ADDENDUM #1

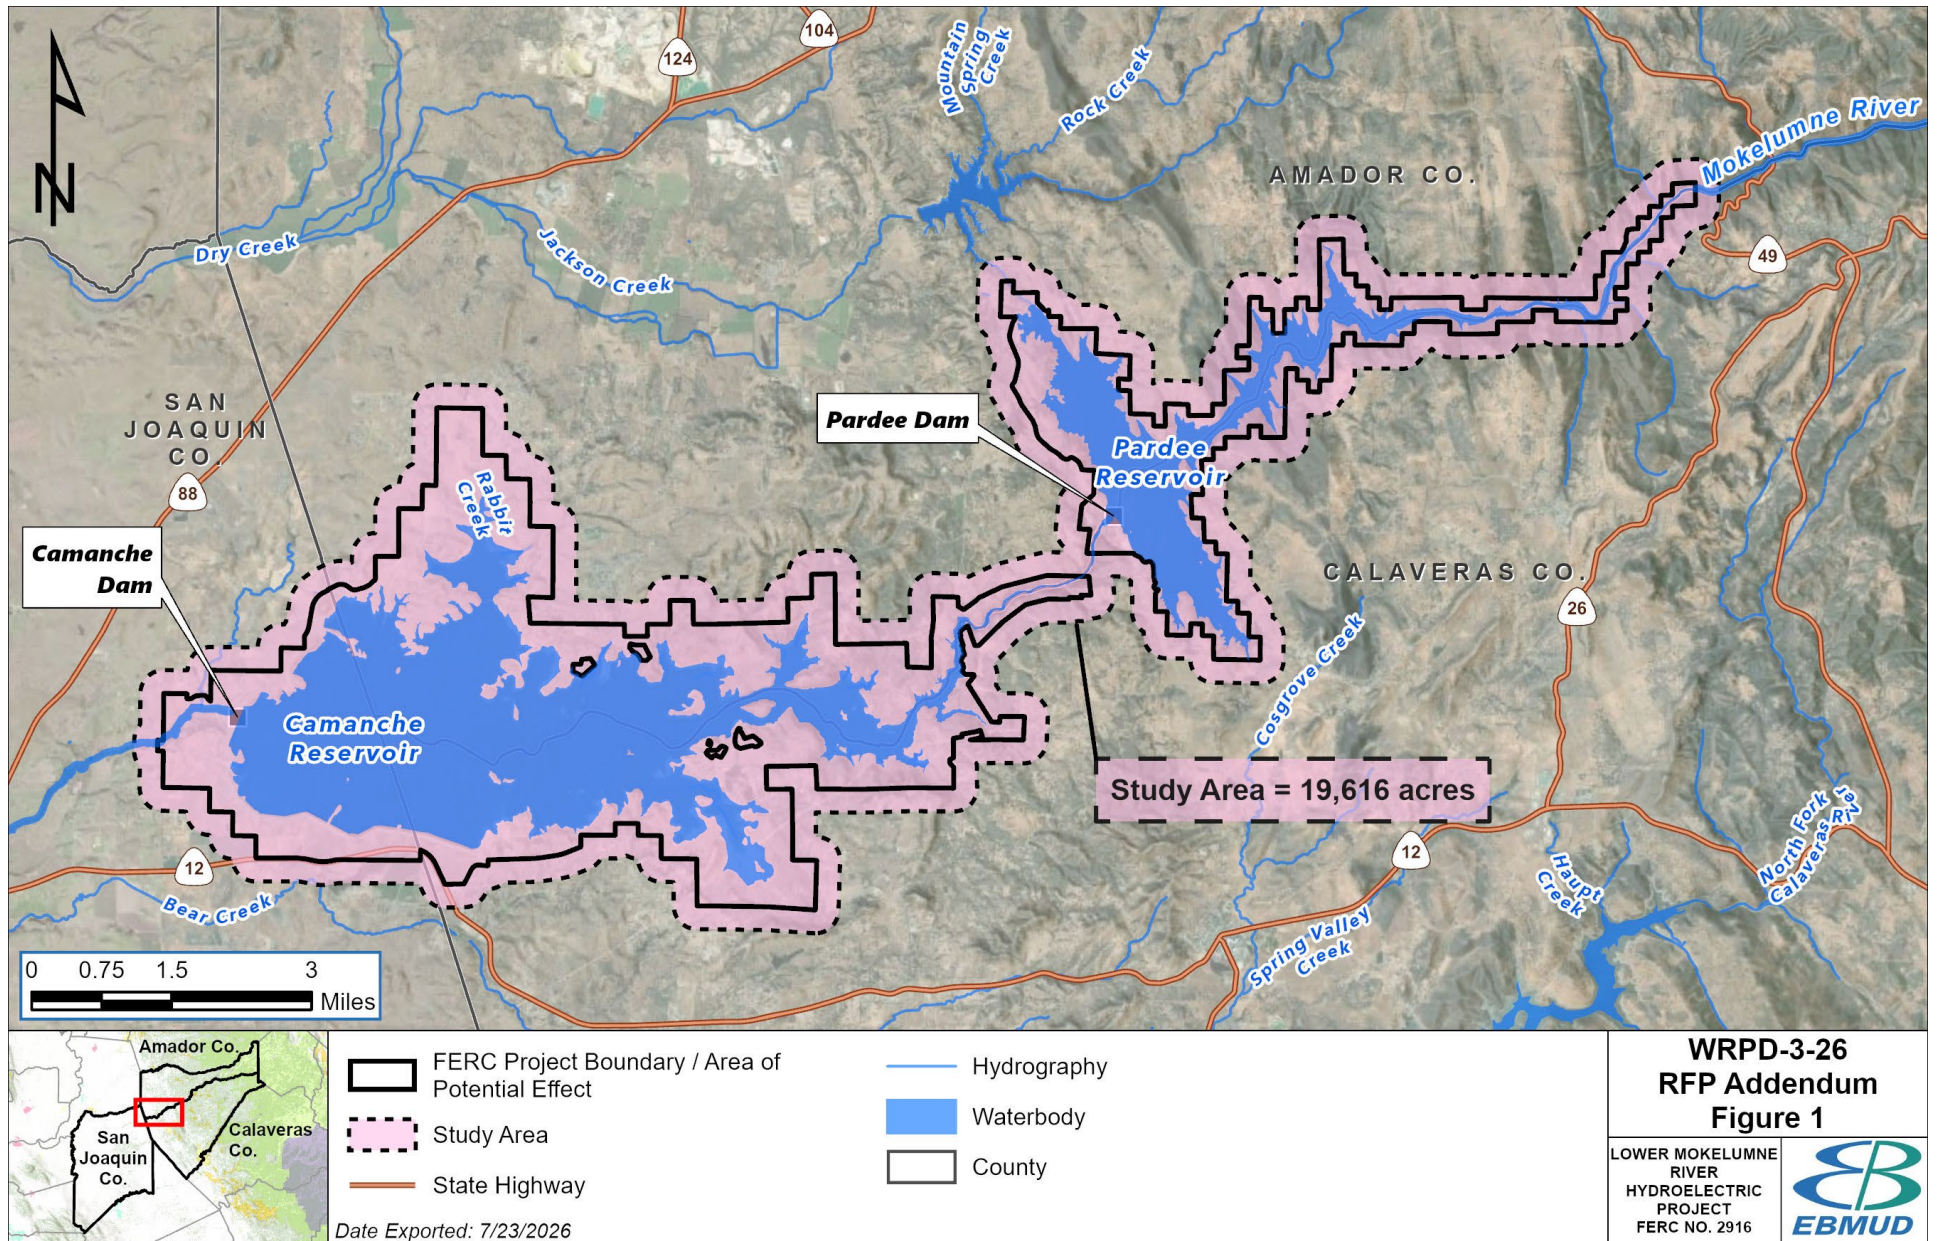

TO PROSPECTIVE PROPOSERS OF RFP “Cultural Resources and Tribal Ethnography Studies, RFP Number WRPD-3-26”

Notice is hereby given that the subject RFP of the East Bay Municipal Utility District has been revised as follows:

Addition #1: EBMUD provides a link to the proposed study plans for cultural (CR-1) and tribal resources (CR-2) referenced in the RFP to provide additional context on the studies.

- [https://www.ebmud.com/application/files/6917/6106/7945/Volume III - Draft Proposed Technical Study Plans.pdf](https://www.ebmud.com/application/files/6917/6106/7945/Volume_III_-_Draft_Proposed_Technical_Study_Plans.pdf)
➔ The proposed studies can be found on PDF pages 386-423.

Addition #2: For clarity on the proposed Area of Potential Effect, Study Area, and study area acreage, a revised map is provided on the following page. Note that the study area acreage does include existing infrastructure footprints.
