## I. STATEMENT OF WORK

### A. SCOPE

The East Bay Municipal Utility District (EBMUD) is seeking proposals from qualified vendors to administer its Employee Recognition and Service Awards Program (ERSAP). The program aims to recognize and appreciate EBMUD's 2,000+ employees in a meaningful and sustainable manner, promoting a culture of appreciation and alignment with the District's core values of Stewardship, Integrity, Respect, and Teamwork.

EBMUD intends to award a three-year contract, with the option to renew for up to two additional one-year terms, to the vendor(s) that best meets the District's requirements.

The ERSAP is managed by the Employee and Organizational Development (EOD) division. The program includes five primary components:

1. **Peer and Team Recognition:** An online recognition program that allows any EBMUD employee to send and receive recognition for demonstrating EBMUD values and other accomplishments. The platform should allow for customizable recognition templates, tracking of recognition activity, and reporting features to assess program engagement.
2. **Service Awards:** Approximately 350 employees annually will receive awards for achieving service milestones in five-year increments, ranging from 5 to 45 years of service. The vendor will provide gift options and prepare certificates for these milestones.
3. **Retirement Gifts:** Approximately 125 retiring employees annually will receive a certificate and select from a range of award options provided by the vendor.
4. **Employee Appreciation Month and Local Celebrations:** Support departments in hosting recognition events during Employee Appreciation Month and throughout the year, providing resources and ideas for meaningful celebrations that align with EBMUD's values.
5. **Time-Off Certificates:** Provide a process to award time-off certificates as a form of recognition, including tools to track issuance and usage of these certificates.

The selected vendor will administer all five program components while maintaining a high quality of service and communication with EBMUD department contacts and individual employees.

### **Encouraging Innovation:**

- B. EBMUD encourages proposers to recommend innovative approaches to enhance the Employee Recognition and Service Awards Program. Vendors may suggest new methodologies, technologies, or creative solutions that align with EBMUD goals and values, ensuring the program remains dynamic, impactful, and engaging for employees. Proposals may include digital recognition tools, event

management solutions, gamification strategies, or other creative recognition methods. PROPOSER QUALIFICATIONS

### **III. DISTRICT PROCEDURES, TERMS, AND CONDITIONS**

#### **A. RFP ACCEPTANCE AND AWARD**

1. RFP responses will be evaluated by the Selection Committee and will be scored and ranked in accordance with the RFP section entitled "Evaluation Criteria/Selection Committee."
2. The Selection Committee will recommend award to the Proposer who, in its opinion, has submitted the RFP response that best serves the overall interests of the District. Award may not necessarily be made to the Proposer with the lowest overall cost.
3. The District reserves the right to award to a single or to multiple General or Professional Service Providers, dependent upon what is in the best interest of the District.
4. The District has the right to decline to award this contract or any part of it for any reason.
5. Any specifications, terms, or conditions issued by the District, or those included in the Proposer's submission, in relation to this RFP, may be incorporated into any purchase order or contract that may be awarded as a result of this RFP.
6. Award of contract. The District reserves the right to reject any or all proposals, to accept one part of a proposal and reject the other, unless the proposer stipulates to the contrary, and to waive minor technical defects and administrative errors, as the interest of the District may require. Award will be made, or proposals rejected by the District as soon as possible after proposals have been opened.

#### **B. EVALUATION CRITERIA/SELECTION COMMITTEE**

All proposals will be evaluated by a Selection Committee. The Selection Committee may be composed of District staff and other parties that have expertise or experience in this type of procurement. The Selection Committee will select a Proposer in accordance with the evaluation criteria set forth in this RFP. The evaluation of the RFP responses shall be within the sole judgment and discretion of the Selection Committee.

The Selection Committee will evaluate each RFP response meeting the qualification requirements set forth in this RFP. Proposer should bear in mind that any RFP response

that is unrealistic in terms of the technical or schedule commitments, or unrealistically high or low in cost, will be deemed reflective of an inherent lack of technical competence or indicative of a failure to comprehend the complexity and risk of the District's requirements as set forth in this RFP.

RFP responses will be evaluated and scored according to the Evaluation Criteria below and scored according to a zero to five-point scale. The scores for all Evaluation Criteria will then be added to arrive at a weighted score for each RFP response. An RFP response with a high weighted total will be ranked higher than one with a lesser-weighted total.

The Evaluation Criteria are as follows:

	<b>Evaluation Criteria</b>
<b>A</b>	<p><b>Technical Criteria:</b></p> <p>In each area described below, an evaluation will be made of the probability of success of, and risks associated with, the RFP response:</p> <ol style="list-style-type: none"> <li>1. System Design - A comparison will be made of the vendor platforms. Additional credit will be given for features of the proposed design that offer enhanced utility, ease of use, or ease of integration with single sign-on, as well as equipment and systems.</li> <li>2. Software Design and Development - The evaluation will compare the proposed software capabilities with the requirements of this RFP in terms of the software's compatibility with existing human resources information systems.</li> </ol>
<b>B.</b>	<p><b>Cost:</b></p> <p>The points for Cost will be computed by dividing the amount of the lowest responsive RFP response received by each Proposer's total proposed cost.</p> <p>While not reflected in the Cost evaluation points, an evaluation may also be made of:</p> <ol style="list-style-type: none"> <li>1. Reasonableness (i.e., does the proposed pricing accurately reflect the Proposer's effort to meet requirements and objectives?);</li> <li>2. Realism (i.e., is the proposed cost appropriate to the nature of the products and services to be provided?); and</li> <li>3. Affordability (i.e., the ability of the District to finance this project).</li> </ol> <p>Consideration of price in terms of overall affordability may be controlling in circumstances where two or more RFP responses are otherwise judged to be equal, or when a superior RFP response is at a price that the District cannot afford.</p>
<b>C.</b>	<p><b>Implementation Plan and Schedule:</b></p> <p>An evaluation will be made of the likelihood that the Proposer's implementation plan and schedule will meet the District's schedule. Additional credit will be given for the identification and planning for</p>

	mitigation of schedule risks which the Proposer believes may adversely affect any portion of the District's schedule.
<b>D.</b>	<p><b>Relevant Experience:</b> RFP responses will be evaluated against the RFP specifications and the questions below:</p> <ol style="list-style-type: none"> <li>1. Does the vendor have relevant experience with similar service?</li> <li>2. Does the vendor provide references of organizations where they provided similar service?</li> <li>3. How long has the vendor been in this business?</li> </ol>
<b>E.</b>	<p><b>References (See Exhibit A – RFP Response Packet):</b> If a short list process is used for a solicitation, references are only performed on the shortlisted Proposers and the score for reference checks is not included in the preliminary short list score.</p>
<b>F.</b>	<p><b>Oral Presentation and Interview:</b> The oral interview may consist of standard questions asked of each of the Proposers and specific questions regarding the specific RFP response.</p>
<b>G.</b>	<p><b>Understanding of the Project:</b> RFP responses will be evaluated against the RFP specifications and the questions below:</p> <ol style="list-style-type: none"> <li>1. Has the Proposer demonstrated a thorough understanding of the purpose and scope of the project?</li> <li>2. How well has the Proposer identified pertinent issues and potential problems related to the project?</li> <li>3. Has the Proposer demonstrated that it understands the deliverables the District expects it to provide?</li> <li>4. Has the Proposer demonstrated that it understands the District's time schedule and can meet it?</li> </ol>
<b>H.</b>	<p><b>Methodology:</b> RFP responses will be evaluated against the RFP specifications and the questions below:</p> <ol style="list-style-type: none"> <li>1. Does the methodology depict a logical approach to fulfilling the requirements of the RFP?</li> <li>2. Does the methodology match and contribute to achieving the objectives set out in the RFP?</li> <li>3. Does the methodology interface with the District's time schedule?</li> </ol>

<b>J.</b>	<p><b>Online Ordering Process:</b> Bidders must include instructional screen prints and a link to an online demo of the ordering website that would be used by EBMUD employees as part of their bid response.</p> <p>An evaluation will be made based on the following criterion:</p> <ol style="list-style-type: none"> <li>1. Does the website have user-friendly ordering procedures?</li> <li>2. Does the website provide customized online viewing of the service award products offered at each individual service level?</li> </ol>
<b>K.</b>	<p><b>Online Peer Recognition Process:</b> An evaluation will be made based on the following criterion:</p> <ol style="list-style-type: none"> <li>1. Does the website have user-friendly nomination procedures?</li> <li>2. Does the vendor platform provide a customized recognition service based on EBMUD's requirements (for example, changing the recognition themes quarterly)?</li> <li>3. Tracking and reporting ability and quality (types of reports generated).</li> <li>4. Easy to use nomination and appreciation page.</li> </ol>
<b>L.</b>	<p><b>Quality of Proposed Awards for Each of the Nine Service Award Levels and the Retirement Award level:</b> Bidders will be required to submit samples of the items proposed for this contract. The EBMUD selection committee will choose five (5) items for each service level and perform an evaluation based on the following criterion:</p> <ol style="list-style-type: none"> <li>1. Quality, uniqueness, and aesthetic appeal of proposed awards.</li> <li>2. The award selection is proper and appropriate for each level of service.</li> </ol>

2. All prices quoted shall be in United States dollars.
3. Price quotes shall include any and all payment incentives available to the District.
4. Proposers are advised that in the evaluation of cost, if applicable, it will be assumed that the unit price quoted is correct in the case of a discrepancy between the unit price and extended price.

D. NOTICE OF INTENT TO AWARD AND PROTESTS

At the conclusion of the RFP response evaluation process, all entities who submitted a proposal package will be notified in writing by e-mail or USPS mail with the name of the Proposer being recommended for contract award. The document providing this notification is the Notice of Intent to Award.

Negotiations for a Consulting Services Agreement with a “not to exceed” contract price (for time and expenses) will be scheduled shortly after the Notice of Intent to Award. If an Agreement cannot be achieved, the District will proceed to negotiate with the next highest ranked Proposer.

Protests must be in writing and must be received no later than seven (7) workdays after the District issues the Notice of Intent to Award. The District will reject the protest as untimely if it is received after this specified time frame. Protests will be accepted from proposers or potential proposers only.

If the protest is mailed and not received by the District, the protesting party bears the burden of proof to submit evidence (e.g., certified mail receipt) that the protest was sent in a timely manner so that it would be received by the District within the RFP protest period.

Proposal protests must contain a detailed and complete written statement describing the reason(s) for protest. The protest must include the name and/or number of the proposal, the name of the firm protesting, and include a name, telephone number, email address and physical address of the protester. If a firm is representing the protester, they shall include their contact information in addition to that of the protesting firm.

Protests must be mailed, hand delivered, or emailed to the Manager of Purchasing, Mailstop 102, East Bay Municipal Utility District, 1010 Franklin St., Oakland, CA 94607 or P.O. Box 24055, Oakland, California 94623. Facsimile and electronic mail protests must be followed by a mailed or hand delivered identical copy of the protest and must arrive within the seven workday time limit. Any proposal protest filed with any other District office shall be forwarded immediately to the Manager of Purchasing.

In the event that the protest is denied, the protester can appeal the determination to the requesting organization’s Department Director. The appeal must be submitted to the Department Director no later than five workdays from the date which the protest determination was transmitted by the District, to the protesting party. The appeal shall focus on the points raised in the original protest, and no new points shall be raised in the appeal.

Such an appeal must be made in writing and must include all grounds for the appeal and copies of the original protest and the District's response. The proposal protester must also send the Purchasing Division a copy of all materials sent to the Department Director.

The Department Director will make a determination of the appeal and respond to the protester by certified mail in a timely manner. If the appeal is denied, the letter will include the date, time, and location of the Board of Directors meeting at which staff will make a recommendation for award and inform the protester it may request to address the Board of Directors at that meeting.

The District may transmit copies of the protest and any attached documentation to all other parties who may be affected by the outcome of the protest. The decision of the District as to the validity of any protest is final. This District's final decision will be transmitted to all affected parties in a timely manner.

## **CONTRACT EQUITY PROGRAM & EQUAL EMPLOYMENT OPPORTUNITY**

The District's Board of Directors adopted the Contract Equity Program (CEP) to promote inclusive participation in contracting opportunities for all qualified businesses. The program establishes contracting objectives, which are aspirational benchmarks based on marketplace availability data. These are not quotas or preferences and are applied in a race- and gender-neutral manner to assess representative participation in District contracting.

The CEP references availability groups, such as white male-owned business, white female-owned business, and ethnic minority-owned businesses, solely for the purpose of measuring statistical availability and participation trends in the marketplace. These groupings do not confer any preferential treatment and are used strictly to support outreach and ensure equal access to opportunity.

Contracting objectives apply to all contracts determined to have subcontracting opportunities, and to all General or Professional Service Providers regardless of their race, gender, or ethnicity.

### **Small and Disabled Veteran Business Enterprises Preferences**

In accordance with applicable state and federal laws, the District may provide preference points or incentives for certified Small Business Enterprises (SBE) and Disabled Veteran Business Enterprises (DVBES). These programs are administered in a race- and gender- neutral manner and are not based on or intended to confer preferential treatment on the basis of race, sex, color, ethnicity, or national origin, consistent with California Proposition 209.

### **Non-Discrimination Compliance**

All Contractors and their subcontractors performing work for the District must be Equal Employment Opportunity (EEO) employers and shall be bound by all laws prohibiting discrimination in employment. There shall be no discrimination against any person, or group of persons, on account of race, color, religion, creed, national origin, ancestry, gender including gender identity or expression, age, marital or domestic partnership status, mental disability, physical disability (including HIV and AIDS), medical condition (including genetic characteristics or cancer), genetic information, or sexual orientation.

**Contractor and their subcontractors shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin in the performance of this contract. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.**

All Contractors shall include the nondiscrimination provisions above in all subcontracts.

Please include the required completed forms with your proposal. Non-compliance with the Guidelines may deem a proposal non-responsive, and therefore, ineligible for contract award. Your firm is responsible for:

- 1) Reading and understanding the CEP guidelines.

- 2) Completing and submitting the appropriate forms with your proposal.

The CEP Guidelines and Forms can be downloaded from the District website at the following link:

<https://www.ebmud.com/business-center/contract-equity-program>

If you have questions regarding the Contract Equity Program, please call (510) 287-0114.

**The following provisions are applicable to all required insurance:**

- A. Prior to the beginning of and throughout the duration of Services, and for any additional period of time as specified below, CONTRACTOR shall, at its sole cost and expense, maintain insurance in conformance with the requirements set forth below.
- B. CONTRACTOR shall provide Verification of Insurance as required by this Agreement by providing the completed Verification of Insurance as requested below by signing and submitting Exhibit B (“Insurance Requirements”) to the DISTRICT. The Insurance Requirements may be signed by the insurance broker or the insurance broker’s agent (Insurance Broker/Agent) for the CONTRACTOR, or by an officer of the CONTRACTOR (Officer), or by the CONTRACTOR’s risk manager (Risk Manager). The Notice to Proceed shall not be issued, and CONTRACTOR shall not commence Services until a signed Verification of Insurance evidencing the specific coverages and limits required by this Agreement has been received by the DISTRICT.
- C. CONTRACTOR shall carry and maintain the minimum insurance requirements as defined in this Agreement. CONTRACTOR shall require any contractor/subcontractor to carry and maintain the minimum insurance required in this Agreement to the extent the insurance applies to the scope of the services to be performed by contractor/subcontractor.
- D. Receipt of a signed Verification of Insurance by the DISTRICT shall not relieve CONTRACTOR of any of the insurance requirements, nor decrease liability of CONTRACTOR.
- E. Insurance must be maintained, and an updated Verification of Insurance must be provided to the DISTRICT before the expiration of insurance by having the Insurance Broker/Agent, Officer, or Risk Manager update, sign and return the Insurance Requirements to the DISTRICT’s contract manager. The updated Insurance Requirements shall become a part of the Agreement but shall not require a change order to the Agreement. It is the CONTRACTOR’s sole responsibility to provide or to ensure that an updated Verification of Insurance is provided to the DISTRICT. The DISTRICT has no obligation to solicit, remind, prompt, request, seek, or otherwise obtain any updated Verification of Insurance, and any actual or alleged failure on the part of the DISTRICT to obtain any updated Verification of Insurance under this Agreement shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.

- F. The insurance required hereunder may be obtained by a combination of primary, excess and/or umbrella insurance, and all coverage shall be at least as broad as the requirements listed in this Agreement.
- G. Any deductibles, self-insurance, or self-insured retentions (SIRs) applicable to the required insurance coverage must be declared to and accepted by the DISTRICT.
- H. At the option and request of the DISTRICT, CONTRACTOR shall provide documentation of its financial ability to pay the deductible, self-insurance, or SIR.
- I. CONTRACTOR is responsible for the payment of any deductibles or SIRs pertaining to the policies required under this Agreement. In the event CONTRACTOR is unable to pay the required SIR, CONTRACTOR agrees that such SIR may be satisfied, in whole or in part, by the DISTRICT as the additional insured at the DISTRICT's sole and absolute discretion, unless to do so would terminate or void the policy(ies).
- J. Unless otherwise accepted by the DISTRICT, all required insurance must be placed with insurers with a current A.M. Best's rating of no less than A- V.
- K. CONTRACTOR shall defend the DISTRICT and pay any damages as a result of failure to provide the waiver of subrogation from the insurance carrier required by this Agreement.
- L. For any coverage that is provided on a claims-made coverage form (which type of form is permitted only where specified), the retroactive date must be shown, must be before the date of this Agreement, and must be before the beginning of any Services related to this Agreement.
- M. For all claims-made policies the updated Verification of Insurance must be provided to the DISTRICT for at least three (3) years after expiration or termination of this Agreement.
- N. If claims-made coverage is canceled or is non-renewed and if the claims-made coverage is not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Agreement and prior to the start of any Services related to this Agreement, CONTRACTOR must purchase an extended reporting period for a minimum of three (3) years after expiration or termination of the Agreement.
- O. In the event of a claim or suit, and upon request by the DISTRICT, CONTRACTOR agrees to provide a copy of the pertinent policy(ies) within 10 days of such request to the DISTRICT for review. Any actual or alleged failure on the part of the DISTRICT to request a copy of the pertinent policy(ies) shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard. Additionally, the DISTRICT may, at any time during CONTRACTOR's performance under this Agreement, request a copy of the Declarations pages and Schedule of Forms and Endorsements of any policy required to be maintained by CONTRACTOR hereunder, whether or not a suit or claim has been filed. Premium details may be redacted from any such documents requested.
- P. The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained herein.
- Q. Where additional insured coverage is required, the additional insured coverage shall be primary and non-contributory, and will not seek contribution from the DISTRICT's insurance or self-insurance.
- R. CONTRACTOR agrees to provide immediate Notice to the DISTRICT of any loss or claim against CONTRACTOR arising out of, pertaining to, or in any way relating to this Agreement or to Services performed under this Agreement. The DISTRICT assumes no obligation or liability by such Notice but

has the right (but not the duty) to monitor the handling of any such claim(s) if the claim(s) is likely to involve the DISTRICT.

- S. It is the obligation of the CONTRACTOR to ensure all contractors/subcontractors performing services under this Agreement maintain the necessary coverages and limits. CONTRACTOR shall ensure that all contractors/subcontractors agree to the same indemnity obligation that CONTRACTOR agrees to in this Agreement based on the nature and scope of services being performed by each contractor/subcontractor. CONTRACTOR shall require that each contractor/subcontractor include the DISTRICT, its directors, officers, and employees as additional insureds on its liability policy(ies) (excepting Professional Liability and Workers' Compensation) for all ongoing and completed operations with coverage as broad as required of CONTRACTOR under this Agreement. Failure or inability to secure fully adequate insurance shall in no way relieve the CONTRACTOR or all contractors/subcontractors of the responsibility for its own acts or the acts of any contractors/subcontractors or any employees or agents of either. All contractors/subcontractors are to waive subrogation against the DISTRICT on all policies. CONTRACTOR shall be responsible for maintaining records evidencing contractors'/subcontractors' compliance with the necessary insurance coverages and limits, and such records shall be made available to the DISTRICT within 10 days upon request.
- T. It is CONTRACTOR's responsibility to ensure its compliance with the insurance requirements. Any actual or alleged failure on the part of the DISTRICT to obtain proof of insurance required under this Agreement shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.
- U. Notice of Cancellation/Non-Renewal/Material Reduction. The insurance requirements hereunder are mandatory, and the DISTRICT may, at its sole and absolute discretion, terminate the services provided by CONTRACTOR, should CONTRACTOR breach its obligations to maintain the required coverage and limits set forth in this Agreement. No coverage required hereunder shall be cancelled, non-renewed or materially reduced in coverage or limits without the DISTRICT being provided at least thirty (30) days prior written notice, other than cancellation for the non-payment of premiums, in which event the DISTRICT shall be provided ten (10) days prior written notice. Replacement of coverage with another policy or insurer, without any lapse in coverage or any reduction of the stated requirements does not require notice beyond submission to the DISTRICT of an updated Verification of Insurance which shall be met by having the Insurance Broker/ Agent, or Officer, or Risk Manager update, sign and return the Insurance Requirements.
