ADDENDUM NO. 2

TO PROSPECTIVE BIDDERS UNDER RFQ NO. 1816, **"WATER BILL FORMS"**

Notice is hereby given that RFQ No. 1816 of the East Bay Municipal Utility District has been revised as set forth below:

A question was received and answered as follows:

1. Question: The Exhibit D sample looks like the form might have a perf at the top of the payment stub. This is noted by the dotted line. The perforation line is used to make it easier to detach the return payment stub.

Does this form have the perforation?

When there is a perforation and the dotted line is printed there is a chance that the actual perforation line can be slightly off (up or down) from the printed dotted line. Some people avoid this minor production variation by not printing the dotted line but only providing the perf line.

Please clarify if this has a perforation.

Answer: A perforation and printed dotted line are both present.

DUE DATE, TIME, AND LOCATION SHALL REMAIN THE SAME WITH BIDS DUE ON AUGUST 22, 2018, AT 1:30PM.

THIS ADDENDUM MUST BE SUBMITTED WITH THE BID.
