

**Request for Proposal (RFP) for Nutrients Master Plan Update
Addendum No. 2
April 10, 2025**

To prospective proposers under RFP for Nutrients Master Plan Update, notice is hereby given that the RFP for Nutrients Master Plan Update has been revised as set forth below and has provided a response to questions received from prospective proposers.

RFP Revisions

The following items describe revisions to the RFP. In the case of conflicting information, the information included in this addendum supersedes information within the original RFP.

1. On Page 3, the date for “Interviews” has been revised to **May 12, 2025 from 9:00 AM to 3:00 PM PST**.
 - a. Interviews will be conducted in person at either the Main Wastewater Treatment Plant (2020 Wake Ave., Oakland, CA 94607) or the Administration Building (375 Eleventh St., Oakland, CA 94607).
 - b. Proposers are advised to reserve availability to participate in interviews, if selected, on May 12, 2025 between the hours of 9:00 AM and 3:00 PM.
 - c. Each interview will be one hour in duration.
 - d. Interview times will be assigned to the top two or three proposals, per Page 7 of the RFP.
 - i. Assignments (i.e., interview start time and interview location) for the top two or three proposers will be determined using a random number generator.
 - ii. Assignments will be communicated via email on Wednesday, May 8.

Questions and Answers

No additional questions were received since Addendum No. 1 was issued.

THIS ADDENDUM MUST BE SUBMITTED WITH THE PROPOSAL.
