part of overall District revenues. A System Capacity Charge (SCC) study was completed in 2021 and a Wastewater Capacity Fee (WCF) study was completed in 2019 in tandem with the Wastewater Cost of Service Study.

**TASK 2 – Research on Comparable Jurisdictions**

The consultant will gather detailed information on the water and sewer rates and rate structures of comparable jurisdictions. Areas of focus should include policy-level decisions mentioned in other tasks, as well as a comparison of the average monthly water and sewer bill for various customer classes.

Research topics should cover a range of issues that allow the District to make accurate comparisons between the agencies, such as fixed charges versus volumetric consumption charges, customer classes, water budget based rates, drought surcharges, and cost recovery for anticipated increased needs for nutrient management in the wastewater treatment process. The consultant should review the specific research topics with District staff to ensure all priority issues are included.

### **TASK 3 – Communication and Public Participation**

In close coordination with District staff, the consultant will develop and implement a public participation plan to increase customer awareness and understanding of rate development. Linking to work conducted in Task 2, the plan will present successful and innovative communications strategies employed by other utilities/entities. The consultant will prepare for, attend, and participate in up to eight (8) public meetings. These meetings may be District Board meetings, meetings of selected community organizations, or meetings scheduled specifically for this project.

### **TASK 4 – Revenue Requirements**

The consultant will develop cash flow projections of revenues and revenue requirements for the water and wastewater utilities, incorporating the District's budget and other financial documents provided by the District. The consultant will evaluate assignment of all the revenue sources to operating and capital expenses. The consultant will work with District staff to select a test year to be used for all financial, operating and customer data requirements and calculations. In establishing cash flow projections, as well as allocating costs in accordance with Task 5 below, Consultant will review District-specific data provided through billing records, AMI data, and other sources provided by the District.

### **TASK 5 – Cost of Service Analysis**

For water and wastewater, the consultant will perform a cost of service analysis consistent with legal requirements and accepted industry methodologies. As part of this task, the consultant will examine District-specific data, the District's use of Business Classification Codes (BCC) codes and evaluate potential alternative methodologies for billing commercial and industrial wastewater customers.

### **TASK 6 – Rate Design**

The consultant will develop schedules of rates for water and wastewater service charges that will recover the proportionate cost of service allocated to each customer class consistent with legal requirements and accepted industry methodologies. These rate policy design questions should be explored collaboratively with District staff and management.

## **TASK 7 – Financial Planning Model for Water and Wastewater**

For financial planning, the District uses Excel-based financial rate models that calculate the annual rate revenue required to meet its projected expenses. As part of this project, the consultant will develop new financial planning models for the water and wastewater systems. The goal is to have financial planning models that are fully documented and relatively simple to administer by District staff. The models should not require annual licensing fees and/or setup/updates from the consultant. The proposal shall document any proprietary issues or requirements for the financial planning models the consultant intends to provide for this task. The financial planning models should address the following requirements:

- Microsoft Excel based.
- Financial planning horizon of 10 or more years with quarterly resolution/data inputs.
- Automatically produced summary reports.
- Only requires the user to enter data in a single input worksheet to make changes and updates.
- Allows for growth factors and for one-time changes in any year.
- Flexible enough to allow for changes/additions to rate and surcharges.
- Automatic optimization is not required.

## **TASK 8 – Final Report**

The consultant shall prepare a final report which summarizes work conducted in Tasks 1 through 7. The report will be used to support the adoption of water and wastewater rates for Fiscal Years 2026 and 2027. The report shall contain sufficient details so that the calculations can be updated for subsequent rate adoptions (scheduled every two years). The final report will serve as the administrative record for the District's water and wastewater rates and charges.

III. DISTRICT PROCEDURES, TERMS, AND CONDITIONS

A. RFP ACCEPTANCE AND AWARD

1. RFP responses will be evaluated by the Selection Committee and will be scored and ranked in accordance with the RFP section entitled "Evaluation Criteria/Selection Committee."
2. The Selection Committee will recommend award to the Proposer who, in its opinion, has submitted the RFP response that best serves the overall interests of the District. Award may not necessarily be made to the Proposer with the lowest overall cost.
3. The District reserves the right to award to a single or to multiple General or Professional Service Providers, dependent upon what is in the best interest of the District.
4. The District has the right to decline to award this contract or any part of it for any reason.
5. Any specifications, terms, or conditions issued by the District, or those included in the Proposer's submission, in relation to this RFP, may be incorporated into any purchase order or contract that may be awarded as a result of this RFP.
6. Award of contract. The District reserves the right to reject any or all proposals, to accept one part of a proposal and reject the other, unless the proposer stipulates to the contrary, and to waive minor technical defects and administrative errors, as the interest of the District may require. Award will be made, or proposals rejected by the District as soon as possible after proposals have been opened.

B. EVALUATION CRITERIA/SELECTION COMMITTEE

All proposals will be evaluated by a Selection Committee. The Selection Committee may be composed of District staff and other parties that have expertise or experience in this type of procurement. The Selection Committee will select a Proposer in accordance with the evaluation criteria set forth in this RFP. The evaluation of the RFP responses shall be within the sole judgment and discretion of the Selection Committee.

The Selection Committee will evaluate each RFP response meeting the qualification requirements set forth in this RFP. Proposer should bear in mind that any RFP response that is unrealistic in terms of the technical or schedule commitments, or unrealistically high or low in cost, will be deemed reflective of an inherent lack of technical competence or indicative of a failure to comprehend the complexity and risk of the District’s requirements as set forth in this RFP.

RFP responses will be evaluated and scored according to the Evaluation Criteria below and scored according to a zero to five-point scale. The scores for all Evaluation Criteria will then be added to arrive at a weighted score for each RFP response. An RFP response with a high weighted total will be ranked higher than one with a lesser-weighted total.

The Evaluation Criteria are as follows:

	<b>Evaluation Criteria</b>
<b>A.</b>	<p><b>Relevant Firm and Key Personnel Experience:</b>                      RFP responses will be evaluated against the RFP specifications and the questions below:</p> <ol style="list-style-type: none"> <li>1. Does the Proposer have experience on similar projects?</li> <li>2. Do the individuals assigned to the project have experience on similar projects and experience working together on similar projects?</li> <li>3. Are résumés complete and do they demonstrate backgrounds that would be desirable for individuals engaged in the work the project requires?</li> </ol>
<b>B.</b>	<p><b>Understanding of the Project and Project Approach:</b>                      RFP responses will be evaluated against the RFP specifications and the questions below:</p> <ol style="list-style-type: none"> <li>1. Has the Proposer demonstrated a thorough understanding of the purpose and scope of the project?</li> <li>2. How well has the Proposer identified pertinent issues and potential problems related to the project?</li> <li>3. Has the Proposer demonstrated that it understands the deliverables the District expects it to provide?</li> <li>4. Does the Proposer depict a logical approach to fulfilling the requirements of the RFP?</li> <li>5. Has the Proposers anticipated potential impediments to achieving the objectives set out in the RFP and outlined viable strategies for overcoming such issues?</li> </ol>
<b>C.</b>	<p><b>Implementation Plan and Schedule:</b>                      An evaluation will be made of the likelihood that the Proposer’s implementation plan and schedule will meet the District’s schedule. Additional credit will be given for the identification and planning for mitigation of schedule risks which the Proposer believes may adversely affect any portion of the District’s schedule.</p>

<b>D.</b>	<p><b>Cost:</b> An evaluation may also be made of:</p> <ol style="list-style-type: none"> <li>1. Reasonableness – does the proposed pricing accurately reflect the bidder’s effort to meet requirements and objectives?</li> <li>2. Realism – is the proposed cost appropriate to the nature of the products and services to be provided?</li> <li>3. Cost effectiveness – consideration of price in terms of overall affordability may be controlling in circumstances where two or more RFP responses are otherwise judged to be equal, or when a superior RFP response is at a price deemed not cost effective/fiscally responsible.</li> </ol>
<b>E.</b>	<p><b>Contract Equity Program:</b> Proposer shall be eligible for SBE or DVBE preference points if they are a certified small business entity, as described in the guidelines contained in Exhibit A-Contract Equity Program, <u>and</u> they check the appropriate box, requesting preference, in Exhibit A-Proposer Information and Acceptance. 1. Prices quoted shall be firm for the first 18 months of any contract that may be awarded pursuant to this RFP.
2. All prices quoted shall be in United States dollars.
3. Price quotes shall include any and all payment incentives available to the District.
4. Proposers are advised that in the evaluation of cost, if applicable, it will be assumed that the unit price quoted is correct in the case of a discrepancy between the unit price and extended price.

**D. NOTICE OF INTENT TO AWARD AND PROTESTS**

At the conclusion of the RFP response evaluation process, all entities who submitted a proposal package will be notified in writing by e-mail or USPS mail with the name of the Proposer being recommended for contract award. The document providing this notification is the Notice of Intent to Award.

Negotiations for a Consulting Services Agreement with a “not to exceed” contract price (for time and expenses) will be scheduled shortly after the Notice of Intent to Award. If an Agreement cannot be achieved, the District will proceed to negotiate with the next highest ranked Proposer.

Protests must be in writing and must be received no later than seven (7) workdays after the District issues the Notice of Intent to Award. The District will reject the protest as

untimely if it is received after this specified time frame. Protests will be accepted from proposers or potential proposers only.

If the protest is mailed and not received by the District, the protesting party bears the burden of proof to submit evidence (e.g., certified mail receipt) that the protest was sent in a timely manner so that it would be received by the District within the RFP protest period.

Proposal protests must contain a detailed and complete written statement describing the reason(s) for protest. The protest must include the name and/or number of the proposal, the name of the firm protesting, and include a name, telephone number, email address and physical address of the protester. If a firm is representing the protester, they shall include their contact information in addition to that of the protesting firm.

Protests must be mailed, hand delivered, or emailed to the Manager of Purchasing, Mailstop 102, East Bay Municipal Utility District, 375 Eleventh Street, Oakland, CA 94607 or P.O. Box 24055, Oakland, California 94623. Facsimile and electronic mail protests must be followed by a mailed or hand delivered identical copy of the protest and must arrive within the seven workday time limit. Any proposal protest filed with any other District office shall be forwarded immediately to the Manager of Purchasing.

In the event that the protest is denied, the protester can appeal the determination to the requesting organization's Department Director. The appeal must be submitted to the Department Director no later than five workdays from the date which the protest determination was transmitted by the District, to the protesting party. The appeal shall focus on the points raised in the original protest, and no new points shall be raised in the appeal.

Such an appeal must be made in writing and must include all grounds for the appeal and copies of the original protest and the District's response. The proposal protester must also send the Purchasing Division a copy of all materials sent to the Department Director.

The Department Director will make a determination of the appeal and respond to the protester by certified mail in a timely manner. If the appeal is denied, the letter will include the date, time, and location of the Board of Directors meeting at which staff will make a recommendation for award and inform the protester it may request to address the Board of Directors at that meeting.

The District may transmit copies of the protest and any attached documentation to all other parties who may be affected by the outcome of the protest. The decision of the

District as to the validity of any protest is final. This District's final decision will be transmitted to all affected parties in a timely manner.

## CONTRACT EQUITY PROGRAM & EQUAL EMPLOYMENT OPPORTUNITY

The District's Board of Directors adopted the Contract Equity Program (CEP) to enhance equal opportunities for business owners of all races, ethnicities, and genders who are interested in doing business with the District. The program has contracting objectives, serving as the minimum level of expected contract participation for the three availability groups: white-men owned businesses, white-women owned businesses, and ethnic minority owned businesses. The contracting objectives apply to all contracts that are determined to have subcontracting opportunities, and to all General or Professional Service Providers regardless of their race, gender, or ethnicity.

All Contractors and their subcontractors performing work for the District must be Equal Employment Opportunity (EEO) employers and shall be bound by all laws prohibiting discrimination in employment. There shall be no discrimination against any person, or group of persons, on account of race, color, religion, creed, national origin, ancestry, gender including gender identity or expression, age, marital or domestic partnership status, mental disability, physical disability (including HIV and AIDS), medical condition (including genetic characteristics or cancer), genetic information, or sexual orientation.

**Contractor and its subcontractors shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin in the performance of this contract. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.**

All Contractors shall include the nondiscrimination provisions above in all subcontracts. Please include the required completed forms with your proposal. Non-compliance with the Guidelines may deem a proposal non-responsive, and therefore, ineligible for contract award. Your firm is responsible for:

- 1) Reading and understanding the CEP guidelines.
- 2) Filling out and submitting with your proposal the appropriate forms.

The CEP guidelines and forms can be downloaded from the District website at the following link:  
<https://www.ebmud.com/business-center/contract-equity-program>

If you have questions regarding the Contract Equity Program, please call (510) 287-0114.

## EXHIBIT B

# INSURANCE REQUIREMENTS

PROPOSER shall take out and maintain during the life of the Agreement all insurance required and PROPOSER shall not commence work until such insurance has been approved by DISTRICT. The proof of insurance shall be on forms provided by DISTRICT directly following these Insurance Requirements.

PROPOSERS are not required to submit completed insurance verification documents with their bid but will be required to submit them upon notification of award. By signing Exhibit A – RFP Response Packet, the Proposer agrees to meet the minimum insurance requirements stated in the RFP.

The following provisions applicable to all required insurance:

- A. Prior to the beginning of and throughout the duration of Services, and for any additional period of time as specified below, CONTRACTOR shall, at its sole cost and expense, maintain insurance in conformance with the requirements set forth below.
- B. CONTRACTOR shall provide Verification of Insurance as required by this Agreement by providing the completed Verification of Insurance as requested below signing and submitting this Exhibit B to the DISTRICT. The Exhibit B may be signed by an officer of the CONTRACTOR (Agent) or by the Insurance Broker for the CONTRACTOR. CONTRACTOR shall update Exhibit B throughout the specified term of the insurance required by this Agreement by resubmitting the completed Exhibit B prior to the expiration date of any of the required insurance. The updated Exhibit B shall become a part of the Agreement but shall not require a change order to the Agreement. The Notice to Proceed shall not be issued, and CONTRACTOR shall not commence Services until such insurance has been accepted by the DISTRICT.
- C. CONTRACTOR shall carry and maintain the minimum insurance requirements as defined in this Agreement. CONTRACTOR shall require any subcontractor to carry and maintain the minimum insurance required in this Agreement to the extent they apply to the scope of the services to be performed by subcontractor.
- D. Acceptance of verification of Insurance by the DISTRICT shall not relieve CONTRACTOR of any of the insurance requirements, nor decrease liability of CONTRACTOR.
- E. The insurance required hereunder may be obtained by a combination of primary, excess and/or umbrella insurance, and all coverage shall be at least as broad as the requirements listed in this Agreement.
- F. Any deductibles, self-insurance, or self-insured retentions (SIRs) applicable to the required insurance coverage must be declared to and accepted by the DISTRICT.
- G. At the option and request of the DISTRICT, CONTRACTOR shall provide documentation of its financial ability to pay the deductible, self-insurance, or SIR.
- H. Any policies with a SIR shall provide that any SIR may be satisfied, in whole or in part, by the DISTRICT or the additional insured at its sole and absolute discretion.

- I. Unless otherwise accepted by the DISTRICT, all required insurance must be placed with insurers with a current A.M. Best's rating of no less than A- V.
- J. CONTRACTOR shall defend the DISTRICT and pay any damages as a result of failure to provide the waiver of subrogation from the insurance carrier.
- K. For any coverage that is provided on a claims-made coverage form (which type of form is permitted only where specified) the retroactive date must be shown and must be before the date of this Agreement, and before the beginning of any Services related to this Agreement.
- L. Insurance must be maintained, and updated Verification of Insurance be provided to the DISTRICT before the expiration of insurance by having CONTRACTOR's insurance broker or agent update, sign and return Exhibit B to the DISTRICT's contract manager. For all claims-made policies the updated Verification of Insurance must be provided to the DISTRICT for at least three (3) years after expiration of this Agreement.
- M. If claims-made coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Agreement or the start of any Services related to this Agreement, CONTRACTOR must purchase an extended reporting period for a minimum of three (3) years after expiration of the Agreement.
- N. If requested by the DISTRICT, a copy of the policies' claims reporting requirement must be submitted to the DISTRICT for review.
- O. Where additional insured coverage is required, the additional insured coverage shall be "primary and non-contributory," and will not seek contribution from the DISTRICT's insurance or self-insurance.
- P. CONTRACTOR agrees to provide immediate Notice to the DISTRICT of any loss or claim against CONTRACTOR arising out of, pertaining to, or in any way relating to this Agreement, or Services performed under this Agreement. The DISTRICT assumes no obligation or liability by such Notice but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the DISTRICT.
- Q. CONTRACTOR agrees, upon request by the DISTRICT, to provide complete, certified copies of any policies and endorsements within 10 days of such request (copies of policies may be redacted to eliminate premium details.)
- R. It is CONTRACTOR's responsibility to ensure its compliance with the insurance requirements. Any actual or alleged failure on the part of the DISTRICT to obtain proof of insurance required under this Agreement shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.
- S. Notice of Cancellation/Non-Renewal/Material Reduction. The insurance requirements hereunder are mandatory, and the DISTRICT may, at its sole and absolute discretion, terminate the services provided by CONTRACTOR, should CONTRACTOR breach its obligations to maintain the required coverage and limits set forth in this Agreement. No coverage required hereunder shall be cancelled, non-renewed or materially reduced in coverage or limits without the DISTRICT being provided at least thirty (30) days

prior written notice, other than cancellation for the non-payment of premiums, in which event the DISTRICT shall be provided ten (10) days prior written notice. Replacement of coverage with another policy or insurer, without any lapse in coverage or any reduction of the stated requirements does not require notice beyond submission to the DISTRICT of an updated Verification of Insurance which shall be met by having the CONTRACTOR's insurance broker or agent update, sign and return this EXHIBIT B.

CONSULTANT shall update Exhibit D throughout the specified term of the insurance required by this Agreement by resubmitting the completed Exhibit D prior to the expiration date of any of the required insurance. The updated Exhibit D shall become a part of the Agreement but shall not require a change order to the Agreement. The Notice to Proceed shall not be issued, and CONSULTANT shall not commence Services until such insurance has been accepted by the DISTRICT.

C. CONSULTANT shall carry and maintain the minimum insurance requirements as defined in this Agreement. CONSULTANT shall require any subcontractor to carry and maintain the minimum insurance required in this Agreement to the extent they apply to the scope of the services to be performed by subcontractor.

D. Acceptance of verification of Insurance by the DISTRICT shall not relieve CONSULTANT of any of the insurance requirements, nor decrease liability of CONSULTANT.

F. Any deductibles, self-insurance, or self-insured retentions (SIRs) applicable to the required insurance coverage must be declared to and accepted by the DISTRICT.

G. At the option and request of the DISTRICT, CONSULTANT shall provide documentation of its financial ability to pay the deductible, self-insurance, or SIR.

H. Any policies with a SIR shall provide that any SIR may be satisfied, in whole or in part, by the DISTRICT or the additional insured at its sole and absolute discretion.

I. Unless otherwise accepted by the DISTRICT, all required insurance must be placed with insurers with a current A.M. Best's rating of no less than A- V.

J. CONSULTANT shall defend the DISTRICT and pay any damages as a result of failure to provide the waiver of subrogation from the insurance carrier.

K. For any coverage that is provided on a claims-made coverage form (which type of form is permitted only where specified) the retroactive date must be shown and must be before the date of this Agreement, and before the beginning of any Services related to this Agreement.

L. Insurance must be maintained and updated Verification of Insurance be provided to the DISTRICT before the expiration of insurance by having CONSULTANT's insurance broker or agent update, sign and return Exhibit D to the DISTRICT's contract manager. For all claims-made policies the updated Verification of Insurance must be provided to the DISTRICT for at least three (3) years after expiration of this Agreement.

N. If requested by the DISTRICT, a copy of the policies' claims reporting requirement must be submitted to the DISTRICT for review.

O. Where additional insured coverage is required, the additional insured coverage shall be "primary and non-contributory," and will not seek contribution from the DISTRICT's insurance or self-insurance.

P. CONSULTANT agrees to provide immediate Notice to the DISTRICT of any loss or claim against CONSULTANT arising out of, pertaining to, or in any way relating to this Agreement, or Services performed under this Agreement. The DISTRICT assumes no obligation or liability by such Notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the DISTRICT.

Q. CONSULTANT agrees, upon request by the DISTRICT, to provide complete, certified copies of any policies and endorsements within 10 days of such request (copies of policies may be redacted to eliminate premium details.)

R. It is CONSULTANT's responsibility to ensure its compliance with the insurance requirements. Any actual or alleged failure on the part of the DISTRICT to obtain proof of insurance required under this Agreement shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.

**S. Notice of Cancellation/Non-Renewal/Material Reduction** The insurance requirements hereunder are mandatory and the DISTRICT may, at its sole and absolute discretion, terminate the services provided by CONSULTANT, should CONSULTANT breach its obligations to maintain the required coverage and limits set forth in this Agreement. No coverage required hereunder shall be cancelled, non-renewed or materially reduced in coverage or limits without

the DISTRICT being provided at least thirty (30) days prior written notice, other than cancellation for the non-payment of premiums, in which event the DISTRICT shall be provided ten (10) days prior written notice. Replacement of coverage with another policy or insurer, without any lapse in coverage or any reduction of the stated requirements does not require notice beyond submission to the DISTRICT of an updated Verification of Insurance which shall be met by having the CONSULTANT's insurance broker or agent update, sign and return this *Exhibit D*
