## Can a product qualify if it is not on this list?

If you believe a product should qualify, and is not already included on this list, please e-mail [waterconservation@ebmud.com](mailto:waterconservation@ebmud.com). Include manufacturer name, model name, model number or sku, and precipitation rate (<1"/hr) for consideration.

## Where can I buy irrigation equipment?

The best place to find efficient irrigation products with water conservation options and accessories is at a local irrigation distributor. You may wish to identify yourself as an EBMUD customer interested in EBMUD rebates when reaching out.

Visit [lawntogarden.org/marketplace](http://lawntogarden.org/marketplace) for a comprehensive list of local stores with irrigation supplies.
