

Pilot Spring Irrigation Repairs Rebate

Requirements

- Be an EBMUD commercial, municipal, or multi-family (5+ units) customer with an active, potable EBMUD water service location.
- **Pre-approval is required** and repairs must not have started or been completed prior to application submittal.
- Eligible repairs are listed on our Qualifying Repairs List, and must have the following:
 - Be on a functional and operating irrigation system with **minimum 3 active stations**. Hose bib/faucet controllers are ineligible.
 - Does not include any system or equipment upgrades and inspection related costs, like troubleshooting or wire tracing.
- Copy of final invoice showing itemized repairs is required and must list the repairs per station, and total project cost.
- Rebate amounts may not exceed 50% of the total cost of the final invoice and do not include taxes, labor, or any fees.

Documentation

Submit with your application:

1) Copy of the approved proposal or inspection report/workorder that includes the identified repairs and the total cost per station.
