Protests must be in writing and must be received no later than seven (7) workdays after the District issues the Notice of Intent to Award. The District will reject the protest as

untimely if it is received after this specified time frame. Protests will be accepted from proposers or potential proposers only.

This project has four main elements:

1. Cameras: Replacement of existing security camera systems with internet protocol (IP)-based camera systems for both pan-tilt-zoom (PTZ) and thermal imaging systems and associated video recorder systems in compliance with District standard details and specifications.
2. Lighting: New exterior lighting to enhance safety and security.
3. Card Readers: Addition of access card readers, door locks, and rex switches for multiple doors on the campus, and new control panels at several locations to accommodate the additional card readers. In addition, replacement of existing hardware for access card readers on all existing card reader panels.
4. Network Upgrades: Replacement of all the business and security network switches and new network cabling to all the security endpoint devices and all new wiring, cabling, conduit as needed for all systems to be fully functional and connected to the District's security and business network as applicable.

These four elements are further described below:

Element 1: Cameras

- 1.1 The campus currently has forty-one (41) analog cameras. In addition, there are two (2) access card readers at vehicle entry gates that do not have cameras, but cameras are desired in these locations. A map showing the locations of existing cameras and the two new cameras will be provided at the Mandatory Site Walk (see Section II, Calendar of Events). Under this proposal, Consultant shall design replacement of all existing cameras in

the same location and installation of two new cameras. Both PTZ and thermal imaging cameras shall be provided at exterior camera locations to cover the site area inside of the perimeter fencing; interior cameras shall be PTZ.

- 1.2 Under this proposal, Consultant shall design an upgrade to the existing network video recorder system located in the AMC Campus Administration Building in Block III.
- 1.3 All new cameras, video recording system, and wiring/cabling designed and specified as part of this project shall comply with District standard specifications.

- 2.2 Consultant shall design and specify new lighting as needed in conformance with District standard specifications and the City of Oakland's Planning and Zoning Code. Design shall consider and minimize impacts to surrounding property owners.

Element 3: Card Readers

- 3.1 Under this proposal, Consultant shall design and specify installation of twenty-three (23) new access card readers to supplement the existing card readers at the AMC Campus. "Access Card Readers" encompasses the following: position switch, rex switch, lock, and reader. A map showing the locations of existing and proposed Access Card Readers will be provided at the Mandatory Site Walk (see Section II, Calendar of Events).
- 3.2 The campus has eight (8) existing Security Control Panels (SCPs). An SCP consists of a General Controller Module (GCM) and an Access Control Panel (ACP) in a security cabinet. Under this proposal, Consultant shall

design and specify replacement of all existing GCM and ACP hardware with the iSTAR Ultra G2 SE series. Consultant shall also design and specify installation of new SCP (GCM, ACP, and security cabinet) in the AMC Campus Administration Building in Block III using an iSTAR Ultra G2. A map showing the locations of existing SCPs will be provided at the Mandatory Site Walk (see Section II, Calendar of Events).

- 3.3 Consultant shall design and specify conduit routing and wiring to connect new access card readers to the security control panel(s) in the facility.
- 3.4 All new card readers and SCPs shall conform with District standard specifications.
- 3.5 Consultant shall design and specify replacement of fifty-one (51) existing reader hardware with upgraded hardware conforming with District standard specifications.

Element 4: Network Upgrades

- 4.2 The AMC campus has existing Optical Multimode-3 (OM-3), 50-micron, fiber pairs connecting the AMC Administration Building's Main Distribution Frame (MDF) to the following building's Intermediate Distribution Frames (IDFs): Central Yard, Fleet, Materials Lab, Shops and the Warehouse. The existing fiber cabling within all buildings is OM-1. There is no fiber backbone to any perimeter point on the campus. A map showing the locations of existing fiber cabling will be provided at the Mandatory Site Walk (see Section II, Calendar of Events). All existing fiber cabling is to be replaced with single mode fiber.
- 4.3 All new network switches and data cabling, copper or fiber, shall comply with District standard specifications. Standards include:
 - CAT-6A for any copper wiring
 - Single mode fiber for all fiber cabling
 - Network equipment – Juniper EX Series Cloud-ready Ethernet Switches

In 2011, the District's Specification No. 1993 was constructed, which encompassed improvements to the security systems at the AMC Campus. Drawings from this project may be viewed at the Mandatory Site Walk (see Section II, Calendar of Events). The District will make available to the selected

Consultant the MicroStation formatted drawings from Specification No. 1993, as well as the as-built markups from the construction project. These shall be used as the base for the development of the design and construction drawings for this project.

EXHIBIT D
INSURANCE REQUIREMENTS

(Insurance requirements may vary based on the nature of the Agreement. Always make sure these Insurance terms are reviewed by Risk Management for your contract.)

(Change the word “CONSULTANT” if necessary to match the term in the Agreement)

I. Provisions Applicable to All Required Insurance

A. Prior to the beginning of and throughout the duration of Services, and for any additional period of time as specified below, CONSULTANT shall, at its sole cost and expense, maintain insurance in conformance with the requirements set forth below.

B. CONSULTANT shall provide Verification of Insurance as required by this Agreement by providing the completed Verification of Insurance as requested below signing and submitting this Exhibit D to the DISTRICT. The Exhibit D may be signed by an officer of the CONSULTANT (Agent) or by the Insurance Broker for the CONSULTANT. CONSULTANT shall update Exhibit D throughout the specified term of the insurance required by this Agreement by resubmitting the completed Exhibit D prior to the expiration date of any of the required insurance. The updated Exhibit D shall become a part of the Agreement but shall not require a change order to the Agreement. The Notice to Proceed shall not be issued, and CONSULTANT shall not commence Services until such insurance has been accepted by the DISTRICT.

C. CONSULTANT shall carry and maintain the minimum insurance requirements as defined in this Agreement. CONSULTANT shall require any subcontractor to carry and maintain the minimum insurance required in this Agreement to the extent they apply to the scope of the services to be performed by subcontractor.

D. Acceptance of verification of Insurance by the DISTRICT shall not relieve CONSULTANT of any of the insurance requirements, nor decrease liability of CONSULTANT.

E. The insurance required hereunder may be obtained by a combination of primary, excess and/or umbrella insurance, and all coverage shall be at least as broad as the requirements listed in this Agreement.

F. Any deductibles, self-insurance, or self-insured retentions (SIRs) applicable to the required insurance coverage must be declared to and accepted by the DISTRICT.

G. At the option and request of the DISTRICT, CONSULTANT shall provide documentation of its financial ability to pay the deductible, self-insurance, or SIR.

H. Any policies with a SIR shall provide that any SIR may be satisfied, in whole or in part, by the DISTRICT or the additional insured at its sole and absolute discretion.

I. Unless otherwise accepted by the DISTRICT, all required insurance must be placed with insurers with a current A.M. Best's rating of no less than A- V.

J. CONSULTANT shall defend the DISTRICT and pay any damages as a result of failure to provide the waiver of subrogation from the insurance carrier.

K. For any coverage that is provided on a claims-made coverage form (which type of form is permitted only where specified) the retroactive date must be shown and must be before the date of this Agreement, and before the beginning of any Services related to this Agreement.

L. Insurance must be maintained and updated Verification of Insurance be provided to the DISTRICT before the expiration of insurance by having CONSULTANT's insurance broker or agent update, sign and return Exhibit D to the DISTRICT's contract manager. For all claims-made policies the updated Verification of Insurance must be provided to the DISTRICT for at least three (3) years after expiration of this Agreement.

M. If claims-made coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Agreement or the start of any Services related to this Agreement, CONSULTANT must purchase an extended reporting period for a minimum of three (3) years after expiration of the Agreement.

N. If requested by the DISTRICT, a copy of the policies' claims reporting requirement must be submitted to the DISTRICT for review.

O. Where additional insured coverage is required, the additional insured coverage shall be "primary and non-contributory," and will not seek contribution from the DISTRICT's insurance or self-insurance.

P. CONSULTANT agrees to provide immediate Notice to the DISTRICT of any loss or claim against CONSULTANT arising out of, pertaining to, or in any way relating to this Agreement, or Services performed under this Agreement. The DISTRICT assumes no obligation or liability by such Notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the DISTRICT.

Q. CONSULTANT agrees, upon request by the DISTRICT, to provide complete, certified copies of any policies and endorsements within 10 days of such request (copies of policies may be redacted to eliminate premium details.)

R. It is CONSULTANT's responsibility to ensure its compliance with the insurance requirements. Any actual or alleged failure on the part of the DISTRICT to obtain proof of insurance required under this Agreement shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.

S. Notice of Cancellation/Non-Renewal/Material Reduction The insurance requirements hereunder are mandatory and the DISTRICT may, at its sole and absolute discretion, terminate the services provided by CONSULTANT, should CONSULTANT breach its obligations to maintain the required coverage and limits set forth in this Agreement. No coverage required hereunder shall be cancelled, non-renewed or materially reduced in coverage or limits without

the DISTRICT being provided at least thirty (30) days prior written notice, other than cancellation for the non-payment of premiums, in which event the DISTRICT shall be provided ten (10) days prior written notice. Replacement of coverage with another policy or insurer, without any lapse in coverage or any reduction of the stated requirements does not require notice beyond submission to the DISTRICT of an updated Verification of Insurance which shall be met by having the CONSULTANT's insurance broker or agent update, sign and return this *Exhibit D*

E. If CONSULTANT is self-insured with respect to Workers' Compensation coverage, CONSULTANT shall provide to the DISTRICT a Certificate of Consent to Self-Insure from the California Department of Industrial Relations. Such self-insurance shall meet the minimum limit requirements and shall waive subrogation rights in favor of the DISTRICT as stated below in section "F."

F. Waiver of Subrogation. Workers' Compensation policies, including any applicable excess and umbrella insurance, must contain a waiver of subrogation endorsement providing that CONSULTANT and each insurer waive any and all rights of recovery by subrogation, or otherwise, against the DISTRICT, its directors, board, and committee members, officers, officials, employees, agents, and volunteers.
