

Qualifying Irrigation Repairs

The following irrigation repairs qualify for the Pilot Spring Irrigation Repairs Rebate. Rebates are not guaranteed. For full program rules and eligibility visit ebmud.com/rebates.

Can a repair qualify if it is not on this list?

If you believe a repair should qualify that is not included, make a note on your application and EBMUD will consider.

Sprinklers:

1. Broken spray and/or rotor bodies; including but not limited to riser, seal, springs etc.
2. Broken, damaged, and/or clogged nozzles
3. Tilted and/or sunken heads

Drip:

1. Broken dripline or bubblers
2. Broken, leaking, or clogged emitters
3. Replace and/or repair additional drip components; including but not limited to fittings, air relief valves, plugs, etc.

Pipes, Fittings:

1. Broken lateral pipe
2. Broken mainline pipe
3. Pipe fittings including but not limited to tees, elbows, couplings, slip-fixes, etc.

Valves:

1. Replacement; including master valves
2. Valve diaphragm repair and/or replacement
3. Solenoid repair and/or replacement
4. Quick coupler repair and/or replacement

Non-Qualifying:

1. Installation of new irrigation equipment
2. Valve box lids
3. Wire tracing and/or leak detection services
4. System or equipment upgrades
5. Inspection related costs
6. Repairs in new construction or to meet Model Water Efficiency Landscape Ordinance (MWELo)
