

Request For Proposal (RFP) No. FMC735-24-01
Field Reservoir Joint Sealants and Re-Coating
August 15, 2024

Addendum #1

To prospective bidders under RFP No. FMC735-24-01 “Field Reservoir Joint Sealants and Re-Coating”.

Notice is hereby given that RFP No. FMC735-24-01 “Field Reservoir Joint Sealants and Re-Coating” of the East Bay Municipal Utility District has been revised as set forth below.

1. The District added Appendix B. Appendix B includes additional information regarding known Field Reservoir dimensions.
2. The District added a second bid walk date for vendors to attend that couldn't make the original bid walk to be held on Monday, August 19 @ 9:00am. Submissions will only be accepted from vendors that attended one of the two bid walks.
3. The District added the requirement for the Vendor to provide and coordinate for a NACE certified or similar 3rd party inspection. It is the responsibility of the vendor to coordinate the 3rd party inspection and to provide QA/QC reports to the District.
4. The District added the linear footage of Field Reservoir sealants as approximately 2,500 linear feet and added the height of the reservoir as approximately 21 feet.
5. The District revised the proposal to include Exhibit J – Photo Confidentiality Agreement.

This addendum and items outlined herein have been emailed, on Thursday, August 15, 2024, to those participants that attended the mandatory bid walk on Wednesday, August 14, 2024. This addendum will also be posted on the website on Friday, August 16, 2024.

The due date for RFP No. FMC735-24-01 “Field Reservoir Joint Sealants and Re-Coating” bids will remain as Friday, August 23, 2024, at 12:00 p.m.
