

# Commercial Irrigation Submeter Rebate Program

## What is the Irrigation Submeter Rebate Program?

The Irrigation Submeter Rebate provides a rebate to commercial, municipal, and multi-family (5+ units) customers for the installation of an irrigation submeter which can be used to monitor and separately measure water used for landscape purposes. **Offer valid between January 1, 2026 and December 31, 2026.**

## Requirements

1. This rebate program is open to EBMUD commercial, municipal, and multi-family (5+ units) with an active, potable EBMUD water service location.
2. Eligible equipment must possess the following features:
  - Ability to monitor and separately measure the total water flow used for landscape purposes, such as that from irrigation, pools, and/or fountains.
  - Leak detection feature.

## Applying

**Step 1.** Review the eligibility requirements.

**Step 2.** Submit your completed application to EBMUD, along with a photo of the existing area for proposed submeter installation.

**Step 3.** Wait for EBMUD approval before beginning your project.

**Step 4.** After receiving approval, complete installation within a 9-month deadline and send to EBMUD:

- Photo of installed equipment.
- Copy of receipt or contractor's invoice showing material price, exclusive of labor, taxes, and other fees.

**Step 5.** Rebates are issued as checks payable to the account holder and mailed to the billing address on file within two months of rebate approval. To request an alternate payee, submit a [Payee Change Request Form](#) for EBMUD approval.

Note: EBMUD may verify with an in-person site visit.

## Reimbursement

EBMUD **will** reimburse up to 50% of the cost of the irrigation submeter, not to exceed \$200.

EBMUD **will not** reimburse costs for the following:

- Taxes, shipping, labor, service fees
- Maintenance or replacement of existing irrigation submeters
- Repairs in new construction or to meet Model Water Efficiency Landscape Ordinance (MWELO)

## Agreement

I, the undersigned, understand that this is a limited, first-come/first-served program for EBMUD customers with active potable water service and that EBMUD is entitled to deny any application that does not meet program requirements. I certify that the information provided is accurate, and that all work performed will comply with all applicable federal, state, and local laws. I acknowledge that EBMUD may inspect the property to verify existing conditions and completed installations. Except as necessary to determine eligibility, these inspections do not address or determine the quality, safety, efficiency, or suitability of materials, workmanship, or installations. I understand participation does not guarantee lower water bills or any specific performance of installed materials or equipment. I agree to assume all risks associated with the installation and use of materials or equipment associated with the installation. I agree to defend, indemnify and hold harmless EBMUD, its directors, officers, agents and employees against any and all loss, liability, expense, claims, suits and damages, including attorneys' fees, arising out of or relating to the installation or presence of any devices or equipment on or affecting EBMUD property. I HAVE READ THIS DOCUMENT AND UNDERSTAND THAT IT INCLUDES A RELEASE AND WAIVER OF CLAIMS AND THAT I AM ASSUMING RISKS INHERENT IN THE UNDERTAKING OF THE INSTALLATION. I understand that rebates are contingent upon proper installation, verification, and compliance with all program requirements.
