

**SUMMARY OF CHANGES TO THE
2017 PUBLIC REVIEW DRAFT OF THE
EAST BAY WATERSHED MASTER PLAN**

Page 46: In the Water Quality Objectives discussion, the previous second bullet has been reinstated: “Ensure that surface water runoff from District lands meets state water quality standards.”

Page 51: In BIO.8, the previous sentence at the end has been reinstated, “Include a water quality specialist during coordinated resource management planning.”

Page 52: In BIO.23, reinstate previous clause at end, “; evaluate consistency with other EBWMP direction.”

Page 54, FOR.11, “Prior to any harvest activities, ensure that adequate stump-sprouting control methods are available to reduce fire hazards and protect water quality. Herbicides will not be used to control stump resprouts.”

Page 67: DRT.25 has been edited to read: “Use of designated unpaved roads or trails shall be limited to hiking and equestrians with restrictions as provided in the watershed rules and regulations and by signage at trailheads, except in those portions of the Lake Chabot watershed that are leased to EBRPD or as required under the ADA. Bicycle access shall be allowed only on designated portions of the Pinole Valley and Eagle’s Nest trails consisting of service fire roads and a disced firebreak. The EBMUD Board of Directors reserves the right to revoke bicycle access on these trails at any time and for any reason.”

Page 94: PW.5 has been edited to read: “Prohibit use of pesticides in the watershed, except for ~~those herbicides specifically approved~~ for spot treatment of pest plant species ~~according to District IPM guidelines~~ and where other methods of pest control are not feasible.

Page 102: Under the **El Toyonal Interface** header, insert at the end of the first paragraph:

“The opportunity for development is limited due to the steep slopes in the El Toyonal area.”

The subsequent paragraph has been deleted.
